IN pursuance of section 31 of the Medical Practitioners Act, 1914, a certified copy of the names, qualifications, and residences entered in the Medical Register of New Zealand is published for general information. Subsections (2) and (8) of section 11 of the latter Act are published for general information:—

"(2) Subject to the provisions of this section, every registered medical practitioner commits an offence and is liable on summary conviction to a fine not exceeding five pounds for each day during which the offence continues who, at any time after the thirty-first day of March, nineteen hundred and thirty-three, not having obtained from the Director-General of Health under this section a certificate which is then in force to the effect that he is registered under the principal Act, practises medicine or surgery, or any branch of medicine or surgery, under the style or title of a physician, surgeon, doctor, licentiate in medicine or surgery, bachelor of medicine, or medical practitioner, or under any name, title, addition, or description implying that he holds any diploma or degree in medicine or surgery, or in any branch of medicine or surgery, or is otherwise specially qualified to practise medicine or surgery, or any branch of medicine or surgery.

"(8) The copy of the register required by subsection one of section thirty-one of the principal Act to be published in the Gazette shall indicate with reference to every person whose name appears therein whether such person is the holder of a certificate for the then current year, and the absence from any such copy of any such indication with respect to any person shall, until the contrary is proved by the production of the certificate or a copy thereof certified by the Director-General of Health, be sufficient evidence in all judicial proceedings that such person is not the holder of such a certificate."
