Consenting to the Raising of a Loan of £12,000 by the Bay of Islands Electric-power Board and prescribing the Conditions thereof

C. L. N. NEWALL, Governor-General
ORDER IN COUNCIL

At the Government House at Wellington, this 16th day of
May, 1945.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

WHEREAS the Bay of Islands Electric-power Board (hereinafter called "the said local authority"), being desirous of raising a loan of forty-seven thousand pounds (£47,000), to be known as "Reticulation Extension Loan (No. 2), 1945" (hereinafter called "the said loan"), for the purpose of further reticulating the Board's inner area, has complied with the provisions of the Local Government Loans Board Act, 1926 (hereinafter called "the said Act"):

And whereas the said local authority is arranging to raise a portion thereof amounting to twelve thousand pounds (£12,000) (hereinafter called "the said sum"), and it is expedient that the precedent consent of the Governor-General in Council, as required by the said Act, should be given to the raising of the said sum:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the powers and authorities conferred on him by section eleven of the said Act, as set out in section twenty-nine of the Finance Act, 1932 (No. 2), and of all other powers and authorities enabling him in this behalf, doth hereby consent to the raising in New Zealand by the said local authority of the said sum for the said purpose up to the amount of twelve thousand pounds (£12,000), and in giving such consent doth hereby determine as follows:—

- (1) The term for which the said sum or any part thereof may be raised shall not exceed twenty (20) years.
- (2) The rate of interest that may be paid in respect of the said sum or any part thereof shall be such as shall not produce to the lender or lenders a rate exceeding three pounds ten shillings (£3 10s.) per centum per annum.
- (3) The said sum shall be repaid by half-yearly instalments of principal of not less than three hundred pounds (£300) each, extending over the term as determined in clause one above.
- (4) The payment of interest and the repayment of principal in respect of the said sum shall be made in New Zealand.
- (5) No amount payable as either interest or as principal in respect of the said sum shall be paid out of loan-moneys.
- (6) The rate payable for brokerage, underwriting, and pro-curation fees in respect of the raising of the said sum or any part thereof shall not in the aggregate exceed one-half per centum of any amount raised.
- (7) No moneys shall be borrowed under this consent after the expiration of two years from the date hereof.

C. A. JEFFERY, Clerk of the Executive Council.

Honours and Awards approved by His Majesty the King

Office of the Minister of Defence,
Wellington, 29th March, 1945.

HIS Majesty the King has been graciously pleased to approve the following immediate awards to members of the Royal New Zealand Air Force, in recognition of gallantry and devotion to duty in air operations against the enemy:—

Distinguished Flying Cross

Flying Officer Phillip John Reid (NZ 415421), of Hastings.

By his courage in the face of the enemy, skilled airmanship, and devotion to duty, this officer brought his aircraft safely to base after it had been holed in over 170 places during an attack on a heavily defended enemy position on New Ireland on 12th December, 1944. With a member of his crew severely wounded, the control cables to one rudder severed, petrol tanks holed, the tail wheel punctured, and the throttle control of one engine so damaged that the throttle could be closed but not opened, Pilot Officer Reid displayed exceptional skill and coolness. On testing the damaged throttle and finding it impossible to increase power again, he nursed his bomber home with one engine giving much more power than the other, maintaining control in spite of the extensive damage. After an hour's exceptionally difficult flying he landed at base. This officer has flown 116 operational missions in ten months' flying, completing two tours of duty in less than a year, and throughout has shown consistently fine devotion to duty.

17th April, 1945

Flight Lieutenant William George Judson (NZ 413425), of Matapu, Taranaki.

Annual List of Registered Engineers

Office of the Minister of Works, Wellington, 22nd May, 1945.

IN pursuance of section 4 of the Engineers Registration Amendment Act, 1944, a certified copy of the names, qualifications, and addresses entered on Annual Practising Certificates issued up to 30th April, 1945, is published for general information. This list expires on 31st March, 1946.

R. SEMPLE, Minister of Works.

ENGINEERS REGISTRATION BOARD OF NEW ZEALAND

ANNUAL LIST OF REGISTERED ENGINEERS

Explanation

Particulars in the list as entered under each column are as follows:—

Column 1.—This contains the name of each engineer who at the date of the list is the holder of an Annual Practising Certificate issued under section 3 of the 1944 Amendment Act. An engineer who has been registered is required to hold a current Annual Practising Certificate in order to retain the full rights of registration.

Column 2.—This gives the postal address, either business or residential, as on the application for Annual Practising Certificate.

Column 3.—This shows the date of original registration, but no reference is made in this column to subsequent alterations to details of registration.

Column 4.—This shows the section of the 1924 Act or amendments under which the Board has authorized registration. Details are as follows:—

6 (i) a means registration by virtue of holding a "recognized certificate" in the form of a Diploma of Corporate Membership of one of the British Institutions of Civil, Electrical, or Mechanical Engineers, and also of having had not less than three years' experience in the practice of engineering.

6 (i) c means registration by virtue of a pass in examinations approved by the Board (being the full associated membership examinations of one of the British Institutions of Civil, Electrical, or Mechanical Engineers, or equivalent exempting examinations), and also of having had not less than three years' experience in the practice of engineering.

6 (i) b means registration during the first period of operation of the 1924 Act of a person who had then attained the age of twenty-five years and had been engaged during a period of not less than six years before the commencement of the Act in the acquisition of professional knowledge, or in the practice of engineering in a manner satisfactory to the Board, and who made application for registration within twelve months after the commencement of the Act.

6 (i) b* means registration under the 1928 amendment which in effect re-enacted clause 6 (i) b of the 1924 Act in respect to any licensed surveyor in New Zealand who satisfied the Board that he had prior to the coming into operation of the 1924 Act substantial practical experience in engineering as part of his practice or employment whether on his own account or otherwise, and who made application for registration within six months of the passing of the amendment.

Section 7 means registration under section 7 of the 1944 amendment which applies to engineers who, within the twelve years prior to the passing of the amendment, have had six years responsible engineering practice, or substantially equivalent experience, in local authority work, provided application has been made within six months of the passing of the amendment. Provision is made for special consideration to discharged servicemen who apply within six months of their discharge.

The entry also gives the class of engineering in which the Board has accepted the engineer's training and experience as a qualification for registration. The three main classes are Civil, Electrical, and Mechanical engineering, and these include any other class which is either specialized or restrictive.

It is also to be noted that corporate membership of one of the recognized British Engineering Institutions entitles the holder to be styled as a "Chartered Engineer," but this information is omitted from the list.

The Servicemen's Settlement and Land Sales Act, 1943.—Notice declaring Land taken for the Settlement of a Discharged Serviceman

WHEREAS an application has been made for the consent of the Land Sales Court to a transaction which relates to the land described in the Schedule hereto and to which Part III of the Servicemen's Settlement and Land Sales Act, 1943, applies:

And whereas the Land Sales Committee to which the application has been referred is of opinion that the land to which the application relates is farm land suitable or adaptable for the settlement of a discharged serviceman:

And whereas the said committee, not being satisfied that the Crown had decided not to acquire or arrange for the acquisition of the land, did on the 20th day of April, 1945, make an order determining the basic value of the land and no appeal from the said order was made within the time prescribed by the said Act or within any further time allowed by the Court:

And whereas the said land is not the land of any serviceman who is for the time being serving outside New Zealand in any of His Majesty's Forces or in any British ship:

Now, therefore, the Minister of Lands, acting in pursuance of section 51 of the said Act, doth hereby declare that the said land is taken for the settlement of a discharged serviceman, and hereby specifies the 27th day of June, 1945, as the date on which the said land shall be deemed to be vested in His Majesty the King.
