C. L. N. NEWALL, Governor-General

To the Air or other Officer for the time being Commanding the Royal Air Force Fighter Command.

WHEREAS by the Visiting Forces Act, 1939, it is provided when a home force and another force are acting in combination any officer of the other force duly appointed to command the combined force, or any part thereof, shall be treated and shall have over members of the home force the like powers of command and punishment, and may be invested with the like authority to convene and confirm the findings and sentences of courts-martial as if he were an officer of the home force of relative rank and holding the same command:

And whereas by an order made on the tenth day of April, one thousand nine hundred and forty-one, under the authority of the aforesaid Act, it was declared that the air forces of His Majesty raised in New Zealand which are serving outside New Zealand during or in respect of the present war shall be deemed to be serving together and acting in combination with the air forces of His Majesty raised in the United Kingdom:

Price Order No. 341 (Walnuts)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

- This Order may be cited as Price Order No. 341, and shall come into force on the 16th day of March, 1945.
- (1) Price Orders Nos. 158† and 247‡ are hereby revoked.
- (2) The revocation of the said Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
- Except with respect to cases or other containers referred to in the Schedule to the Sale of Fruit and Vegetable Containers Emergency Regulations 1945§, the maximum prices fixed by this Order include the price of the case or other container.

APPLICATION OF THIS ORDER

- (1) This Order applies with respect to all walnuts sold in New Zealand.
- The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.
- The provisions of this Order shall apply notwithstanding that any walnuts are sold otherwise than by weight.

FIXING MAXIMUM WHOLESALE AND RETAIL PRICES OF WALNUTS

Wholesalers' Prices

- The wholesale prices fixed by this Order apply with respect to—
 - Sales by way of wholesale; and
 - Sales, for purposes other than resale, in any case where a lot of not less than 3 cwt. of walnuts is sold to any one purchaser for delivery at any one time.
- (1) Subject to the following provisions of this clause and of clause 8 hereof, the maximum wholesale price of any walnuts shall be determined in accordance with the Schedule hereto.
- The wholesale prices fixed by this Order are fixed as for delivery at the wholesaler's store or other premises from which delivery to the purchaser is effected.
- In computing the weight of any walnuts for the purpose of ascertaining the maximum wholesale price as fixed by this Order the weight of the case or other container shall be excluded.

- Where delivery is effected by a wholesaler elsewhere than at premises occupied by him, he may add to the appropriate price fixed in accordance with the Schedule hereto the reasonable cost of delivery, not exceeding in any case the cost that would have been incurred by him if delivery has been effected by a common carrier at current freight rates.

Retailers' Prices

- (1) Subject to the following provisions of this clause and of clause 8 hereof, the maximum retail prices for any walnuts shall be the sum of the following amounts:—

- The price actually paid or payable by the retailer for the walnuts;
- Any transport charges actually paid or payable by the retailer;
- (i) With respect to walnuts purchased by the retailer during the period 16th November to 15th March (both days inclusive): An amount computed at the rate of 5½d. per pound;

- (iii) With respect to walnuts purchased by the retailer during the period 16th March to 15th November (both days inclusive) and sold otherwise than during that period: An amount computed at the rate of 7½d. per pound.

- The retail price of any walnuts computed in accordance with the last preceding subclause shall be calculated by reference to the prices and weights disclosed in the appropriate invoices.

- Notwithstanding anything to the contrary in the foregoing provisions of this clause but subject to the provisions of clause 8 hereof, the retail price of any walnuts to which this Order applies shall not in any case exceed the price determined in accordance with the Schedule hereto.

- If in respect of any lot of walnuts sold by a retailer the maximum price calculated in accordance with the foregoing provisions of this clause or in accordance with an authority given under clause 8 hereof is not an exact number of pence or half-pence, the maximum price of the lot shall be computed to the nearest upward halfpenny.

- For the purposes of this clause the price paid or payable by a retailer for any lot of walnuts and the transport charges paid or payable by him in respect of the same lot shall be apportioned evenly over the whole lot, and the price and charges paid or payable by the retailer for each 1 lb. of walnuts included in the lot shall be determined accordingly.
