Published by Authority

WELLINGTON, WEDNESDAY, AUGUST 29, 1945

*Price Order No. 409 (Milk) (Auckland Metropolitan Milk District)*

**P**URSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

**PRELIMINARY**

1. This Order may be cited as Price Order No. 409, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 318† is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order:—

“Auckland Metropolitan Milk District” means the district of that name constituted under the Milk Act, 1944, by Order in Council dated the 27th day of June, 1945‡:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

**APPLICATION OF THIS ORDER**

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold:—

(a) To the occupier of any shop dairy within the Auckland Metropolitan Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Auckland Metropolitan Milk District.

**FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES**

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where an account is rendered for cream supplied to a shop dairy during a period comprising more than one day (whether supplied in bottles or cartons or “loose”), then where the quantity of cream supplied on any one day is not less than one quart the maximum price that may be charged shall be computed by reference to the total quantity of cream supplied to the shop dairy during that day as for cream supplied “loose.”

(5) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(6) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 410 (Milk) (Balclutha)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 410, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 321† is hereby revoked.  
(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“Balclutha Milk District” means the district referred to in the Balclutha Milk Delivery Notice 1944‡:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Balclutha Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Balclutha Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

*Price Order No. 414 (Milk) (Eltham)*

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

**PRELIMINARY**

1. This Order may be cited as Price Order No. 414, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 376† is hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“Eltham Milk District” means the district comprising the Borough of Eltham and all that area within one mile of the boundaries of the said borough:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

**APPLICATION OF THIS ORDER**

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Eltham Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Eltham Milk District.

**FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES**

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

\* Statutory Regulations 1939, Serial number 1939/275, page 1057.  
† Gazette, 31st May, 1945, Vol. II, page 625.

- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.
- (4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—
  - (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
  - (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
  - (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.
- (5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 415 (Milk) (Feilding)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 415, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 323† is hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“Feilding Milk District” means the district of that name constituted under the Milk Act, 1944, by Order in Council dated the 27th day of June, 1945‡:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

\* Statutory Regulations 1939, Serial number 1939/275, page 1057.  
† Gazette, 22nd February, 1945, Vol. I, page 218.  
‡ Gazette, 28th June, 1945, Vol. II, page 841.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Feilding Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Feilding Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

- (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—
  - (a) To the occupier of any shop dairy within the Hastings Milk District; or
  - (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Hastings Milk District.

**FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES**

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.
- (3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—
  - (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
  - (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
  - (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
  - (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.
- (4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—
  - (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
  - (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
  - (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

Price Order No. 419 (Milk) (Hutt Valley and Bays Milk District)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 419, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 352† is hereby revoked.  
(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“Hutt Valley and Bays Milk District” means the district comprising all the area of the Hutt County except for that portion lying to the north of a right line going due east and west from the northernmost portion of the Upper Hutt Borough, and includes the City of Lower Hutt, and the boroughs of Petone, Eastbourne, and Upper Hutt;

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances);

“Consumer” means a person who buys milk or cream for purposes other than resale;

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Hutt Valley and Bays Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Hutt Valley and Bays Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy;
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 420, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 326† is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

“Invercargill Milk District” means the district referred to in the Invercargill Milk Delivery Scheme, 1941‡:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

(a) To the occupier of any shop dairy within the Invercargill Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Invercargill Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 423 (Milk) (Nelson)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 423, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 328† is hereby revoked.  
(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

- “Nelson Milk District” means the district referred to in the Nelson Milk Delivery Notice 1942‡;
- “Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances);
- “Consumer” means a person who buys milk or cream for purposes other than resale;
- “Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Nelson Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Nelson Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy;
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 424 (Milk) (New Plymouth)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 424, and shall come into force on the 1st day of September, 1945.
2. (1) Price Orders Nos. 329† and 343‡ are hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“New Plymouth Milk District” means the district referred to in the New Plymouth Milk Delivery Scheme, 1942§; “Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances); “Consumer” means a person who buys milk or cream for purposes other than resale; “Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.
- (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the New Plymouth Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the New Plymouth Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.
- (2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy;
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.
- (3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—
- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.
- (4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—
- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;

Price Order No. 425 (Milk) (Oamaru)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 425, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 330† is hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. In this Order—

“Oamaru Milk District” means the district comprising the Borough of Oamaru and all that area within four miles of the boundaries of the said borough; “Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances); “Consumer” means a person who buys milk or cream for purposes other than resale; “Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.
- (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Oamaru Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Oamaru Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

\* Statutory Regulations 1939, Serial number 1939/275, page 1057.  
 † Gazette, 22nd February, 1945, Vol. 1, page 223.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence of half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 426 (Milk) (Palmerston North Metropolitan Milk District).

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

- 1. This Order may be cited as Price Order No. 426, and shall come into force on the 1st day of September, 1945.
- 2. (1) Price Order No. 331† is hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

- “Palmerston North Metropolitan Milk District” means the district of that name constituted under the Milk Act, 1944, by Order in Council dated the 27th day of June, 1945‡:
- “Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):
- “Consumer” means a person who buys milk or cream for purposes other than resale:
- “Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

- 4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.
- (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Palmerston North Metropolitan Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Palmerston North Metropolitan Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

- 5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.
- (2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

- (a) To the occupier of any shop dairy within the Rotorua Milk District; or
- (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Rotorua Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy;
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

## PRELIMINARY

1. This Order may be cited as Price Order No. 428, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 351† is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

“Stratford Milk District” means the district within a radius of five miles from the post-office at Stratford:

“Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

## APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

(a) To the occupier of any shop dairy within the Stratford Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Stratford Milk District.

## FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

  - “Commercial user” means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances);
  - “Consumer” means a person who buys milk or cream for purposes other than resale;
  - “Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.
- (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—
  - (a) To the occupier of any shop dairy within the Whangarei Milk District; or
  - (b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Whangarei Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

\* Statutory Regulations 1939, Serial number 1939/275, page 1057.  
 † Gazette, 22nd February, 1945, Vol. I, page 227.

 ‡ Gazette, 22nd February, 1945, Vol. I, page 228.  
 † Gazette, 28th June, 1945, Vol. II, page 840.

(2) The prices fixed by this Order are fixed as for delivery as follows:—

- (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:
- (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

- (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:
- (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:
- (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.
- (4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

- (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:
- (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:
- (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.
- (5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 434 (Amending Price Order No. 340) (Main Crop Potatoes)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,\* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following amending Price Order:—

1. This Order may be cited as Price Order No. 434, and shall be read together with and deemed part of Price Order No. 340† (hereinafter referred to as the principal Order).

2. (1) Price Order No. 404‡ is hereby revoked.  
(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. This Order shall come into force on the 30th day of August, 1945.

APPLICATION OF THIS ORDER

4. (1) This Order applies with respect to all potatoes which, being subject to the principal Order, are sold by a grower for delivery at any time after the commencement of this Order and on or before the 30th day of November, 1945.

(2) For the purposes of this Order no potatoes sold on the basis of f.o.b.s.i. or f.o.r.s.i. shall be deemed to be delivered to the purchaser after the commencement of this Order if—

- (a) In the case of sales f.o.b.s.i. the vessel on which the potatoes are laden leaves the port of shipment at any time before midnight on the 29th day of August, 1945; or
- (b) In the case of sales f.o.r.s.i. the trucks on which the potatoes are laden leave the grower's station at any time before midnight of the said date.

(3) Except as provided in the last preceding subclause, potatoes sold f.o.b.s.i. or f.o.r.s.i. shall be deemed to be delivered to the purchaser after the commencement of this Order notwithstanding that they may have been actually laden on board any vessel or trucks before the commencement of this Order.

MODIFICATION OF PRINCIPAL ORDER WITH RESPECT TO POTATOES THAT ARE SUBJECT TO THIS ORDER

5. (1) Notwithstanding anything to the contrary in the principal Order the actual price to be charged by any grower for f.a.q. potatoes and the maximum price to be charged by any such grower for under-grade potatoes shall be determined in accordance with the following scale, namely:—

(a) For Sutton's Supreme or King Edward potatoes grown in the South Island and sold for delivery—

	Per Ton f.o.b.s.i. a Port in the South Island.	
	Actual Price (f.a.q.).	Maximum Price (Under-grade).
From 30th August to 30th September, 1945 (both days inclusive)	£ s. d. 10 10 0	£ s. d. 9 10 0
From October, 1945, to November, 1945: Pending the issue of an amending Price Order, and subject to the provisions of any such Order, the prices as at 30th September, 1945, shall also apply with respect to potatoes sold for delivery in the months of October to November.		

(b) For any other variety of potatoes grown in the South Island and sold for delivery—

	Per Ton f.o.b.s.i. a Port in the South Island.	
	Actual Price (f.a.q.).	Maximum Price (Under-grade).
From 30th August to 30th September, 1945 (both days inclusive)	£ s. d. 10 0 0	£ s. d. 9 0 0
From October, 1945, to November, 1945: Pending the issue of an amending Price Order, and subject to the provisions of any such Order, the prices as at 30th September, 1945, shall also apply with respect to potatoes sold for delivery in the months of October to November.		

(c) For potatoes (other than "tagged" potatoes) grown in the North Island and sold for delivery—

	Per Ton f.o.r.s.i. the Grower's Station.	
	Actual Price (f.a.q.).	Maximum Price (Under-grade).
From 30th August to 30th September, 1945 (both days inclusive)	£ s. d. 12 5 0	£ s. d. 11 5 0
From October, 1945, to November, 1945: Pending the issue of an amending Price Order, and subject to the provisions of any such Order, the prices as at 30th September, 1945, shall also apply with respect to potatoes sold for delivery in the months of October to November.		

(2) With respect to "tagged" potatoes the prices to be charged by the grower shall not be less than the prices fixed in accordance with paragraph (c) of the last preceding subclause for f.a.q. potatoes, but may exceed such prices by an amount not exceeding 10s. a ton in any case.
