To the AIR OFFICER COMMANDING-IN-CHIEF for the time being of the Royal Air Force Fighter Command.

And that there may not in any case be a failure of justice from the want of a proper person authorized to act as judge-advocate, I do hereby further empower you, in default of a person appointed by me or deputed by the Solicitor-General, or during the illness or occasional absence of the person so appointed or deputed, to nominate and appoint, and to delegate to any officer duly authorized to convene a general court-martial the power of appointing, a fit person from time to time for executing the office of judge-advocate at any court-martial for the more orderly proceedings of the same:

8A. A domestic allowance of 2s. 6d. a day may, at the discretion of the Minister, be paid to the wife of a member of the Regular Force having one or more children under the age of sixteen years, or to such other person on behalf of the wife as the Minister may direct.

Where a child is attending day school the Minister, or any person authorized by the Minister in that behalf, shall have power to extend the period during which the allowance is payable until such child attains the age of eighteen years.

NOTE.—"Day" is to have the same meaning as in King's Regulations.

PART III.—REGULAR FORCE: UNIFORM ALLOWANCE, CLOTHING ISSUES, TRAVELLING AND OTHER ALLOWANCES.

UNIFORM ALLOWANCE: OFFICERS.

9. (a) On appointment to a commission in the Regular Force every officer shall be paid an outfit grant of £26, and after completion of one year's service an annual upkeep allowance of £10, payable in advance.

(b) In the case of an appointment to a commission from the other ranks of the Regular Force, the unexpired portion of uniform upkeep allowance already paid in advance shall be deducted from the uniform outfit grant.

(c) The initial outfit grant shall not be paid to any officer of the Territorial Force or to any officer of the Reserve employed with the Regular Force on a temporary basis.

(d) Before the allowance is paid there shall be furnished by the Commanding Officer a certificate that the claimant is in possession of a complete and serviceable uniform.

(e) In the payment of an outfit grant, a deduction shall be made of any previous outfit grants paid.

ISSUES OF CLOTHING: OTHER RANKS.

10. Free issues of clothing to warrant officers, non-commissioned officers, and men of the Regular Force shall be made in accordance with the scale provided in "Instructions Relating to Accounting for Stores, 1928," para. 121.

11. A warrant officer, non-commissioned officer, or man who is discharged before he has completed his probationary period shall forthwith return the whole of the kit issued to him, and shall pay for any deficiency at part-worn values.

12. (a) The clothing issued shall not be renewed by free issue except in the case of jackets, denim; trousers, denim; and shoes, canvas, brown.

The soldier shall be responsible at all times that his uniform is complete and serviceable.

(b) There shall be payable in advance on the 1st April in each year a uniform upkeep allowance of £7 10s. to every warrant officer and every non-commissioned officer of and above the rank of Staff-Sergeant, and of £5 to every other non-commissioned officer and man.

(c) The allowance shall not become payable until the expiry of twelve months from the date of the soldier's enlistment, and, in the case of a non-commissioned officer promoted from Sergeant, the higher rate shall not become payable until the expiry of twelve months from the date of his promotion.

(d) Before the allowance is paid there shall be furnished by his Commanding Officer a certificate that the Warrant Officer, N.C.O., or soldier is in possession of a complete and serviceable uniform.

13. (a) Warrant Officers, N.C.O.s, and men (other than M.T. personnel) engaged on a temporary basis, and civilian employees in the Ordnance Department, shall, on being engaged, be supplied with two suits of denims, to be worn on duty, which shall be replaced, where necessary, at stated times. (When not on duty temporary personnel as aforesaid wear civilian clothes.)

(b) Temporary personnel of the A.S.C., M.T. Section, shall be supplied with clothing under the same conditions as artificers of the Regular Force.

(c) The provisions of subpara. (a) of this paragraph shall not apply to personnel who, although regularly employed, are not "permanent" in the sense that they are not contributors to the Public Service Superannuation Fund.

Such personnel shall receive the issues of clothing referred to in para. 10 and shall be entitled to the allowance and renewals provided in para. 12.

TRAVELLING ALLOWANCES AND EXPENSES: GENERAL.

14. Every care shall be taken that expenditure under the head of travelling-expenses is always as small as possible in the circumstances; and the O.C. District shall be held responsible that the least possible expense is incurred during the course of duty by those under his command.

15. No member shall proceed on any duty involving expenditure on travelling without first informing the head of his Department or his Commanding Officer, who, before granting permission to proceed, shall satisfy himself that travelling is necessary.

16. If, through the exigencies of the service, it is not practicable to obtain permission as aforesaid, the circumstances shall at once be reported in writing, or if the member returns within twenty-four hours shall be reported orally immediately on his return.

In every case where it is available, military or Government transport shall be utilized.

17. Any case which does not come within the provisions of these regulations shall be referred to Army Headquarters for a special ruling.

TRAVELLING-ALLOWANCE.

18. There shall be paid at the rate hereinafter provided a travelling-allowance, which shall include meals and portage.

Such allowance shall be paid only on defined absence from residence or headquarters, and not while the member is under canvas or with troops who are rationed.

When a member enters camp or other establishment where meals and quarters are available for the individual member, the time of entry shall be considered as the termination of the journey, and the departure therefrom as the commencement of a fresh journey.

19. (a) "Porterage," which includes the cost of the employment of a porter to handle luggage at a wharf, hotel, or railway-station, shall not be a charge against public funds.

(b) The conveyance of personal luggage from or to a railway-station or wharf or other terminus, to or from the home of a member travelling on duty, or to or from the hotel or boardinghouse at which he is staying, shall not be regarded as porterage and, provided that car-hire is not charged for the same journey, may be allowed.

20. For a journey where a member is not obliged to be absent from his headquarters for a full day of twenty-four hours, actual and reasonable expenses shall be paid up to an amount not exceeding the full daily rate. (In New Zealand the maximum amount allowed for any one meal is 2s. 6d.)

21. When a member of the Regular Force is required to be in attendance at a camp-site prior to the day of arrival of advanced parties, and during the period preceding the arrival of advanced parties is necessarily required to make his own arrangements for meals, the travelling-time shall be calculated from the time he left his station to the time of the first meal in camp, but where he is not required to make his own arrangements for meals the travelling-time shall be calculated only to the time of his own arrival in camp.

22. (a) Provided the total period of absence exceeds twenty-four hours, the rate for portion of a day shall, for each hour's absence, be one twenty-fourth part of the full daily rate.

(b) In computing the time of absence any part of an hour less than half an hour shall not be taken into account, but half an hour or more shall be reckoned as one hour.

23. In the cases of members of the Regular Force travelling on duty, not more than 75 per cent. of the maximum travelling-allowance for the estimated period of absence may be advanced.

Applications for such advance shall be made on the form provided for the purpose.

24. Whenever the Army Secretary is satisfied that a travelling-allowance smaller than the scale rate should suffice he may act accordingly.

25. The following table shows the class of accommodation by rail and by steamer available for members of the Regular Force when travelling in New Zealand:—

Rank.	Class of Accommodation.	
	By R. R.	By Steamer.
Officers, Warrant Officers, N.C.O.s above rank of Sergeant	First ..	First.
All other ranks	Second..	Second.

A superior class of accommodation may, upon medical recommendation, be assigned to invalids.

26. (a) The following officers when travelling on the public service shall be entitled to deck-berths in steamers and sleeping-berths on trains at the public expense:—

- General Officer Commanding.

(b) In special circumstances the Minister may extend the privilege provided in subpara. (a) to any other officer.

(c) Where special deck or de luxe sleeping-berth is used, the additional cost above that of an ordinary deck or sleeping-berth shall be borne by the officer.

27. Except as provided in the last preceding paragraph, where an officer, warrant officer, or non-commissioned officer above the rank of sergeant who is travelling by train uses a sleeping-berth, the cost shall, on production of a receipt for payment thereof, be refunded to him.

In such case the claimant shall, except where the claim is for out-of-pocket expenses only during a period of less than twenty-four hours, reduce his claim for travelling-allowance by one-fourth of one full day's travelling-allowance at scale rate.

If a "special" sleeping-berth is used, the cost above that of an "ordinary" sleeping-berth must be borne by the claimant, except when travelling on the "Limited" express.

28. (a) Except in the case of an officer mentioned in para. 26 (a) and (b), where a member of the Regular Force travelling by sea is provided with sleeping-accommodation, and the journey by sea does not occupy more than twenty-four hours, he shall reduce his claim for travelling-allowance by one-fourth of one full day's travelling-allowance at scale rate.

(b) Where actual travelling-expenses only are drawn by the member, the claim shall not be reduced.

(c) If special accommodation is used, the additional cost above that of ordinary accommodation shall be borne by the officer or other rank concerned.

FORAGE ALLOWANCE WHEN TRAVELLING.

29. Provided the distance travelled is not less than ten miles from his headquarters, every member of the Regular Force travelling on duty for which (with his horse) he has been detailed, shall be paid forage allowance at the rate of 1s. 6d. per feed, with a maximum of 4s. 6d. per diem.

BICYCLE ALLOWANCE.

30. (a) Members of the Regular Force may, where it is more economical to do so, use bicycles in lieu of horses.

The cost of the bicycle shall, on the approval of the Army Secretary, become a charge against the Department.

An allowance not exceeding £2 per annum shall be allowed for the upkeep of the bicycle; and the certificate on the voucher must indicate that the amount claimed has been expended on upkeep, and that the bicycle is in good order and repair.

(b) The annual upkeep-allowance shall be claimed in arrear at the end of each twelve-months period of use, and shall be paid only to the member who actually owns and is in possession of the bicycle.

TRAVELLING-ALLOWANCE ON TEMPORARY TRANSFER.

31. (a) A member of the Regular Force temporarily transferred for duty from his own headquarters to a station where neither rations nor quarters are provided may be granted travelling-allowance for such period, not exceeding twenty-eight days in the case of a married member and seven days in the case of a single member, as the Minister shall prescribe.

Where the term of duty extends beyond the period of twenty-eight days or seven days, as the case may be, a commuted allowance for such additional period may be granted by the Minister.

(b) A member of the Regular Force on relieving duty at a station away from his own headquarters may be granted a relieving-allowance at a rate fixed according to circumstances by the Minister, but not exceeding the rate of travelling-allowance for rank laid down in para. 18.

Ordinary travelling allowance or expenses may, however, be claimed for the time occupied in travelling to and from headquarters.

ALLOWANCES ON PERMANENT TRANSFER.

32. Where a member of the Regular Force is permanently transferred from one station to another, payment of personal expenses, for which receipts duly completed by the payees are produced, may be allowed by the Army Secretary up to an amount not exceeding the travelling-allowance for rank for the period set out hereunder:—

Married personnel—			
At commencement of journey	2 days.
On arrival at destination	7 days.
If moving into Government quarters allotted at destination	2 days.
Single personnel—			
On arrival at destination	2 days.
If proceeding to Government quarters	Nil.

In addition to the above, the ordinary travelling allowance or expenses for the time occupied on the journey may be paid.

33. (a) Where a married member of the Regular Force is unable to obtain a house within seven days after arrival at the new station the Army Secretary may approve payment, for a further period, of an allowance equal to the difference between 60 per cent. of salary and the amount actually paid out for temporary accommodation. Receipts for such expenditure must be produced.

(b) The O.C. District shall, before submitting his recommendations to Army Headquarters, satisfy himself that the most reasonable arrangements have been made for such temporary accommodation, and that genuine endeavours are being made to obtain a house.

HOLDER OF HONORARY COMMISSION.

34. A member of the Regular Force holding an honorary commission shall be entitled to receive such outfit grant, uniform-keep, and travelling allowances, as are prescribed in these regulations for officers of the Regular Force.

TRANSPORT FOR NEW APPOINTEES, ETC.

35. On first appointment every member of the Regular Force shall be provided with a travelling-warrant from his house to his new station for the use of himself, his wife, and his family; and, subject to the approval of the Minister, the member's household effects shall be moved at the public expense.

36. A member of the Regular Force whose services are dispensed with during or immediately upon the conclusion of his probationary period shall be provided with a travelling-warrant, for the use of himself, his wife, and his family, to enable them to return to the place wherein they resided at the time of the member's enlistment; and, subject to the approval of the Minister, the member's household effects shall be moved at the public expense.

Where a member marries during his probationary period he shall, in the circumstances aforesaid, be entitled to a travelling-warrant for himself only.

37. A member of the Regular Force transferred from one station to another solely at his own request, or by exchange (except as provided in para. 39), shall bear the whole cost of his removal.

38. Where he is transferred on account of misconduct the member shall, unless the Minister decides otherwise prior to the date of removal, bear the cost thereof.

39. Where a member of the Regular Force is transferred (a) in the public interest, or (b) to meet the convenience of the Department or in the ordinary course of promotion, the reasonable cost of conveyance of the member, his wife, and family, and of his furniture and effects, shall be paid by the Department.

REMOVAL OF FURNITURE.

40. Wherever possible removal shall be carried out entirely by the Army Department, and the procedure shall be as follows:—

- (a) All cases and other packing required will be provided by the N.Z.P.A.S.C. or N.Z.A.O.C.
- (b) Such packing-cases and packing will remain the property of the Department and, where such course is economical will be taken into store on completion of the removal.
- (c) All packing will be done by the N.Z.P.A.S.C. or N.Z.A.O.C. as directed by the O.C. District.
- (d) The N.Z.P.A.S.C. will make all transport arrangements, using N.Z.P.A.S.C. transport where available.
- (e) Packages will be numbered consecutively and marked with the initial letter of the surname of the owner in a diamond-shaped figure over the first letter of the name of destination.
- (f) The following particulars will be supplied by the owner to the N.Z.P.A.S.C. officer carrying out the removal: (i) Total value, (ii) markings, (iii) number of packages, (iv) items of special value, and their value.
- (g) The N.Z.P.A.S.C. officer carrying out the removal will take out a policy of insurance on the goods removed to their full insurable value.

41. Where it is not possible for any portion of the work of the removal to be carried out by the Department the services of the N.Z. Railways Department shall be utilized, but where such services are not available tenders shall be obtained from at least two carrying firms (forms N.Z. 238 being issued to a reasonable number of such firms) and submitted through the usual channels to Army Headquarters, which may then give authority for the acceptance of the most suitable tender.

The O.C. District shall, before making his recommendations to Army Headquarters, satisfy himself that every endeavour has been made to obtain the most favourable quotations.

Packing-cases and packing shall be dealt with as provided in para. 40 (b).

42. Where it is possible for only a portion of the work of removal to be carried out by the Army Department, and the O.C. District considers that such part should be carried out, the services of the Railways Department shall be utilized for the rest of the work, but where such services are not available tenders for the remaining part of the removal shall be called as provided in para. 41.

43. (a) In estimating the cost of removal only necessary household furniture and effects shall be taken into account.

The cost of removing any of the following shall not be allowed: Motor-car and accessories; motor-cycle and side-chair; dog-kennel; plants in box or pot; wood or coal; horse; horse-drawn vehicle; harness; live-stock; clothes-prop; garden-seat; timber or material connected with outside structures; aviary; beehive; boat.

(b) Where a member travels to his new station in his own motor-car he may be paid mileage for such journey not exceeding the cost of fares by the ordinary means of transport, for himself, his wife, and dependent children who accompany him.

44. The Minister may, in exceptional circumstances, authorize a cash payment to the member concerned, who will then make his own arrangements for the removal of his household effects.

Such authorization shall, however, be strictly limited, and shall be made according to the following scale:—

Pay per Annum.	Cash Payment.
Under £200	Up to £35.
£200 and under £400	Up to £45.
£400 and under £600	Up to £50.
£600 or over	Up to £60.

45. All claims on account of damage occurring during a removal carried out by the Army Department shall be investigated by a Court of Inquiry assembled by the order of the O.C. District.

STORAGE OF FURNITURE.

46. (a) Where a married member on permanent transfer is unable to obtain a house within seven days after arrival at the new station, and is obliged to pay for the storage of his furniture, the Army Secretary may approve payment to the member of the amount actually disbursed by him for storage for a period not exceeding one month from the date of arrival, after which period the case may be submitted for further consideration.

(b) The O.C. District shall, before submitting his recommendations to Army Headquarters, satisfy himself that genuine endeavours are being made to secure a house.

RATIONS AND QUARTERS, ETC.

47. A member of the Regular Force detailed for temporary duty at a camp or school of military instruction where officers or soldiers receive free rations shall be entitled, so long as he actually resides in quarters, to free rations and messing according to the scale laid down, but, while thus drawing free rations and messing, shall not be entitled to receive any other allowances relating to rations and/or quarters.

Provided that an officer of the Regular Force who, while attending a camp, is required to contribute to an officers' mess may, upon production of receipts therefor signed by the Mess President or Mess Secretary, be reimbursed the actual amount of such contributions, excluding entrance fees and annual subscriptions.

(For the purposes of this paragraph "camp" includes any period up to twelve days spent with the same unit.)

48. A married member of the Regular Force detailed for temporary duty at a station where free quarters and messing facilities, but not free rations, are provided shall be entitled, so long as he resides in such quarters, to an allowance of 4s. per day in the case of officers or 3s. per day in the case of other ranks. He shall not be entitled to any other allowance relating to rations and/or quarters.

49. A married member of the Regular Force detailed for temporary duty at a station where free quarters are provided, but where it is necessary to obtain meals outside such quarters, may be granted, so long as he actually resides in such quarters, an allowance not exceeding half the travelling-allowance laid down for his rank.

50. (a) A married member of the Regular Force employed at a camp or other establishment where he cannot obtain quarters for his family, and is compelled by reason of distance to remain away from his home at night, may, on the recommendation of the O.C. station, through the usual channels, be granted for each complete day of twenty-four hours that he is away from home whichever one of the allowances provided in paras. 47, 48, and 49 is applicable.

Such allowance shall be granted only for a period not exceeding twenty-eight days; and, if approved, subsequent renewals shall be made for periods not exceeding twenty-eight days each.

(b) Where a member is granted the privilege provided in subpara. (a), and his family resides within access, he may be granted also, to enable him to visit his family once a week, a free return travelling-warrant available within a radius of thirty miles of his place of duty.

51. (a) A member of the Regular Force who is accommodated and rationed in permanent barracks or quarters at his station shall pay a fixed daily charge to cover the cost of rations, pay of cooks, lighting, fuel, upkeep of utensils, and other incidental overhead expenses.

This charge will be collected at the time of each pay-issue and accounted for in the Receiver's Account by Messing Attendance Roll N.Z. 269.

(b) A married member living in permanent barracks during temporary absence on duty away from his station shall be accommodated and rationed free of charge.

A single member shall pay the charge provided in subpara. (a). 52. Except in the case of single personnel required to live in barracks under military discipline, members of the Regular Force and civilians employed by the Department shall—

(a) If occupying quarters for married men, pay rental therefor at rates from time to time laid down; or

(b) If accommodated in barracks or quarters provided for single men (other than under the conditions prescribed in paras. 47 to 51) pay rental therefor at the rate of £13 per annum.

53. Except as provided in these regulations, no allowance shall be made for rations or quarters unless specially authorized by the Army Secretary.

HORSE AND FORAGE ALLOWANCES.

54. (a) A member of the Regular Force being an Adjutant or Instructor (but not an Instructor in a large town), may, if he keeps a horse for the public service, receive an allowance as follows:—

- (i) An officer shall provide his own horse.
- (ii) A warrant or non-commissioned officer may, where necessary, be allowed a sum not exceeding £18 with which to buy a horse, which, before purchase, shall be passed by the Government Veterinary Officer. Such horse shall be the property of the Department.
- (iii) An upkeep allowance, at the rate of £30 per annum, shall be allowed to each member who is required to keep a horse.

(b) All horses which belong to the Government shall be inspected annually by the Government Veterinary Officer, and shall be branded, and a proper register shall be kept by the Quartermaster-General.

55. Where a member's horse is injured or dies elsewhere than in camp the case shall immediately be reported on and a Board held; and if the O.C. District makes a recommendation accordingly, an amount not exceeding £18 may be allowed for the purchase of another horse.

56. A mounted officer or an Instructor of the Regular Force who uses a horse while in camp may either draw a free issue of forage in kind or may be paid a forage allowance of 1s. 6d. per diem.

USE OF PRIVATE MOTOR-VEHICLE.

57. (a) A member of the Regular Force who desires to use his own motor-vehicle upon official duty shall first make application to his district headquarters for permission to do so.

District headquarters will forward the application to Army Headquarters, together with a report—

- (ii) Giving particulars of any other available means of transport.
- (iii) Showing the advantage to be gained by the use of the private motor-vehicle.
- (iv) Containing a comparative statement showing, on the one hand, the mileage and out-of-pocket expenses (if any), and, on the other hand, the cost of ordinary means of conveyance and other expenses (if any).
- (v) Giving details of insurance covering the vehicle.
- (vi) Stating whether other members on official duty are to be carried as passengers.

(b) Every application will be considered on its merits, by the Army Secretary, who, when granting the application, will fix the mileage-allowance according to the circumstances of the case, but within the scale from time to time laid down.

The mileage rates to be allowed for the use of a private motor-vehicle shall be notified from time to time.

(c) Notwithstanding the above, O.C. Districts may, in urgent and specific cases only, authorize the use of private motor-vehicles on a mileage basis for journeys up to 100 miles, but details of and a report on such cases shall be immediately forwarded to Army Headquarters.

NOTE.—The granting of an allowance under this paragraph does not mean the motor-vehicle is hired by the Department.

58. Where a member of the Regular Force who uses his motor-vehicle frequently on official duties carries other members of the Regular Force on duty and is required to register his motor-vehicle in a different class from that in which it would ordinarily be required to be registered under the Motor-vehicles Insurance (Third-party Risks) Act, 1928, the difference between the ordinary and the higher registration fee may be refunded to him.

59. No expense in connection with injuries or damage caused by, or damage occasioned to, a privately owned motor-vehicle when used on official duty will be admitted as a charge against the Department.

Members should protect themselves by insurance, but the cost of such insurance will not, except as provided in para. 58, be admissible as a charge against the Department.

(b) A warrant officer and a non-commissioned officer shall be granted a second-class passage for his wife and children under sixteen years of age, or in lieu of this grant he shall be entitled to draw a separation allowance at the rate of £60 per annum.

(c) The grant of passage-money prescribed in subparas. (a) or (b) hereof shall not be made to any member who is absent from New Zealand for less than twelve months.

(d) Where a member draws the separation allowance prescribed in subparas. (a) or (b) hereof he shall be paid allowances under para. 60 at single rates only.

66. [Reserved.]

IMPERIAL OFFICERS AND N.C.O.s ON LOAN.

ATTACHMENT AND INTERCHANGE OF OFFICERS.

67. An officer, a warrant officer, or a non-commissioned officer of the British Army lent to the New Zealand Government shall receive pay and allowances in accordance with whatever agreement or arrangement relating to the loan is made between the British Government and the New Zealand Government.

He may, in addition, be granted by the Minister a special allowance to cover the extra cost of living during the period of service in New Zealand.

NOTES.

Loans of Officers, &c.

The principle in force where officers or other ranks of the British Regular Army are loaned to the New Zealand Government is that the latter defrays the whole cost involved.

Attachments.

The term "attachment" applies where a member of the Regular Force (New Zealand) is sent to be attached to the Imperial Army for instruction, but not to fill a vacancy on the authorized establishment of that Army; it does not apply in the case of officers of the Imperial Army sent to be attached to the New Zealand Forces.

As these members are sent in order that they may learn their work for the benefit of their own Government, and not with the object of performing duty for the Government receiving them, the cost of their pay and allowances, passages, or other expenses in connection with their attachment is borne by the New Zealand Government.

In addition, where attached officers attend courses of instruction a charge is made in certain cases by the Imperial Government.

Where officers are attached to the War Office the Imperial Government will, in return for the benefit to the Empire derived from the mutual understanding obtained by such attachments, bear the cost of any necessary travelling-expenses and travelling-allowances at Army rates for these officers while they are in the United Kingdom, when such expenses and allowances are authorized for staff tours, classes, courses, manoeuvres, &c., which the officers may be detailed to attend by the C.I.G.S.

Interchanges.

It has been agreed that officers who are exchanged will be paid by and at the rates provided for in the code of their own Government.

Travelling-allowances.—Travelling allowances and expenses will be paid to an officer by the Government of the country in which he is serving, at that Government's rates, and under that Government's regulations, from the time the officer disembarks at the port of arrival to the time he embarks at the port of departure for New Zealand.

Medical and Dental Treatment.—Officers will be eligible to receive medical treatment or hospital or dental treatment under the regulations in force for them in their own country. Any charges made in respect of medical or dental treatment provided for an officer will be claimed by the Government of the country in which the officer is serving, either—

- (a) From the officer himself, who will settle with his own Government; or preferably
- (b) From his Government, which will make any settlement thought necessary with the officer.

Quarters.—If the Government of the country in which the officer is serving provides him with quarters, he will be required to pay for these at the rates laid down by that Government, such payment being made direct by the officer himself. Any compensation in emoluments is a matter of adjustment between the officer and his own Government.

Field Allowance.—Field allowance will be paid to an officer by his own Government provided he is entitled to it under the code of that Government.

Horse Hire.—If an exchange officer is required by the Government under which he is serving to be mounted, that Government will provide him with a horse, forage, and groom, or allowance in lieu.

Additional Pay Allowances as Adjutant, &c.—If the Government under which an officer is serving wishes to employ him on special duties—e.g., a regimental officer as Adjutant—the officer will be paid by his own Government the rates to which he is entitled under his own code, the difference between such rates and those to which he would be entitled were he not employed on such special duties being recovered by his Government from the Government using his services.

PART IV.—REGULAR FORCE : SICK-LEAVE AND MEDICAL ATTENTION.

SICK-LEAVE.

68. Absence from duty on account of injury or illness, whether or not the absentee is in hospital, shall, for the purpose of these regulations, be regarded as sick-leave.

69. Whenever a member of the Regular Force is absent from duty on account of injury or illness for any continuous period greater than three days he shall cause to be forwarded to his O.C. a medical certificate stating the nature of his disability and the probable period of his absence from duty.

Notwithstanding that such period of three days has not elapsed, the O.C. may, in his discretion, require the member forthwith to forward such certificate.

70. (a) An O.C. District or O.C. N.Z. Army Ordnance Corps may grant sick-leave up to two weeks, but cases where an extension or a longer period is required shall be submitted to the A.G. for approval.

(b) Sick-leave up to two months may be granted by the A.G., but any request for extension of sick-leave or sick-leave for a period exceeding two months shall be referred to the Minister for approval.

71. A member of the Regular Force who has been absent on sick-leave for a continuous period of more than three months shall not be permitted to return to duty until a Medical Board has passed him as fit to resume duty.

72. Where a member of the Regular Force is considered to be physically unfit for service, either because he is frequently on the sick-list or for any other reason, a report on his health by a Medical Board shall be obtained and any necessary further action taken by Army Headquarters.

73. (a) Pay during sick-leave shall be granted in accordance with the following scale :—

Length of Service.	On Full Pay.	On Half Pay.
Under three months	1 week	..
Over three months and under six months	2 weeks	..
Over six months and under nine months	1 month	..
Over nine months and under five years	1 month	1 month.
Over five years and under ten years ..	2 months	2 months.
Over ten years and under twenty years	4 months	4 months.
Over twenty years and under thirty years	5 months	8 months.
Over thirty years	6 months	12 months.

(b) Monthly sick-leave periods, in days :—

1 month	31 days.
2 months	61 days.
3 months	92 days.
4 months	122 days.
5 months	153 days.
6 months	183 days.

(c) No exception shall be made in the scale provided in subpara. (a) except in the following cases, which shall be dealt with on their merits as approved by the Minister :—

- (i) Where a member incurs a wound or injury or suffers an illness, and such disability is attributable to the performance of his military duty and is not due to his own fault, negligence, or misconduct.
- (ii) Where a member suffers a disability arising out of war service.

(d) Where a member is undergoing treatment in a military hospital on account of illness or disability caused by venereal disease or misconduct there shall be deducted from his pay for hospital charges the sum of 2s. a day :

Provided that the medical officer may at his absolute discretion, taking into consideration the circumstances of the case, direct that the deduction shall be 1s. a day.

Where the member, having on enlistment been pronounced by the Medical Board as free from venereal disease, suffers during the period of his service a recrudescence of venereal disease contracted before enlistment, and the medical officer certifies that the recrudescence has been brought about by conditions of service, and the member's commanding officer concurs, no deduction shall be made from the member's pay.

74. Sick-leave on pay as provided by para. 73 may be granted in more than one period, but the aggregate amount of leave on pay provided in the scale is intended to cover the member's whole period of service.

MEDICAL ATTENTION.

75. (a) Where a member of the Regular Force, including a member temporarily employed, incurs a wound or injury or suffers an illness, and such disability is attributable to the performance of his military duty and is not due to his own fault, negligence, or misconduct, he shall be entitled to receive medical attendance and hospital treatment at the expense of the State.

(b) When it is doubtful whether or not the State should accept liability, the matter shall be referred to the Minister for his decision.

76. Where a member of the Regular Force incurs a wound or injury or suffers an illness and such disability is not attributable to the performance of his military duty, he may be allowed to receive attendance or hospital treatment at a station where there is a military medical organization or hospital.

In such case he shall (except where he has been placed on half-pay under the provisions of para. 73) be subjected to a stoppage of pay at the rate of 4s. for every day on which he receives attendance or treatment.

77. Medical attendance will include the supply of medicines &c., ordered by the officer in charge of the case from a hospital or dispensary.

78. Approved applicants for enlistment in the Regular Force shall be examined by a Medical Board at the expense of the Department.

An "approved applicant" in the case of a candidate for a cadetship is one who has been approved by the A.G. (see also N.Z. Regulations, Appendix II).

PART V.—TERRITORIAL FORCE : PAY AND ALLOWANCES.

PAY AND ALLOWANCES : GENERAL.

79. Pay and allowances at the rates from time to time prescribed in these regulations may, with the approval of the Minister, be granted to members of the Territorial Force, including members of military bands, and to officers on the Reserve, for attendance at—

- Ordinary training parades ;
 - Annual training in camps or bivouacs ; or

- (i) Payments may be made only when the time occupied in travelling would normally necessitate loss of time from civil employment.
- (ii) Saturdays, Sundays, and public holidays are regarded for this purpose as normal working-days.

81. The maximum number of days for which pay may be issued in each training-year shall be as approved by the Minister and laid down in the annual instructions for training published in N.Z. Army Orders.

82. A seconded officer who is ordered to attend an annual camp of the Territorial Force under N.Z. Regulations shall receive the pay and allowances of his rank, or, if the rank of the officer whose place he fills is lower than his own, the pay and allowance of such lower rank.

84. A warrant officer, non-commissioned officer, or man of the Territorial Force appointed to perform the duties of a higher rank or appointment during a vacancy at the annual camp shall, provided the proportionate establishment of such higher ranks in the unit is not exceeded, be granted the minimum rate of pay attached to such rank or appointment. Such appointment must be published in Part II of Unit Routine Orders.

85. When detailed to attend a training camp a Chaplain shall be entitled to receive the pay and allowances payable to an officer of equivalent rank in the Territorial Force.

86. (a) Except as provided in subpara. (b) hereof, where a public servant has been authorized to receive special leave on pay to attend an annual training camp or a continuous course of instruction, for which the issue of military pay is authorized, the military pay earned by him will not be paid to him, but will be credited to his Department.

This includes pay for any Saturday, Sunday, or public holiday which forms part of and is continuous with the period of the camp or course.

(b) Where over the same period the Territorial military pay earned exceeds the departmental pay, the public servant may accept military pay and shall refund to his Department his civilian pay if already drawn by him.

(c) Any public servant who, during his annual leave or while he is on leave without pay, attends an annual training camp or a continuous course of instruction for which the issue of pay is authorized shall be entitled to receive personally the military pay earned by him, including pay for any Saturday, Sunday, or public holiday which is continuous with and forms part of the period of the camp or course, upon the following conditions:—

(i) *Annual Leave:* Where the claimant is employed in a Department under the control of the Public Service Commissioner he must obtain through his Department the Commissioner's approval to his receiving military pay in addition to departmental pay; and he must produce in camp a certificate from his Department stating that such approval has been given and that he is on annual leave. An officer of the Post and Telegraph Department, New Zealand Railways, or an Education Board must produce similar authority from his Department.

(ii) *Leave without Pay:* The claimant must produce a certificate from the head of his Department stating that he is on leave without pay during the period for which military pay is claimed.

NOTE.—When a public servant is a five-days-a-week (Monday to Friday) worker, and while on leave without pay attends an annual training camp or a continuous course of instruction, and the camp or course begins or ends on a Saturday, the Public Service Commissioner has approved of the granting of civilian pay to the trainee for such Saturday and the Sunday following in addition to military pay (if any). Where the camp or course begins or ends on a Sunday, the trainee may likewise receive civilian pay for each Sunday, provided that in either case the trainee resumes his civilian duties on the Monday or first working day immediately following.

a member of the Territorial Force, instead of being issued with a travelling-warrant, may be permitted to use his own motor-vehicle for travelling to and returning from a camp or course of instruction, and he may receive either payment at mileage rates or an issue of petrol for the journey, but the cost to the Department must not exceed the cost of ordinary means of transport.

112. (a) A member of the Territorial Force who lives more than half a mile from the place of parade shall be allowed the amount expended in tram, bus, or train fares (at concession rates where applicable) for attendance at parades which are recorded in the company or platoon roll-book.

The distance for which amounts are payable and the maximum number of parades on account of which payment may be claimed will be laid down from time to time.

(b) Where a member provides his own means of conveyance the allowance payable shall be whichever is the lesser of—

(c) The amounts payable under the provision of this paragraph will be recorded in the company roll-book and added to the pay for out-of-camp training.

113. Where mileage is paid under the provisions of paras. 111 or 112, the motor-vehicle or means of conveyance is not hired by the Department; and the Department is not liable for any expenses in connection with injuries or damages caused by or damage caused to such vehicle.

In his claim for such allowance he must state the name of the officer for whom he acted.

PART VI.—TERRITORIAL FORCE : SPECIAL GRANTS.

REGIMENTAL FUNDS GRANT.

123. Grants may be made to the regimental funds of units and to a central fund for each training year as follows :—

- (a) *To Unit Regimental Funds Accounts.*—Three shillings (3s.) for each member of the unit who is certified as having carried out the prescribed training during the year and as being efficient. Payment may be made in one of two ways—

(i) By a progress payment of 2s. per head of the active strength of the unit at any time during the training-year for which the grant is payable, and the balance at the end of the training-year; or

(ii) By payment in one sum of the full amount of 3s. per head for efficient members at the end of the training-year.

- (b) *To a Central Fund* to be controlled and administered by the Army Board: 1s. per head for each efficient member of all units at the end of the training-year.

124. (a) Claims for the grants referred to in para. 123 will be prepared by Unit Adjutants, those for progress payments being supported by a certificate showing the active strength of the unit at the time the claim is made, and those for final payments and for the payments to the Central Fund being supported by certified roll, showing the names of members on the strength at the end of the year who have carried out the annual training prescribed in Army Orders and who are certified as being efficient.

(b) Members of units who have carried out the prescribed training during the year and who have been posted to the reserve prior to the end of the training-year may be included in the roll for the purposes of this grant.

The sums paid into the Central Fund under the provisions of para. 123 (b) may be expended by the Army Board in paying expenses incidental to the promotion of Army football, boxing, rifle shooting, or other sports, competitions with services, improvement of playing-fields, or for such other purposes as are deemed by the Army Board to be in the interests of the Territorial Force.

125. (a) The regimental funds granted to each unit shall be administered by the officer commanding, advised by a regimental committee of officers and men, of which the Adjutant shall be *ex officio* member, and may be expended in providing sports and recreational facilities, promotion of rifle shooting, engraving of medals and trophies, purchase of regimental colours and guidons, unit printing and stationery, advertising, or for any other purpose deemed by the committee to be for the general benefit and welfare of the unit or in the interests of recruiting.

(b) If the committee is in doubt as to whether certain expenditure may be admitted as a charge against the regimental funds account, the matter shall be decided upon reference to him by the O.C. District.

(c) Minutes of the proceedings of every regimental committee, confirmed by the chairman at a subsequent meeting and also signed by the Adjutant or Staff Officer, shall be kept and produced when required for all audit purposes.

126. (a) All grants shall be paid into a separate official bank account for each unit upon claim submitted by Unit Adjutants and certified as required by para. 124.

(b) All payments from these accounts shall be made by cheque, signed by a regular officer who has been approved by the O.C. District, and countersigned by the Commanding Officer of the unit.

(c) "Regular officer" includes any officer for the time being holding the appointment of Adjutant of the unit.

127. (a) No moneys other than the regimental funds and bank grants shall be paid into bank accounts opened for these moneys, and no payments other than those approved by regimental committees shall be made from such accounts.

(b) Advances or loans from regimental funds are strictly forbidden.

128. Each official regimental funds account shall be kept in book No. 9 provided for the purpose, and all receipts must be entered therein and all payments supported by detailed vouchers.

129. (a) The Regimental Funds Grant Account shall be prepared annually on form N.Z. 258, and shall be forwarded, with requisite books and documents, to the District Accountant, who will examine it and certify that it is correct and that all payments have been made in accordance with the provisions of these regulations. (See Instructions 266 to 270.)

(b) Any payments which the District Accountant considers irregular shall, if not approved by the O.C. District, be referred to the unit for adjustment. If such payments are not immediately adjusted, the matter shall be reported by District Headquarters to Army Headquarters for instructions.

(c) When finally certified, the accounts, books, and documents shall be submitted by the District Accountant to the Audit Office.

GRANTS: REGIMENTAL BANDS.

130. (a) In addition to the regimental funds grants, a further annual grant of £50, for upkeep and maintenance, may be made for each approved regimental band.

(b) Such grant shall be paid at the commencement of the training-year upon a certificate being given that the band has carried out its training during the preceding year.

(c) The O.C. District may, at his discretion, authorize the payment by the Commanding Officer of the unit of the whole or part of this grant as an honorarium to the bandmaster of such band.

SHOOTING PRIZES.

131. (a) A cash prize of ten pounds (£10) is granted to the winning team in each case in the Islington Challenge Cup Competition and "The Press (Christchurch)" Challenge Shield Competition, both of which are open to Cadet units only.

(b) The money is paid to the Officer Commanding the unit to which the team belongs, to be used for the benefit of the unit, and the claim for payment must be submitted immediately the results of the competition are announced.

(c) The conditions under which the competitions are conducted are laid down in Small-arms Training, Vol. IV (N.Z.), 1935.

PART VII.—RATIONS AND FORAGE.

132. Where the issue of rations and forage by the Army Service Corps is authorized, issues may be made for every officer, warrant officer, non-commissioned officer, and man, and for each civilian attached to the troops, and for each authorized horse.

Rations will be issued according to (a) a cost scale, or (b) a fixed scale.

(a) For standing camps, garrisons, depots, &c., and at other institutions as directed by the Q.M.G. or O.C. District, a cost scale will be instituted subject to a maximum cost as laid down from time to time in N.Z.A.O.

All issues will be in kind from A.S.C. Services, on indent (form N.Z. 139) and restricted as far as possible to the items printed thereon, which allows for a wide range and variety of menus, and for which contracts are arranged. If a Unit Commander wishes an issue of any article not printed on form N.Z. 139, application will be made to District Headquarters for authority through the usual channels. The strictest collaboration of all concerned is essential to ensure the greatest economy and elimination of waste, commensurate with the provision of an ample and well-balanced diet (see N.Z.A.O. 167/1940).

In the case of W.O.s, staff-sergeants, and sergeants attending camps and all W.O.s and N.C.O.s attending courses, this ration may be supplemented in kind to the value of 9d. per ration per day, and in the case of officers attending camps and courses to the value of 1s. 6d. per ration per day.

(b) A fixed scale will be adopted for manoeuvres, active service in the field, or at times and places as the Q.M.G. or O.C. District may direct.

To meet a shortage of any item or a local exigency this scale may be adjusted as directed by the O.C. District.

DAMAGE TO MOTOR-CYCLE BELONGING TO MEMBER OF A MOTOR-CYCLE PLATOON.

135. Where the Department agrees to pay compensation for damage done to a motor-cycle it does not enter into or become in any way party to a contract to repair the motor-cycle.

The owner should therefore make arrangements for the work to be done and he may then submit to the Department either (a) the receipted bill of costs of repairs, together with a request for a refund to himself, or (b) the unpaid account together with a written order directing the Department to make payment to the repairer.

District.

(e) All correspondence on the subject bearing the remarks and recommendations of the O.C. District concerned.

142. In order to facilitate the settlement of claims the O.C. District shall arrange that where the services of a civilian veterinary surgeon are required the practitioner is informed that in the event of any dispute arising as to the fees charged by him the matter will be referred to Army Headquarters, and the decision of Army Headquarters must be accepted as final.
