"Distributor" means a duly recognized agent of the company who acquires sugar for resale to retail storekeepers or to bakers, sugar boilers, or other persons using sugar in manufacturing processes, and, with respect to sales of sugar made direct by the company to retail storekeepers or to bakers, sugar boilers, and other persons using sugar in manufacturing processes, includes the company:

"Direct customer" means any person other than a manufacturer or distributor who purchases sugar direct from the company:

"Retail storekeeper" means a person licensed as a retailer of sugar under the provisions of the Rationing Emergency Regulations 1942§.

(2) References in this Order to metropolitan areas shall be deemed to be references to the metropolitan areas described in the Fifth Schedule hereto.

## APPLICATION OF THIS ORDER

4. (1) This Order applies only with respect to sugar manufactured by the company and sold in New Zealand.

(2) The maximum prices fixed by this Order are fixed with respect to sugar sold in packages in accordance with the customary usage in the sugar trade, and no charge shall be made by the company or any distributor for any containers other than drums or kegs used in respect of invert sugar and sacks (as distinct from 70 lb. bags) used in respect of raw sugar or boil-out sugar.

FIXING MAXIMUM PRICES OF SUGAR TO WHICH THIS ORDER APPLIES  
Company's Prices

5. (1) Subject to the provisions of this clause, the maximum net price that may be charged or received by the company for any sugar to which this Order applies—

- (a) That is sold to a manufacturer or a distributor shall be the appropriate price fixed in the First Schedule hereto:
- (b) That is sold to a direct customer shall be the appropriate price fixed in the Third Schedule hereto.

(2) Subject to the provisions of the next succeeding subclause, the maximum prices fixed by the last preceding subclause are fixed subject to delivery terms as follows:—

- (a) Where the sugar is for delivery within the Sugar Free Delivery Area: Free of all transport charges:
- (b) Where the sugar is for delivery within the Auckland Sugar District but beyond the Sugar Free Delivery Area: F.o.r. Auckland or f.o.b. Auckland, as the case may require:
- (c) Where the sugar is for delivery in the Southern Sugar District: F.o.b. Auckland.

(3) The delivery terms set out in the last preceding subclause apply only with respect to sugar delivered in a lot of a half-ton or more, and to sugar, irrespective of the weight thereof, that is delivered together with golden syrup or treacle and the total weight of the consignment of sugar and golden syrup or treacle is a half-ton or more.

## Distributors' Prices

6. (1) Subject to the provisions of this clause, the maximum net price that may be charged by a distributor for any sugar to which this Order applies shall be the appropriate price fixed in the Second Schedule hereto.

(2) The maximum prices fixed by the last preceding subclause are fixed with respect to sugar sold in lots of a half-ton or more, and to sugar, irrespective of its weight, sold together with golden syrup or treacle where the total weight of the consignment of sugar and golden syrup or treacle is a half-ton or more.

(3) (a) Where the sugar is for delivery within the Sugar Free Delivery Area the maximum prices fixed by this clause are fixed free of all transport charges.

(b) Where the sugar is for delivery otherwise than within the Sugar Free Delivery Area the maximum prices fixed by this clause are fixed on the basis of f.o.r. or f.o.b. Auckland, as the case may require, and may be increased by the appropriate proportion of such of the following charges as have been actually incurred by the distributor in respect of the sugar concerned:—

- (i) Sea-freight charges:
- (ii) Marine and war-risk insurance charges computed as if the value of the sugar was the price charged by the distributor in accordance with this Order:
- (iii) Wharfage charges:
- (iv) Harbour Board improvement rate charges:
- (v) Rail charges:
- (vi) Cartage charges:

Provided that no such increase shall exceed the amount of the charges that would have been incurred had the sugar been transported by the most economical route normally available and that nothing in this clause shall authorize the addition of cartage charges greater than would have been incurred had cartage been effected by a common carrier at current rates.

(4) Notwithstanding the provisions of subclause (2) hereof where, with respect to any lot of sugar or any lot of sugar delivered together with golden syrup or treacle, the inclusive weight of the lot is less than a half-ton, the maximum price of the sugar in the lot shall be calculated in accordance with the foregoing provisions of this clause, and may be increased by the amount customarily imposed with respect to such sales in accordance with trade practice in operation on the 14th April, 1947.

## Duty imposed on Distributors

(5) Where with respect to any sugar sold by a distributor the price fixed in accordance with the Second Schedule is increased by any of the charges specified in subclause (3) of this clause, the total amount of such charges, calculated at a rate per ton, shall be shown separately on the invoice relating to such sale, and full details of each such charge shall be made available to the purchaser and to the Tribunal if and when required.

## Retail Storekeepers' Prices

7. (1) Subject to the provisions of this clause, the maximum price that may be charged or received by any retail storekeeper carrying on business in any of the Metropolitan Areas of Auckland, Christchurch, Dunedin, or Wellington, or in any of the cities or boroughs of Gisborne, Greymouth, Hastings, Invercargill, Napier, Nelson, New Plymouth, Oamaru, Timaru, Wanganui, or Westport for any sugar to which this Order applies shall be the appropriate price fixed in the Fourth Schedule hereto.

(2) Subject to the provisions of this clause, the maximum price that may be charged or received by any retail storekeeper carrying on business elsewhere than in one of the places specified in the last preceding subclause shall be the appropriate price fixed by that subclause increased by the proportionate part of any transport charges incurred by the retail storekeeper: Provided, however, that the amount added by way of transport charges shall not in any case exceed the amount that would have been incurred had the sugar been purchased by the retail storekeeper from the distributor whose place of business was nearest or most convenient of access to the premises of the retail storekeeper and been conveyed to the storekeeper by the most economical route normally available at a cost not exceeding the cost that would have been incurred if delivery had been effected by a common carrier at current rates.

(4) If in respect of any lot of sugar sold by a retail storekeeper the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of pence or halfpence, the maximum price of the lot shall be calculated to the nearest upward halfpenny.

PROVISION FOR SPECIAL PRICES

8. Notwithstanding anything to the contrary in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by the company or by any distributor or by any retail storekeeper, may authorize special maximum prices in respect of any sugar to which this Order applies where for any reason extraordinary charges (transport or otherwise) are incurred by the company or by the distributor or by the retail storekeeper. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of sugar, or may relate generally to all sugar to which this Order applies sold by the company or by the distributor or by the retail storekeeper while the approval remains in force.

PROVISION WHEREBY CONTRACTS MAY BE MADE FOR SALE OF SUGAR AT PRICES EXCEEDING THE MAXIMUM PRICES FIXED BY THIS ORDER

9. Except with respect to sugar sold by a retail storekeeper, nothing contained in this Order shall be deemed to forbid the making or carrying out of a contract for the sale of any sugar to which this Order applies at a price exceeding the appropriate price fixed by this Order, provided such sale is made subject to the condition that if payment is made by prompt cash in accordance with the customary usage of the trade in the place of delivery the price shall be reduced to the appropriate price fixed by this Order.

PROVISION FOR ADDITIONAL CHARGES WITH RESPECT TO CERTAIN CONTAINERS

10. (1) The several prices fixed by the foregoing provisions of this Order may be increased by an additional charge in respect of containers as follows:—

- (a) For drums (5 cwt.) used in respect of invert sugar: By £3 per drum;

(2) On the return to the company, at its Chelsea refinery, of any drums or kegs in respect of which an additional charge has been made in accordance with the last preceding subclause, a rebate of the amount of the additional charge shall be allowed by the company in respect of all such drums or kegs returned, in good order and condition, without cost to the company by way of freight or other charges. There shall be no rebate with respect to any additional charge made for sacks.

 “The said specification” means the New Zealand Emergency Standard Specification (as heretofore amended) (No. N.Z.S.S. E. 79) entitled “Grades of Meat for Sale on the Local Market and Definitions of Joints and Cuts,” declared by the Minister of Industries and Commerce under the authority of section 8 of the Standards Act, 1941, to be a standard specification.
- (2) References in this Order to the kind, description, or grade of any meat shall be deemed respectively to be references to the kind, description, or grade of such meat within the meaning and for the purposes of the said specification.

APPLICATION OF THIS ORDER

4. (1) This Order applies only with respect to retail sales of meat intended for human consumption and sold elsewhere than in an abattoir district.
- (2) All meat sold or delivered to a purchaser during the currency of this Order shall be deemed to be intended for human consumption unless it is sold for some other specific purpose.
- (3) The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.
- (4) The provisions of this Order shall apply notwithstanding that any meat to which the Order applies is sold otherwise than by weight.

FIXING MAXIMUM RETAIL PRICES OF MEAT TO WHICH THIS ORDER APPLIES

5. (1) The basic retail prices of meat of the kinds and descriptions specified in the First Schedule hereto shall be the appropriate prices prescribed in that Schedule.
- (2) Except where an increase in the retail price of any such meat is authorized in accordance with the Second Schedule hereto, or in accordance with subclause (2) of clause 6 hereof, the maximum retail price of any such meat shall be calculated at the rate of the appropriate basic price fixed in accordance with the First Schedule hereto.
- (3) Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorize special maximum retail prices in respect of any meat to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this subclause may apply with respect to a specified lot or consignment of meat or may relate generally to all meat to which this Order applies sold by the retailer while the approval remains in force.

General Provisions as to Maximum Retail Prices

6. (1) The maximum retail prices as aforesaid are fixed in respect of cash sales of meat delivered over the counter.
- (2) Where delivery of any meat is effected otherwise than over the counter or where the sale is not for cash, the maximum retail price of that meat shall be the appropriate maximum retail price as fixed by this Order, increased by 1d. per pound: Provided that where both such conditions apply the said appropriate maximum price shall not be increased by more than 1d. per pound.
- (3) No additional charges shall be made by a retailer for wrapping any meat to which this Order applies, or for trimming or other incidental and customary services performed in relation to the retailing of any such meat.
- (4) If in respect of any lot of meat the maximum price calculated in accordance with the provisions of this Order is not an exact number of pence or half-pence, the maximum price of the lot shall be computed to the nearest upward halfpenny.
- (5) Where a retailer sells any joint or cut of meat which is not in accordance with any one definition in the said specification because it comprises less than the total meat included in any one definition or comprises meat included in more than one definition, the maximum retail price per pound of such joint or cut shall be computed on the basis that the joint or cut comprises the kind, description, and grade of meat included in the definition of which the joint or cut forms part or to which the greater part of such joint or cut conforms.

RETAILERS TO EXHIBIT RETAIL PRICES

7. (1) Every retailer who offers or exposes for sale any joints or cuts of meat to which this Order applies shall affix to each joint or cut a ticket, placard, or label on which the total retail price of such joint or cut shall be stated in legible and prominent characters.
- (2) In the case of meat items which in accordance with the customary practice within the trade are offered or exposed for sale otherwise than by the joint or cut the retailer shall keep in a prominent position in such proximity to the meat to which it relates as to be obviously in relation thereto a ticket, placard, or label showing in legible and prominent characters the retail price per pound or per unit, as the case may be.
