Office of the Minister of Works, Wellington, 10th May, 1949.

**I**N pursuance of section 4 of the Engineers Registration Amendment Act, 1944, publication is given to this list of Registered Engineers whose Annual Practising Certificates are current until 31st March, 1950.

H. G. R. MASON,  
For the Minister of Works.

## ENGINEERS REGISTRATION BOARD OF NEW ZEALAND

LIST OF REGISTERED ENGINEERS AS AT 8TH APRIL, 1949, AND EXPIRING 31ST MARCH, 1950

## Explanation

The list is in two parts as follows:—

**Part A.**—Giving those registered by examination or by “recognized certificate” under one of the following subsections of the 1924 Act:—

6 (i) *a.*—Registration by virtue of holding a “recognized certificate” in the form of a Diploma of Corporate Membership of one of the British Institutions of Civil, Electrical, or Mechanical Engineers, and of having had not less than three years’ experience in the practice of engineering.

6 (i) *c.*—Registration by virtue of a pass in examinations approved by the Board (being the full associated membership examinations of one of the British Institutions of Civil, Electrical, or Mechanical Engineers, or equivalent exempting examinations), and also of having had not less than three years’ experience in the practice of engineering.

**Part B.**—Giving those registered under one of the following subsections, now expired, of the 1924 Act or amendments:—

6 (i) *b* of the 1924 Act, which provided for registration during the first period of operation of the 1924 Act of a person who had then attained the age of twenty-five years and had been engaged during a period of not less than six years before the commencement of the Act in the acquisition of professional knowledge, or in the practice of engineering in a manner satisfactory to the Board, and who made application for registration within twelve months after the commencement of the Act.

2 (i) of the 1928 amendment, which in effect re-enacted clause 6 (i) *b* of the 1924 Act with respect to any licensed surveyor in New Zealand who satisfied the Board that he had prior to the coming into operation of the 1924 Act substantial practical experience in engineering as part of his practice or employment whether on his own account or otherwise, and who made application for registration within six months of the passing of the amendment: *Indicated by † in Column 3.*

Section 7 of the 1944 amendment, which provided for the registration of engineers who, within the twelve years prior to the passing of the amendment, had had six years responsible engineering practice, or substantially equivalent experience, in local authority work, and who applied within six months of the passing of the amendment. Provision is made for special consideration to discharged servicemen who apply within six months of their discharge: *Indicated by \* in Column 3.*

Particulars in the lists as entered under each column are as follows:—

**Column 1.**—This contains the name of each engineer who at the date of the list is the holder of an Annual Practising Certificate issued under section 3 of the 1944 Amendment Act. An engineer who has been registered is required to hold a current Annual Practising Certificate in order to retain the full rights of registration. The qualifications, involving University degrees and recognized certificates or approved examinations, are taken from the person’s application for Practising Certificate and have not been verified or checked against the person’s registered particulars.

**Column 2.**—This gives the postal address, either business or residential, as on the application for Annual Practising Certificate.

**Column 3.**—This shows the date of original registration.

**Column 4.**—This shows the class of engineering in which the Board has accepted the engineer’s training and experience as a qualification for registration. Engineering is classified only in the three main branches of Civil, Electrical, and Mechanical. Where an engineer has not satisfied the Board’s requirements for qualification in one of these main branches, the restrictive or specialist class in which he is accepted is shown.

It is also to be noted that corporate membership of one of the recognized British Engineering Institutions entitles the holder to be styled as a “Chartered Engineer,” but this information is omitted from the list.

E. E. HENDRIKSEN, Registrar.

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

1. This Order may be cited as Price Order No. 1000.
2. This Order shall come into force on the 16th day of May, 1949.

  - “Guest” means a person who, pursuant to an agreement with the licensee to accept and pay for lodging at an hotel, is occupying a bedroom in that hotel, but does not include any person who occupies a room in an hotel in accordance with a contract of service with the licensee. Until a bedroom is vacated it shall be deemed to be occupied and a bedroom shall not be deemed to be vacated until the licensee or his agent is notified by the guest to that effect:
  - “Hotel” means premises in respect of which a publican’s licence, an accommodation licence, or a tourist-house licence has been granted and is for the time being in force under the Licensing Act, 1908, and includes any premises deemed by any enactment to be an inn for the purposes of that Act, but does not include any premises operated for the purpose of providing accommodation for members of the public by the Government of New Zealand.

- (4) Where a guest occupies a bedroom after 10 a.m. on any day but vacates the bedroom before 7 p.m. on that day he may be charged one-half the amount prescribed in subclause (2) hereof as the daily charge for a bedroom if he vacates the room before 2.30 p.m. on that day, and three-quarters of the amount so prescribed if he vacates the room before 7 p.m. on that day. A bedroom occupied at any time after 7 p.m. on one day and before 10 a.m. on the following day may be charged for at the full daily rate so prescribed. The provisions of this subclause shall, with the necessary modifications, apply to suites and the charges authorized in respect thereof by paragraph (c) of clause 7 hereof.

ADDITIONAL CHARGES

7. (1) In addition to the charges hereinbefore authorized the charges specified in this clause may be made in accordance with the terms thereof.
  - (a) *Private Bath.*—Where a private bathroom (with or without shower or toilet) is provided a charge not exceeding 5s. per day or part thereof may be made therefor:
    - Provided that where any such bathroom is available to more than one person the said charge shall be apportioned equally among the persons to whom the private bath is available:
  - (b) *Private Shower-room.*—Where a private shower-room (with or without a toilet) is provided a charge not exceeding 2s. 6d. per day or part thereof may be made therefor:
    - Provided that where any such shower is available to more than one person the said charge shall be apportioned equally among the persons to whom the private shower-room is available. No guest may be charged for both a private shower-room and a private bath:
  - (c) *Suite.*—Where a suite consisting of bedroom and sitting-room (with or without other amenities) is occupied a charge at the rate of 30s. a day may be made in respect of any such occupancy. The said charge shall be additional to the charges authorized by this Order to be made for a bedroom and a private bathroom, but shall not exceed the rate specified in this paragraph irrespective of the number of persons occupying the suite:
  - (d) *Teas and Suppers.*—Where, at the request of any person, morning tea, (not including tea served before breakfast for which no charge may be made), afternoon tea, or supper consisting of tea, cocoa, coffee, or milk with toast and butter, or bread and butter or biscuits is supplied an additional charge not exceeding 1s. 6d. may be made for each such meal. Where any foodstuffs in addition to those mentioned are supplied, a further charge may be made for these at current rates or, where prices have been approved by the Tribunal, at those prices:
  - (e) *Meals Served in Bedroom or Suite.*—Where any meal, other than early morning tea is served in a bedroom or suite or in a private sitting-room, a charge not exceeding 1s. may be made for each such meal:
  - (f) *One-night Surcharge.*—Where a bedroom is occupied for only one night a charge not exceeding 2s. per guest may be made:
  - (g) *One Person in Double Room.*—Where at the request of a guest that guest is the sole occupant of a double bedroom (excluding a bedroom in a suite) the charge for that room may be twice the appropriate charge for a bedroom authorized by subclause (2) of clause 6 hereof:
- (2) Except as provided in this Order no charge for any services rendered or accommodation supplied at an hotel shall be made unless the Tribunal has previously approved of the charge or unless an agreement is made between the licensee of the hotel and the person to be charged for payment of special charges for services additional to those customarily rendered at the hotel.

CHARGES FOR CHILDREN

8. The charges fixed by the foregoing provisions of this Order are fixed with respect to adults and children not less than ten years of age. The maximum charges exclusive of those authorized by clause 7 that may be made with respect to children under ten years of age shall be:—
  - (a) For children under two years: No charge;
  - (b) For children two years and under five years: One-quarter the charges fixed by this Order;
  - (c) For children five years and under ten years: One-half the charges fixed by this Order.
9. Notwithstanding anything in the foregoing provisions of this Order, the Tribunal, on application by the licensee of any hotel or on its own initiative, may regrade any hotel to a higher or lower grade or may assign a grade to any hotel that is ungraded and, upon the grade of any hotel being altered pursuant to this clause, this Order shall be read and construed as if the name of the hotel were included in the Schedule hereto and the altered grade specified therein in respect of the hotel.
10. Notwithstanding the provisions of this Order where charges higher than those authorized by this Order were being charged by the licensee of an hotel immediately prior to the date of this Order those higher charges may, with the consent in writing of the Director of Price Control granted pursuant to a written application in that behalf by the licensee, continue to be charged by that licensee in respect of accommodation provided at that hotel.
11. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any licensee may authorize special maximum prices in respect of any services to which this Order applies where special circumstances exist or for any reason extraordinary charges are incurred by the licensee. Any authority given by the Tribunal under this clause may apply with respect to a particular service or may relate generally to all services to which this Order applies rendered by the licensee while the approval remains in force.
