Every worker shall, if required, produce satisfactory medical certificates covering the period of any absence due to sickness, and if when so required he does not do so he shall not be paid for the lost time and it also shall not count for the purpose of minimum weekly wage payments. For the purposes of this subclause sickness shall not be deemed to include sickness due to misconduct or arising out of any complaint of a permanent or long-standing nature unless aggravated by the conditions of employment.

9. (1) "Suburban work" shall mean work (other than country work) performed elsewhere than at the shop of the employer and irrespective of where the engagement takes place.

Workers employed on suburban work distant more than one and a half miles from the central points hereinafter specified shall either proceed to and from such work or they shall be conveyed to and from such work at the expense of the employer as the employer shall determine. Time reasonably occupied by the workers in travelling, or time occupied in conveying the workers to and from such work beyond the one and a half miles or beyond the worker's home, whichever is the less, shall be allowed and paid for by the employer. No worker residing less than one and a half miles from the place where the work is to be performed shall be entitled to the allowance mentioned in this clause. For the purpose of this clause all distances shall be measured by the nearest convenient mode of access for foot-passengers.

The central points hereinbefore referred to are—

(i) In the case of the Auckland Metropolitan Area, as defined later in this clause, the corner of Symonds Street and Khyber Pass :

(ii) In the case of the City of Wellington, the Te Aro Post-office :

(iii) In the case of the City of Christchurch and the Borough of Riccarton, Cathedral Square :

(iv) In the case of the City of Dunedin and the Borough of St. Kilda, the corner of Princes Street and High Street, Dunedin :

(v) In the case of the Borough of Greymouth, the Greymouth Main School, Tainui Street :

(vi) In the case of the Borough of Hokitika, the Main School :

(vii) In the case of the City of Wanganui, the corner of Ingestre Street and the Avenue :

(viii) In the case of any city or town or borough other than those included in the areas mentioned in the foregoing seven paragraphs, the chief or principal post-office in such other city or town or borough :

(ix) The central points specified in the foregoing paragraphs (i) to (viii) apply where the employer has a shop, office, store, or other recognized place of business in any of the areas mentioned therein apart from any shop, office, or store established at, on, or in connection with any separate contract carried on by him. Where any employer has no such shop, office, store, or other recognized place of business, the central point shall be (a) if the place where the work is to be performed is in any of the areas mentioned in paragraphs (i) to (vii), the point specified in the appropriate paragraph : or (b) if the place where the work is to be performed is in any other city or town or borough or elsewhere, the chief or principal post-office in the city or town or borough in or nearest to which the worker employed by him resides :

(x) For the purposes of this clause the Auckland Metropolitan Area is defined as comprising the City of Auckland, the boroughs of Birkenhead, Northcote, Takapuna, Devonport, Ellerslie, Mount Albert, Mount Eden, New Lynn, Newmarket, One Tree Hill, Onehunga, Otahuhu, Manurewa, and Papakura, the Mount Roskill, Mount Wellington, and Panmure Road Districts, the town districts of Henderson, Glen Eden, Papatoetoe, and Howick, and all those portions of the Manukau County situated within one mile of the boundaries of any of the foregoing local-authority areas :

(xi) In the case of all persons, firms, companies, or local bodies whose operations come within the scope of clause 22 (b) of the New Zealand Carpenters and Joiners' award, Book of Awards, Vol. 42, page 332, and whose trade or business premises are situated within the Auckland Metropolitan Area as defined in the preceding paragraph, the said trade or business premises shall be regarded as the shop of the employer for the purposes of the suburban-work clause in respect only of carpenters permanently employed under the provisions of clause 22 (b) of the award :

(xii) Notwithstanding the foregoing provisions of this clause the existing arrangements regarding travelling time and fares in respect of suburban work on Defence works in the Auckland Metropolitan Area shall apply to work coming under this Order in such area.

(2) If any worker is required to use the ferry for the purpose of going to or returning from any place outside his employer's shop where the work is to be done, his fare shall be paid by the employer.

(3) Carpenters in the employ of the Wellington Harbour Board who are required to perform work outside the Lambton Harbour—i.e., taking a line drawn from the end of the concrete breastwork at Kaiwarra on the north and the Te Aro Baths on the south as the extreme boundaries—shall be considered to be engaged on suburban work, and workers employed on work outside such limits shall be conveyed at the expense of the Wellington Harbour Board. The present practice of the Wellington Harbour Board to pay ordinary rates for time occupied outside ordinary working-hours in travelling outside the one and a half miles limit shall be continued.

(4) The National Building Committee, established under the provisions of clause 12 of this Order, shall consider and recommend to the Minister of Works for his decision any variation or modification of any of the provisions of this clause to remove any anomalies or to meet any special circumstances that may arise.

10. Where a worker is transferred or engaged to proceed to or directed to employment in a locality necessitating his sleeping elsewhere than at his genuine place of residence the employer shall either supply the worker with suitable board and lodging or shall pay him the sum of 30s. for each week. He shall also convey the worker free of charge or pay his fare to and from the work, but once only during the continuance of such work, and shall pay for the time occupied in such travelling during the ordinary working-hours for such work at ordinary rates of pay, but once only each way.

11. Nothing shall prevent work being carried out by contract on a co-operative basis.

12. (1) There shall be established a National Building Committee, comprising three members as representatives of the workers and three members as representatives of the employers appointed by the Minister of Works, together with a Chairman appointed by the Minister of Works.

(2) There shall also be established for each district as defined by the Minister of Works a local Building Committee, comprising two members as representatives of the workers and two members as representatives of the employers appointed by the Minister of Works, together with a Chairman appointed by the Minister of Works.

(3) The functions of the National Building Committee shall be—

- (i) To promote and maintain harmonious relationship between workers and employers;
- (ii) To endeavour to settle any differences or disputes as to any matter whatsoever in connection with or arising out of this Order or the undertakings affected thereby;
- (iii) To make any suggestions to the Minister of Works for the smoother running or for the more efficient conduct of the operations on the works.
- (iv) To make any suggestions for the elimination of defective work or waste of materials.
- (v) To deal with any other matter that may be referred to the committee by the Minister of Works.

(4) The Local Building Committees may exercise all the functions of the National Building Committee in their respective districts, except that all matters required to be submitted to the Minister of Works shall be referred to the National Building Committee for its consideration and such action as it may think fit.

(5) The decision of a majority of the members (including the Chairman) of the National Building Committee or of any Local Building Committee shall be the decision of such committee.

13. In respect of all other matters the provisions of the relevant award or agreement shall apply, subject, however, to the provisions of any Order made by the Minister of Labour in pursuance of the Labour Legislation Emergency Regulations 1940 that may be applicable to such award or agreement.

14. The Defence Works Labour Legislation Suspension Order 1942\* and its amendments are revoked.

15. This Order shall come into effect on the day of the date hereof.

Dated at Wellington, this 16th day of June, 1943.
