Honours and Awards approved by His Majesty the King

Office of the Minister of Defence,
Wellington, 4th December, 1944.

HIS Majesty the King has been graciously pleased to approve the following immediate awards, in recognition of gallantry and devotion to duty in air operations against the enemy:—

Distinguished Flying Cross

Flight Lieutenant Frederick Norman Rhys Thomas (NZ 40993), Royal New Zealand Air Force, of Nelson.

By his courage, skill, and determination in the face of danger this captain nursed his severely damaged bomber aircraft for two hours, and made a brilliant landing without further damage on an emergency strip only 1,800 ft. long. Captain of one of three aircraft detailed to bomb a Japanese supply area in the Bismarck area at dawn on 9th September, 1944, Flight Lieutenant Thomas reached his target after flying through darkness, heavy rain, and thunderstorms. He immediately attacked with courage and determination. Two bombs hung up on his first run, and he therefore strafed his way round the target area and made a further run, in the face of heavy enemy fire, to release his remaining bombs. As they dropped in the target area, his starboard engine cut out, the main fuel line having been shot away by anti-aircraft fire. Flight Lieutenant Thomas was faced with exceptional difficulty. Extremely bad weather on the direct course to base made it undesirable to attempt the return on one motor, and loss of power prevented a crossing of the highlands of New Ireland. Accordingly, he set course for an emergency strip at Talasea, New Britain. It was doubtful in the extreme if the aircraft would remain in the air, and it was only by the pilot's determination and skill in making use of up-currents below cumulus clouds that he kept sufficient altitude throughout a most hazardous flight of two hours' duration. His landing was an outstanding achievement, particularly with only one engine, and throughout he displayed the utmost coolness and courage. Flight Lieutenant Thomas has completed over two hundred and sixty hours' operational flying in the Pacific in the past year.

19th December, 1944

Flight Lieutenant Jack Plummer (NZ 42451), Royal New Zealand Air Force, of Wellington.

Flight Lieutenant Stanley Bruce de Vere (NZ 413037), Royal New Zealand Air Force, of Auckland.

His Majesty the King has been graciously pleased to approve the following award, in recognition of gallantry and devotion to duty in air operations against the enemy:—

2nd January, 1945

Distinguished Flying Cross

Flying Officer Basil John Francis Bretherton (NZ 392010), Royal New Zealand Air Force, of Cromwell.

His Majesty the King has been graciously pleased to approve the following appointments and award:—

2nd January, 1945

To be an Additional Officer of the Military Division of the Most Excellent Order of the British Empire

Acting Squadron Leader Samuel Jackson Madill, D.F.C. (NZ 404395), Royal New Zealand Air Force, of Auckland.

To be an Additional Member of the Military Division of the Most Excellent Order of the British Empire

Flight Lieutenant John Pearce Horsley (NZ 36122), Royal New Zealand Air Force, of Auckland.

British Empire Medal (for Meritorious Service)
