Retailers' Prices

6. (1) The maximum prices that may be charged or received by any retailer for any effervescent saline to which this Order applies shall be determined in accordance with the following provisions, namely:—

- (a) In the case of effervescent saline sold by a retailer to whom a wholesale supply is available, free of freight charges, for delivery at his store from any source whatever—

Eno's Fruit Salt—

- (i) For "Household" (8 oz.) bottles: 4s. 7d. per bottle.

(b) Where freight charges are incurred by a retailer in obtaining delivery of any effervescent saline at his store the maximum retail prices of such effervescent saline shall be the approximate maximum prices fixed by paragraph (a) hereof, increased to the nearest halfpenny by a proportionate part of the freight charges incurred by the retailer: Provided that, where any effervescent saline to which this paragraph applies is obtained by the retailer from a source of supply that is not the nearest or most convenient of access to the retailer's store, the increase of the price authorized by this paragraph shall not exceed a proportionate part of the freight charges that would have been incurred by the retailer if the effervescent saline had been obtained from the source of supply nearest or most convenient of access to his store and if delivery had been effected by a common carrier at current freight rates.

(2) If in respect of any effervescent saline sold by a retailer the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of pence or halfpenny, the maximum price shall be computed to the next upward halfpenny.

7. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any manufacturer or by any wholesaler or retailer, may authorize special maximum prices in respect of any goods to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the manufacturer, wholesaler, or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the manufacturer, wholesaler, or retailer while the approval remains in force.
