Price Order No. 920 (Wholesale Groceries and Other Goods)

PURSUANT to the powers conferred on it by the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Order:—

1. This Order may be cited as Price Order No. 920.
2. This Order shall come into force on the 30th day of August, 1948.
3. (1) In this Order, unless the context otherwise requires,—

“Basic wholesale cost”, in relation to any goods, means the actual price paid or payable by a wholesaler for the goods increased by the amount of any disbursements, exclusive of sales tax, actually incurred by the wholesaler in respect of the goods and decreased by any amount that may be receivable by the wholesaler in respect of the return of containers in which the goods are packed:

“Bulk container”, in relation to any lot of goods, means the container in which the goods were received by the wholesaler:

“Retailer” means a person who buys goods from a wholesaler for the purpose of selling those goods, whether in the form purchased or otherwise, to consumers:

“Wholesaler” means a person who sells goods to a retailer.

(2) The basic wholesale cost shall be calculated in respect of such quantity of goods as is indicated in relation to the goods in the second column of the First Schedule hereto.

4. (1) Subject to the provisions of this Order, this Order applies with respect to the goods specified in the First Schedule hereto that are not for the time being the subject of a Price Order (other than this Order) fixing the wholesale price of the goods, or in respect of which an authorized wholesale selling-price is not for the time being fixed by the Tribunal, and which are sold by a wholesaler to a retailer.

(2) This Order shall apply only to those wholesalers who are for the time being authorized in that behalf by the Tribunal.

(3) Any authorization under the last preceding subclause may be given in such manner as the Tribunal thinks fit, and may be at any time revoked either in respect of all wholesalers to which the authorization relates or in respect of any one or more such wholesalers.

5. Every wholesaler to whom this Order applies shall, before selling any goods to which this Order applies, forward to the Tribunal in such manner as the Tribunal requires a return in respect of the goods in the form in the Second Schedule hereto:

Provided that where a wholesaler has furnished a return under this clause in respect of any goods he shall not be obliged unless specially requested to do so by the Tribunal, to furnish a return in respect of other goods of the same kind unless:—

- (a) The basic wholesale cost of the other goods is less than the basic wholesale cost of the goods to which the return already made relates; or
- (b) The basic wholesale cost of the other goods is more than the basic wholesale cost of the goods in respect of which the return already made relates and the wholesaler proposes to charge more for such other goods.

6. (1) Subject to the provisions of this Order, the maximum price that may be charged or received by a wholesaler for any goods to which this Order applies shall not exceed the sum of the following amounts:—

- (a) The basic wholesale cost:
- (b) The maximum percentage of the basic wholesale cost specified in relation to the goods in the First Schedule hereto:
- (c) Where indicated in the fourth column of the First Schedule hereto, the premium set out in that column in respect of goods supplied in amounts less than bulk container lots:
- (d) The amount of any discount customarily allowed by the wholesaler for payment before a specified date calculated in relation to the total of the items specified in paragraphs (a), (b), and (c) hereof:
- (e) The amount of any sales tax paid by the wholesaler in respect of the goods.

(2) If the maximum price calculated in accordance with this clause for any goods to which this Order applies is not an exact number of arthings the maximum price may be calculated to the next upward farthing.

7. Notwithstanding anything in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler, may authorize special maximum prices in respect of any goods to which this Order applies. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all or any goods to which this Order applies sold by the wholesaler while the approval remains in force.

Price Order No. 926 (Imported Goods)

PURSUANT to the powers conferred upon it by the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order :—

1. This Order may be cited as Price Order No. 926, and shall come into force on the 30th day of August, 1948.

2. This Order shall apply to all goods which have been or may hereafter be imported into New Zealand, and which are for the time being the subject of a Price Order or of an authorization of a selling-price under section 16 of the said Act in force on the coming into force of this Order and for which the importer has paid, or is liable to pay in New Zealand currency at parity with sterling or in sterling acquired at parity with New Zealand currency or in any other currency acquired at a rate calculated on the basis of parity between New Zealand currency and sterling.

3. Where any goods to which this Order applies are, after the coming into force of this Order, sold by the importer or, after having been so sold, are resold by any subsequent purchaser thereof, every Price Order, and every authorization under section 16 of the said Act, applicable to such sale shall be read and construed as if the actual or maximum price or authorized selling-price therein specified had been reduced—

(a) In the case of sales of goods for which an actual or maximum price or authorized selling-price is expressed in such Price Order or authorization in monetary units or for which margins of profit are expressed in percentages, to an extent proportioned to the reduction in landed cost of those goods to the importer occasioned by the

restoration of New Zealand currency to parity with sterling effected by the Reserve Bank of New Zealand as on and from the 20th day of August, 1948; and

(b) In the case of sales of goods for which margins of profit are expressed in such Price Order or authorization in monetary units, to the extent of the sum of such reduction in landed cost as aforesaid and the reduction in the amount of sales tax occasioned thereby :

Provided that where in the case of any such sale the reduced price payable in respect of the whole transaction includes a fraction of a halfpenny, the price hereby prescribed shall include, instead of that fraction, the whole halfpenny of which that fraction is a part.

4. Any seller (other than a retailer) of any goods to which a Price Order or an authorization under the said section 16 in force on the coming into force of this Order for the time being applies, shall, until the coming into force of a new Price Order, or of a new selling-price authorized under section 16 of the said Act, in respect of those goods, deliver to the purchaser from him, and retain a copy of, an invoice specifying (a) which of such goods are subject to a reduction in price prescribed by this Order, (b) the actual or maximum price fixed by the Price Order, or the selling-price authorized by the said section 16, for those goods, and (c) the amount of the reduction in price calculated as prescribed by this Order.

Dated at Wellington, this 25th day of August, 1948.

The Seal of the Price Tribunal was affixed hereto in the presence of—

Price Order No. 921 (Retail Groceries and Other Goods)

PURSUANT to the powers conferred on it by the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Order:—

1. This Order may be cited as Price Order No. 921.
2. This Order shall come into force on the 30th day of August, 1948.

3. (1) In this Order, unless the context otherwise requires,—

“Bulk container”, in relation to any lot of goods to which this Order applies, means the container in which the lot was received by the wholesaler:

“Prevailing wholesale price”, in relation to any goods to which this Order applies, means the price for the time being authorized pursuant to the Control of Prices Act, 1947, to be charged for the goods to a retailer by a wholesaler nearest or most convenient of access to that retailer increased by the amount of any sales tax that may be payable by the retailer in respect of the goods and decreased by the amount of any discount customarily allowed by the wholesaler for payment on or before a specified date and decreased further by the amount charged by the wholesaler in respect of containers in which the goods are packed.

(2) The prevailing wholesale price shall be calculated in respect of such quantity of goods as is indicated in the second column of the Schedule hereto:

Provided that if any goods indicated in the Schedule hereto as goods to which this proviso relates are, with the authority of the Price Tribunal, sold by a wholesaler to a retailer at a price higher than that authorized to be charged by the wholesaler for the quantity specified in the second column of the Schedule hereto in relation to those goods, the prevailing wholesale price may, in such cases but in no others, be calculated on the basis of the price actually paid to the wholesaler by the retailer concerned.

(3) In calculating the prevailing wholesale price of any goods, discount shall be deducted if the retailer has at any time a right to deduct discount in respect of the goods, whether or not he takes advantage of the right.

(4) Where any goods are manufactured by a retailer and sold by him as a retailer the prevailing wholesale price in such case shall be calculated on the basis of the price authorized by the Price Tribunal to be charged by that person to other retailers for sales by way of wholesale.

4. This Order applies with respect only to the goods specified in the first column of the Schedule hereto.

5. (1) Subject to the provisions of this Order the maximum price that may be charged or received by a retailer for any goods to which this Order applies shall not exceed the sum of the following amounts:—

- (a) The prevailing wholesale price:
- (b) The maximum percentage of the prevailing wholesale price specified in relation to those goods in the Schedule hereto:
- (c) The appropriate proportion of transport costs payable by the retailer in respect of the goods:

Provided that nothing in this Order shall authorize the addition of transport costs in excess of those that would have been incurred had the goods been purchased from a wholesaler nearest or most convenient of access to the retailer and transported by a common carrier at current freight rates.

(2) If in respect of any lot of goods sold by a retailer the maximum price specified in the Schedule hereto in relation to those goods calculated in accordance with the foregoing provisions of this clause is not an exact number of half-pence, the maximum price of the lot shall be computed to the next upward halfpenny.

(3) The retail price of any goods computed in accordance with this clause shall be calculated by reference to the quantities and weights disclosed in the appropriate invoices.

6. Notwithstanding anything in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorize special maximum prices in respect of any goods to which this Order applies. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all or any goods to which this Order applies sold by the retailer while the approval remains in force.
