Price Order No. 961 (Meat—Wholesale)

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 961, and shall come into force on the 1st day of February, 1949.
2. (1) In this Order, unless the context otherwise requires,—
  - “ Abattoir district ” means an abattoir district constituted in accordance with the Meat Act, 1939 :
  - “ Frozen meat ” means meat that has been held in a freezing chamber until the major portion of the liquid content of the meat has solidified :
  - “ The said specification ” means the New Zealand Emergency Standard Specification (as heretofore amended) (No. N.Z.S.S. E. 79) entitled “ Grades of Meat for Sale on the Local Market and Definitions of Joints and Cuts,” declared by the Minister of Industries and Commerce under the authority of section 8 of the Standards Act, 1941, to be a standard specification.

- (2) References in this Order to the kind, description, or grade of any meat shall be deemed respectively to be references to the kind, description, or grade of such meat within the meaning and for the purposes of the said specification.
- (3) All fresh meat killed in an abattoir district and sold or delivered to a purchaser during the currency of this Order shall be deemed, until the contrary is proved, to be meat of the grade indicated thereon by the distinctive grade marking made pursuant to the said specification.
- (4) All fresh meat killed elsewhere than in an abattoir district and sold or delivered to a purchaser during the currency of this Order shall be sold at the appropriate prices fixed for first-grade, second-grade, or third-grade meat that has been killed in an abattoir district according to whether the meat not killed in an abattoir district would have been graded first-grade, second-grade, or third-grade meat had it in fact been killed and graded in an abattoir district.

APPLICATION OF THIS ORDER

3. (1) Nothing in this Order shall apply with respect to sales of fresh meat during the months of September, October, and November in any year or to sales of live-stock.
- (2) Except as provided in the last preceding subclause, this Order applies with respect to all wholesale sales of meat (whether fresh or frozen) intended for human consumption and whether such meat is sold by the carcass or as broken meat.
- (3) All meat sold or delivered to a purchaser during the currency of this Order shall be deemed to be intended for human consumption unless it is sold for some other specific purpose.
- (4) The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.
- (5) The provisions of this Order shall apply notwithstanding that any meat to which the Order applies is sold otherwise than by weight.

FIXING MAXIMUM WHOLESALE PRICES OF MEAT TO WHICH THIS ORDER APPLIES

4. (1) The maximum wholesale price of meat of the kinds and descriptions specified in the First Schedule hereto shall be the appropriate price prescribed in that Schedule.
- (2) The prices prescribed in the First Schedule hereto in respect of fresh meat shall apply during the respective periods indicated in the First and Second Schedules hereto.
- (3) The prices fixed by the foregoing provisions of this clause with respect to frozen meat apply at all periods throughout any year.
- (4) The prices fixed by the foregoing provisions of this clause with respect to lamb apply only with respect to lamb sold in the year following the year in which the lamb was born.
- (5) Notwithstanding anything in the foregoing provisions of this clause and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler, may authorize special maximum wholesale prices in respect of any meat to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler. Any authority given by the Tribunal under this subclause may apply with respect to a specified lot or consignment of meat or may relate generally to all meat to which this Order applies sold by the wholesaler while the approval remains in force.

GENERAL PROVISIONS WITH RESPECT TO MAXIMUM WHOLESALE PRICES

5. (1) The maximum wholesale prices fixed as aforesaid are fixed in respect of sales, whether for cash or otherwise, of meat delivered at the wholesaler's depot that is nearest to the place in which the retailer's premises are situate.
- (2) Where delivery is effected to the retailer's premises the appropriate maximum wholesale price may be increased at the rate of 1s. for each 100 lb. weight of meat so delivered: Provided, however, that no increase shall apply with respect to offals.
- (3) If in respect of any lot of meat the maximum price calculated in accordance with the provisions of this Order is not an exact number of pence or half-pence, the maximum price of the lot shall be computed to the next upward halfpenny.
- (4) The respective wholesale prices for carcass meat (other than pork carcasses) are fixed in respect of whole carcasses or side carcasses (as the case may be) inclusive of kidneys, as sold “ on the hook ” in conformity with customary trade practice in the butchery trade.
- (5) Where any wholesaler sells any joint or cut of meat which is not in accordance with any one definition in the said specification because it comprises less than the total meat included in any one definition or comprises meat included in more than one definition, the maximum wholesale price per pound of such joint or cut shall be computed on the basis that the joint or cut comprises the kind, description, and grade of meat included in the definition of which the joint or cut forms part or to which the greater part of such joint or cut conforms.

2. (1) Price Orders Nos. 889\* and 913† are hereby revoked.

“Ounce” means fluid ounce as defined in the Weights and Measures Proclamation, 1946‡;

“Spirits” means whisky, rum, brandy or gin:

“Standard measure” means five-eighths of an ounce.

(2) Terms and expressions defined in the Licensing Act, 1908, when used in this Order, have the meanings severally assigned thereto by that Act.

APPLICATION OF THIS ORDER

4. (a) Where the quantity of spirits contained in the drink is less than a full standard measure, 6d.:

(b) Where the quantity of spirits contained in the drink is a full standard measure, or more than a full standard measure, 10d. for each full standard measure.

(2) Where any drink containing a full standard measure or more than a full standard measure of spirits, other than French brandy, is sold for consumption in a lounge or a dining-room of licensed premises, the maximum price of the drink shall be 1s. for each full standard measure of spirits contained in the drink. Where any such drink sold as aforesaid contains less than a full standard measure of spirits, the maximum price of the drink shall be 9d.

(3) Where any drink containing a full standard measure or more than a full standard measure of French brandy is sold in a lounge or dining-room of licensed premises, the maximum price of the drink shall be 2s. for each full standard measure of French

(ii) For the purposes of this Order the term “split-sized” in relation to any bottle means a bottle containing approximately 6 oz. and known in the hotel trade as split-sized.

Price Order No. 964 (Asbestos-cement Products)

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 964, and shall come into force on the 17th day of January, 1949.
2. (1) In this Order, unless the context otherwise requires,—
  - “Landed cost”, in relation to any goods, means the actual price paid or payable by the importer of the goods increased by the amount of any landing costs incurred by the importer in respect of the goods:
  - “Landing costs”, in relation to any goods, means the cost incurred by the importer incidental to the importing of the goods from the country of origin into store in New Zealand:
  - “Prevailing wholesale price”, in relation to any goods, means the price actually charged for the goods by a wholesaler to the retailer purchasing the goods: Provided that in no case shall the prevailing wholesale price exceed the amount that a wholesaler is entitled to charge a retailer for the goods in accordance with the provisions of this Order:
  - “Wholesaler” includes a manufacturer.
- (2) No costs shall be deemed to be landing costs unless the method of assessment of the costs has been previously approved in that behalf by the Director of Price Control.

APPLICATION OF THIS ORDER

3. This Order applies with respect to all asbestos-cement products specified in the Schedule hereto that are manufactured in New Zealand and to all asbestos-cement products that are imported into New Zealand.

WHOLESALE PRICES

4. (1) Subject to the provisions of this Order, the maximum price that may be charged or received by a wholesaler for any goods to which this Order applies shall be determined as follows:—

- (a) Where the goods are manufactured in New Zealand the maximum price shall be the appropriate price set out in the Schedule hereto:
- (b) Where the goods are imported into New Zealand the maximum price shall be the landed cost increased in the case of corrugated sheets by 1s. per square yard, or in the case of flat sheets by 10d. per square yard.

(2) With respect only to those goods specified in the Schedule hereto as being subject to discount, the prices fixed by the foregoing provisions of this clause shall be reduced by a discount of 2½ per cent. where payment is made on or before the 20th day of the calendar month next following the calendar month in which the goods were sold.

(3) (a) Where with respect to any goods manufactured in New Zealand crating charges are incurred, the prices specified in the Schedule hereto with respect to those goods may be increased by the amount of the crating charges incurred, being not more in any case than the following charges:—

- For flat sheets of ⅜ in. thickness in ton crates: By 2¼d. per square yard.
- For flat sheets of ⅝ in. thickness in less than ton crates: By 3d. per square yard.
- For flat sheets of a greater thickness than ⅝ in. the appropriate increase set out above may be further increased by such proportion thereof as the extra thickness bears to ⅝ in.
- For corrugated sheets in ton crates: By 3d. per square yard.
- For corrugated sheets in less than ton crates: By 4½d. per square yard.
- For mouldings and curved sheets: By 15 per cent. of the appropriate maximum price specified in the Schedule hereto.

(b) Where crating charges calculated in accordance with paragraph (a) of this subclause amount to a sum of less than 11s. 3d. per crate, the charges for each crate may be increased to that sum.

(4) The prices fixed by the foregoing provisions of this clause are fixed as for delivery at the premises of the wholesaler.

(5) Where delivery is effected elsewhere than at premises occupied by the wholesaler, he may add to the appropriate price fixed by this Order the reasonable cost of delivery, not exceeding in any case the cost that would have been incurred by him if delivery had been effected by a common carrier at current freight rates.

5. Every wholesaler who sells any goods to which this Order applies shall state separately in the relevant invoice the following particulars:—

- (a) The price charged for the goods:
- (b) The discount allowed (if any):
- (c) The amount of any crating charges:
- (d) The amount of any delivery charges.

RETAILERS' PRICES

6. (1) Subject to the provisions of this Order, the maximum price that may be charged or received by a retailer for any goods to which this Order applies shall not exceed the sum of the following amounts:—

- (a) The prevailing wholesale price of the goods as shown on the relevant invoice:
- (b) An amount equal to 17½ per cent. of the sum specified in paragraph (a):
- (c) The appropriate proportion of any transport charges or crating charges incurred by the retailer in respect of the goods.

Provided, however, with respect to goods imported into New Zealand the amount calculated in accordance with paragraph (b) hereof shall not in any case exceed 8d. per square yard in the case of corrugated sheets or 6d. per square yard in the case of flat sheets.

(2) Where the retail selling-price for a square yard, a foot, for 100 lineal feet, for a thousand or for any other unit of sale, as the case may be, calculated in accordance with the foregoing provisions of this order—

- (a) Is less than 2s. 6d., the price shall be computed to the nearest ½d.
- (b) Is more than 2s. 6d. but less than 5s., the price shall be computed to the nearest 1d.
- (c) Is more than 5s., the price shall be computed to the nearest 3d.

(3) In computing the price at which a retailer may sell any goods to which this Order applies no account shall be taken of any discount authorized by subclause (2) of clause 4 hereof.

7. Every person, whether a wholesaler or retailer, who imports any goods to which this Order applies, shall on receipt of the goods, forward to the Tribunal in such manner as the Director requires, a return in respect of the goods on the form P.C. 13A: Provided that where an importer has furnished a return under this clause in respect of any goods he shall not be obliged, unless specially requested to do so by the Tribunal, to furnish a return in respect of other goods of the same kind unless—

- (a) The landed cost of the goods is less than the landed cost of the goods to which the return already made relates; or
- (b) The landed cost of the other goods is more than the landed cost of the goods to which the return already made relates and the importer proposes to charge more for such other goods.

8. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal on application by any wholesaler or retailer, may authorize special maximum wholesale or retail prices in respect of any goods to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the wholesaler or retailer while the approval remains in force.

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce doth hereby make the following Price Order:—

## PRELIMINARY

1. This Order may be cited as Price Order No. 965.
2. This Order shall come into force on the 1st day of February, 1949.
3. (1) Price Orders Nos. 768, \* 769†, 827‡, 828§, 843||, 844¶, and 884\*\* are hereby revoked.
- (2) The revocation of the said Price Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
4. (1) In this Order, unless the context otherwise requires,—
  - “Abattoir district” means an abattoir district constituted in accordance with the Meat Act, 1939:
  - “Frozen meat” means meat that has been held in a freezing chamber until the major portion of the liquid content of the meat has solidified:
  - “The said specification” means the New Zealand Emergency Standard Specification (as heretofore amended) (No. N.Z.S.S. E. 79) and entitled “Grades of Meat for Sale on the Local Market and Definitions of Joints and Cuts,” declared by the Minister of Industries and Commerce under the authority of section 8 of the Standards Act, 1941, to be a standard specification.
- (2) References in this Order to the kind, description, or grade of any meat shall be deemed respectively to be references to the kind, description, or grade of such meat within the meaning and for the purposes of the said specification.
- (3) All fresh meat killed in an abattoir district and sold or delivered to a purchaser during the currency of this Order shall be deemed, until the contrary is proved, to be meat of the grade indicated thereon by the distinctive grade marking made pursuant to the said specification.
- (4) All fresh meat killed elsewhere than in an abattoir district and sold or delivered to a purchaser during the currency of this Order shall be sold at the appropriate prices fixed for first-grade, second-grade, or third-grade meat that has been killed in an abattoir district according to whether the meat not killed in an abattoir district would have been first-grade, second-grade, or third-grade meat had it in fact been killed and graded in an abattoir district.

## APPLICATION OF THIS ORDER

5. (1) Nothing in this Order shall apply with respect to sales of fresh meat during the months of September, October, and November in any year.
- (2) Except as provided in subclause (1) hereof, this Order applies only with respect to all retail sales of meat (whether fresh or frozen) of the kinds or descriptions specified in the First Schedule hereto intended for human consumption.
- (3) All meat sold or delivered to a purchaser during the currency of this Order shall be deemed to be intended for human consumption unless it is sold for some other specific purpose.
- (4) The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.
- (5) The provisions of this Order shall apply notwithstanding that any meat to which the Order applies is sold otherwise than by weight.

## FIXING MAXIMUM RETAIL PRICES OF MEAT TO WHICH THIS ORDER APPLIES

6. (1) The maximum retail prices of meat of the kinds and descriptions specified in the First Schedule hereto shall be the appropriate prices prescribed in that Schedule.
- (2) The prices prescribed in the First Schedule hereto in respect of fresh meat shall apply during the respective periods indicated in the First and Second Schedules.
- (3) The prices fixed by the foregoing provisions of this clause with respect to frozen meat apply to all periods throughout any year.
- (4) The prices fixed by the foregoing provisions of this clause with respect to lamb apply only with respect to lamb sold in the year following the year in which the lamb was born.
- (5) Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorize special maximum retail prices in respect of any meat to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this subclause may apply with respect to a specified lot or consignment of meat or may relate generally to all meat to which this Order applies sold by the retailer while the approval remains in force.

## GENERAL PROVISIONS AS TO MAXIMUM RETAIL PRICES

7. (1) The maximum retail prices as aforesaid are fixed in respect of cash sales of meat delivered over the counter.
- (2) Where delivery of any meat is effected otherwise than over the counter or where the sale is not for cash, the maximum retail price of that meat shall be the appropriate maximum retail price as fixed by the foregoing provisions of this Order, increased by 1d. per pound: Provided that where both such conditions apply the said appropriate maximum retail price shall not be increased by more than 1d. per pound.
- (3) No additional charges shall be made by a retailer for wrapping any meat to which this Order applies, or for trimming or other incidental and customary services performed in relation to the retailing of any such meat.
- (4) If in respect of any lot of meat the maximum price calculated in accordance with the provisions of this Order is not an exact number of pence or half-pence, the maximum price of the lot shall be computed to the nearest upward halfpenny.
- (5) Where a retailer sells any joint or cut of meat which is not in accordance with any one definition in the said specification because it comprises less than the total meat included in any one definition or comprises meat included in more than one definition, the maximum retail price per pound of such joint or cut shall be computed on the basis that the joint or cut comprises the kind, description, and grade of meat included in the definition of which the joint or cut forms part or to which the greater part of such joint or cut conforms.

## RETAILERS TO EXHIBIT RETAIL PRICES

8. (1) Every retailer who offers or exposes for sale any joints or cuts of meat to which this Order applies shall affix to each joint or cut a ticket, placard, or label on which the total retail price of such joint or cut shall be stated in legible and prominent characters.
- (2) In the case of meat items which in accordance with the customary practice within the trade are offered or exposed for sale otherwise than by the joint or cut, the retailer shall keep in a prominent position in such proximity to the meat to which it relates as to be obviously in relation thereto a ticket, placard, or label showing in legible and prominent characters the retail price per pound or per unit, as the case may be.
