Road traversing Native Land proclaimed as a Public Road in Block VI, Rangitaiki Upper Survey District, Auckland Land District

[L.S.] C. L. N. NEWALL, Governor-General

A PROCLAMATION

WHEREAS the road described in the Schedule hereto traverses Native land:

And whereas the Native Land Court, by an order made on the twenty-seventh day of February, one thousand nine hundred and forty-two, and issued pursuant to section four hundred and eighty-four of the Native Land Act, 1931, ordered and declared the said road to be a public road:

And whereas the said Court is of the opinion that it is in the public interest that the said road should be proclaimed as a public road, and a notification to that effect has been forwarded to the Minister of Lands in terms of section four hundred and eighty-six of the Native Land Act, 1931:

And whereas it is now expedient that the said road should be proclaimed as a public road:

Now, therefore, I, Cyril Louis Norton Newall, the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred by section four hundred and eighty-seven of the Native Land Act, 1931, do hereby proclaim as a public road the road described in the Schedule hereto.

The Electric Radiators Order 1943

PURSUANT to the Supply Control Emergency Regulations 1939* and the Electricity Emergency Regulations 1939†, the Electricity Controller doth hereby order and direct as follows:—

1. (1) This Order may be cited as the Electric Radiators Order 1943.

(2) This Order shall come into force on the 2nd day of July, 1943.

2. In this Order, unless the context otherwise requires,—

“Electric radiator” includes any new or used electric space-heating appliance or equipment:

“Hospital” includes any institution, private hospital, or separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926‡; and also includes any Red Cross, Plunket, or first-aid rooms or other premises used by any organization for the purpose of giving medical advice or treatment:

“Owner”, in relation to any electric radiator or radiator element, includes any person having the radiator or element in his possession or control or on order by him:

“Public supply of electricity” means any system of electric lines for the distribution of electricity which is connected whether directly or indirectly and whether continuously or not with any Government system of supply:

“Radiator element” means any new or used element capable of being used in any electric radiator:

“Supply authority” means the licensee in respect of a public supply of electricity.

3. No owner of any electric radiator or radiator element shall sell or otherwise dispose of the radiator or element to any person unless at the time of the sale or other disposition the owner receives from that person a written permit granted in accordance with Regulation 6 of the Supply Control Emergency Regulations 1939 and with the provisions of this Order.

4. Every owner of any electric radiator or radiator element who sells or otherwise disposes of the same shall—

(a) At the time of the sale or other disposition, endorse or cause to be endorsed on the permit received by him pursuant to this Order a statement, signed by or on behalf of the owner, to the effect that an electric radiator or, as the case may be, a radiator element, has been sold or otherwise disposed of to the person named in the permit, and specifying the nature of the appliance or equipment so sold or disposed of and the date of the transaction; and

(b) Forward the permit to the chief executive officer of the supply authority by whom the permit was granted, in accordance with such directions as that officer may from time to time give with respect to the forwarding to him of such permits.

5. (1) Every application for a permit under this Order shall be made to the chief executive officer of the supply authority in whose area of supply the electric radiator or radiator element to which the application relates is intended to be used.

(2) In considering any such application the chief executive officer shall grant the same only if he is satisfied—

(a) In the case of an application relating to an electric radiator, that the refusal of the application would, by reason of the sickness or infirmity of the applicant or of some member of his family, or of some other person on whose behalf the application is made, or by reason of other circumstances, cause substantial hardship to any such person:

(b) In the case of an application relating to a radiator element, that the element is required for the immediate replacement of an element actually used in an electric radiator and that the element has become totally unfit for further use and cannot be effectively repaired.

(3) Every permit granted under this Order shall be signed by the officer granting the same or by some person authorized by him in that behalf, and shall specify the name of the person to whom it is granted and the nature of the appliance or equipment authorized to be acquired.

6. This Order shall not apply with respect to the acquisition of any electric radiator or radiator element for the purposes of any hospital.

Dated at Wellington, this 30th day of June, 1943.

F. T. M. KISSEL, Electricity Controller.

The Ball and Roller Bearing Control Notice 1943

PURSUANT to the Factory Emergency Regulations 1939, I George Augustus Pascoe, Factory Controller, hereby direct and give notice as follows:—

1. This notice may be cited as the Ball and Roller Bearing Control Notice 1943.

2. This notice shall come into force on the day next following the date of publication thereof in the *Gazette*.

3. In this notice, unless the context otherwise requires,—

“Ball or roller bearing” includes any ball-bearing, cylindrical roller-bearing, flexible roller-bearing, taper roller-bearing, spherical roller-bearing, and any component part of any such bearing, and also includes any steel ball, steel roller, ball or roller bearing plummer block, hanger, and axlebox:

“Importer” means a person who normally imports ball or roller bearings and who is licensed as an importer by the Factory Controller for the purpose of this notice:

“Distributor” means a person who is an authorized wholesale distributor for an importer and who is licensed as a distributor by the Factory Controller for the purposes of this notice:

“Person” includes a corporation sole and also a body of persons, whether corporate or unincorporate.

4. No importer or distributor shall sell or otherwise dispose of any ball or roller bearing except with the prior consent in writing of the Factory Controller or in accordance with his directions.

5. Except with the prior consent in writing of the Factory Controller, no person other than an importer or distributor shall sell or otherwise dispose of any ball or roller bearing otherwise than to a person who requires it for use for a permitted purpose within the meaning of clause 7 hereof.

6. Except with the prior consent in writing of the Factory Controller, no person who is engaged in the business of selling ball or roller bearings (whether as an importer, a distributor, or otherwise howsoever) shall use any ball or roller bearing otherwise than for a permitted purpose within the meaning of clause 7 hereof.

7. For the purpose of clauses 5 and 6 hereof the following are permitted purposes:—

(a) Any replacement which is necessary to maintain in normal working condition any machinery, plant, or equipment used in any undertaking which is for the time being an essential undertaking within the meaning of Part III of the Industrial Man-power Emergency Regulations 1942:

(b) Any replacement which is necessary to maintain in normal working condition any machinery, plant, or equipment used in the maintenance of essential civilian services or in any undertaking directly connected with the war effort:

(c) Any replacement which is necessary to maintain in normal working condition any vehicle, within the meaning of the Motor-vehicles Act, 1924.

8. Every person who makes application to any importer or distributor for any ball or roller bearing shall make the application in writing and shall set out therein the purpose for which the bearing is required and the stock of similar or equivalent bearings held by the applicant.

9. Every person holding any stock of ball or roller bearings on the coming into force of this notice shall within fourteen days thereafter furnish in writing to the Factory Controller complete details of the stock, including particulars of the types and quantities.

10. Within seven days after the importation of any ball or roller bearings the person who imported them shall furnish in writing to the Factory Controller full particulars of the importation.

Dated at Wellington, this 29th day of June, 1943.

G. A. PASCOE, Factory Controller.

STATE FOREST SERVICE NOTICE*Milling-timber for Sale by Public Tender*

State Forest Service,
Auckland, 26th June, 1943.

NOTICE is hereby given that written tenders for the purchase of the undermentioned milling-timber will close at the office of the State Forest Service, Auckland, at 4 o'clock p.m. on Monday, the 12th July, 1943.

SCHEDULE**AUCKLAND CONSERVANCY.—AUCKLAND LAND DISTRICT**

The marked and numbered milling trees situated on that area containing approximately 225 acres (part State Forest No. 93), Blocks II and III, Ranginui Survey District, about thirty miles from Te Kawa Railway-station.

The total estimated quantity in cubic feet is 303,800, or in board feet 2,118,000, made up as follows:—

Species.	Cubic Feet.	Board Feet.
Rimu	266,600	1,859,000
Matai	12,500	87,000
Miro	5,900	40,000
Kahikatea	3,900	27,000
Totara	14,900	105,000
	303,800	2,118,000

Upset price: £4,145.

Time for removal of timber: Two years.

Terms of Payment

A marked cheque for one-sixth of the amount tendered, together with £1 ls. license fee, must accompany the tender, and the balance be paid by fifteen equal monthly instalments, the first of which shall be paid two months after the date of sale.

Terms and Conditions

1. All instalment-payments shall be secured by “on demand” promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The aforementioned qualities, quantities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. A return giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December, respectively, in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

5. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for the timber. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application for three months from the date tenders close.

10. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Auckland," and endorsed "Tender for Timber."

The conditions, which will be inserted in the license to be issued to the purchaser, and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.

R. D. CAMPBELL, Conservator of Forests.
