Classification of Secondary-school Assistant Teachers.

Education Department,  
Wellington, 4th December, 1941.

THE following lists of assistant teachers employed full time in secondary schools and combined schools are issued under the authority of the Minister of Education in accordance with the regulations relating to secondary schools and to combined secondary and technical schools made by Orders in Council dated the 5th May, 1924, and 25th September, 1931.

Under the heading "Grade" is shown the grade in which a teacher is classified for the year 1942.

Under the heading "Grade of Position" is shown the grade of position in which a teacher is now employed.

Under the heading "School" is shown the secondary or combined school in which the teacher is employed.

Attention is drawn to the regulations under which any teacher who considers he has good grounds of objection to his classification may lodge an appeal by letter to reach the Director of Education not later than forty clear days after the publication of this list in the *New Zealand Gazette*—i.e., such appeals must reach the Director not later than 13th January, 1942, and must contain the definite grounds on which the appeal is based.

Teachers whose names are marked with an asterisk \* are on military leave serving overseas.

Teachers marked with a † are on leave on military service in New Zealand.

Teachers marked with a ‡ are on leave as Education Officers in the R.N.Z.A.F.

Teachers marked with a || have filled war vacancies in secondary or in combined schools, and have since been continuously engaged in war service either overseas or in New Zealand.
