RATANA TRUST BOARD BY-LAWS

PURSUANT to the provisions of subsection (24) of section 14 of the Maori Purposes Act, 1941, the Ratana Trust Board hereby makes the following By-laws, which shall come into operation on the publication thereof in the *Gazette* after having been approved by the Governor-General in Council:—

INTERPRETATION

- In these By-laws, unless inconsistent with the context—
“Board” means the Ratana Trust Board.
“Ratana Pa” or “Pa” means the land referred to in subsection (29) of section 14 of the Maori Purposes Act, 1941, and includes any other land that may become vested in or be acquired by the Board.
The words “Inspector,” “Sanitary Inspector,” “Inspector of Health,” and “Medical Officer of Health” shall have the meaning assigned to those words by the Health Act, 1920.

DEATHS

- Where any inhabitant of Ratana Pa has died, the corpse shall be buried, if the death occurs between the 15th day of March and the 15th day of September (both days inclusive) in any year, within four days after death; and if the death occurs between the 16th day of September and the 14th day of March of the following year (both days inclusive) within three days after death, unless the Medical Officer of Health or any person authorized by him shall otherwise direct.
- Where death has occurred from an infectious disease, the corpse shall be buried within twenty-four hours after death. The corpse shall be removed from the dwelling, tent, hospital, or place where death occurred to the place of burial without being allowed to lie in state, and no tangi shall be held.
- It shall be the duty of the nearest relatives of the deceased or, in their absence, of the owner or occupier of the house or premises wherein the deceased died, to comply with the provisions of By-laws Nos. 2 and 3; and any person aforesaid who fails so to do shall be liable to a penalty not exceeding £5.
- No human corpse shall be buried, except with the permission of the Board, in any place other than a recognized burial-ground or a place reserved or set apart by some duly constituted authority as a burial-ground, nor shall any corpse be buried other than in a casket constructed of sound timber or other approved materials to the specifications of the Inspector of Health for the District.
- No human corpse shall be permitted to lie in state inside any meetinghouse in the Pa except with the consent of the Chairman of the Board, which consent shall only be given if the corpse is enclosed in an approved casket.

BUILDINGS

- (a) Any person before commencing the erection of any building within the Pa shall first obtain from the Board a permit for the work.
(b) The application for the permit shall be accompanied by appropriate plans and specifications, and no deviation from the plans or specifications as approved by the Board shall be allowed without the prior consent of the Board.
(c) The applicant shall pay such fees for the issue of a permit as the Board in its discretion shall prescribe.
- No person shall erect a dwellinghouse upon any site not having natural or artificial subsoil drainage sufficient to prevent such site being damp, or upon any site having matter thereon which may prove injurious to the health of the occupants of such buildings. The ground underlying every dwellinghouse shall be so formed and graded that no water can flow or lodge thereon or under any part of such building. Where the site of an erected dwellinghouse is considered injurious to the health of the occupants, the Board may order the owner or occupier to remove such building to a more healthy site.
- Every person who shall erect a dwellinghouse within the Pa shall construct every room intended to be used as a living-room or sleeping-room so that the same shall be not less than 8 ft. 6 in. in height from the floor to the ceiling in every part; provided that every room intended to be used as aforesaid with a sloping roof shall be no less than 8 ft. in height, from the floor to the roof over one-half the superficial area of such room, and no wall thereof shall have a height of less than 5 ft. before any slope of the roof commences.
- Every person who shall erect a dwellinghouse shall provide that for every sleeping-room therein there shall be at least 63 square feet of floor space to each person above the age of ten years or every two children under ten years of age sleeping in that room, and there shall be a window-space clear of frame equal in area to at least one-tenth of the area of the floor of such room, of which window-space at least one-half shall be made to open.
- Every person who shall erect a dwellinghouse shall provide each sleeping-room with a boarded floor so that there shall be between the underside of every joint, plate, stringer, and bearer on such floor and the upper surface of the ground a space of 9 in. at the least in every part, and he shall cause the area below such floor to be thoroughly ventilated by some effectual method.

12. In the case of houses already erected, the Board may require the owner or occupier of any dwellinghouse which does not comply with By-laws Nos. 10 and 11 to make such alterations or additions as it may deem necessary.

13. The Board may order the removal or destruction of any building in a dirty or unwholesome state, if, in its opinion, it is unsuitable for human habitation, or if the owner or occupier thereof fails, after due notice, to clean, renovate, take down, remove, or destroy the same.

14. The Chairman of the Board, or any person duly authorized by the Board in that behalf, may, by notice in writing, direct the owner or occupier of any house or other building in a dirty or unwholesome state to clean or cause the same to be cleaned within a time to be specified in the notice.

15. Any cost incurred by the Board in and about the removal, alteration, or cleaning of any building, shall be a debt due to the Board recoverable as liquidated damages by action in a Magistrate's Court.

16. The Board may, in its discretion, modify the application of the foregoing By-laws Nos. 8, 12, 13, and 14 in respect of a building occupied by an old, ill, or infirm person.

17. The occupier of a dwellinghouse shall be held responsible for preventing more persons sleeping in any room thereof than are allowed by the floor space laid down in By-law No. 10. Failure to comply with By-law No. 10 shall render the occupier aforesaid liable to a penalty not exceeding 5s. for a first offence and not exceeding 10s. for every subsequent offence.

Price Order No. 1056 (Furniture, Floor-coverings, and Bedding)

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 1056, and shall come into force on the 17th day of August, 1949.

2. (1) In this Order, unless the context otherwise requires—

“ Factory selling-price ”, in relation to any goods, means the price approved to the manufacturer of those goods by the Director of Price Control as the price at which those goods may be sold by way of wholesale :

“ Landed cost ”, in relation to any goods, means the actual price paid or payable by the importer of the goods increased by the amount of any landing-costs incurred by the importer in respect of the goods :

“ Landing-costs ” in relation to any goods, means the costs incurred by the importer incidental to the importing of the goods from the country of origin into store at the port of entry in New Zealand :

“ Prevailing wholesale price ” in relation to any goods, means the maximum price for the time being authorized by the Director of Price Control to be charged for the goods by the wholesaler to the retailer buying the goods.

(2) No costs shall be deemed to be landing-costs within the meaning of this Order unless the method of assessment of the costs has been previously approved in that behalf by the Director of Price Control.

APPLICATION OF THIS ORDER

3. This Order applies to the goods specified in the First Schedule hereto (whether manufactured in New Zealand or imported into New Zealand) that are not for the time being the subject of a Price Order (other than this Order) fixing the retail selling-price of the goods.

FIXING MAXIMUM RETAIL SELLING-PRICES OF GOODS TO WHICH THIS ORDER APPLIES

4. (1) Subject to the following provisions of this Order the maximum price that may be charged by any retailer for any goods to which this Order applies shall be determined as follows:—

(a) With respect to furniture bought from a manufacturer in New Zealand or manufactured by the retailer selling the goods the maximum price shall be the factory selling-price increased by the appropriate maximum percentage of that price specified in the First Schedule hereto in relation to the goods :

(b) With respect to the other goods to which this Order applies the maximum price shall be—

(i) In respect of goods purchased in New Zealand from a wholesaler : The prevailing wholesale price of the goods increased by the appropriate maximum percentage of that amount specified in the First Schedule hereto in relation to the goods ;

(ii) In respect of goods imported into New Zealand by the retailer selling the goods : The landed cost of the goods increased by the appropriate maximum percentage of that amount specified in the First Schedule hereto in relation to the goods.

(2) Where with respect to any floor-coverings there is specified in the First Schedule hereto a ceiling mark-up as well as a maximum percentage mark-up, the prevailing wholesale price or the landed cost (as the case may be) shall, if the floor-coverings have been imported into New Zealand, be increased by the ceiling mark-up instead of the maximum percentage mark-up in all cases where the amount of the ceiling mark-up is less than the amount of the percentage mark-up.

(3) The maximum retail prices fixed by the foregoing provisions of this clause may be increased by the proportionate amount of any transport charges actually incurred by the retailer in obtaining delivery of the goods into his premises, but not exceeding in any case an amount equal to $3\frac{1}{2}$ per cent. of the prevailing wholesale price or factory selling-price (as the case may be) of the goods.

(4) Every retailer who offers or exposes for sale any goods to which this Order applies shall attach thereto a ticket on which shall be stated the following particulars:—

(a) The identification name or number of the goods :

(b) The cost price (in code) :

(c) The retail selling-price (in plain figures).

(5) Where, with respect to any goods to which this Order applies, transport charges are incurred by a retailer and added to his selling-price a complete record of any such charges shall be kept by the retailer showing how they were apportioned to the goods on which they were incurred.

GENERAL

5. Every retailer, who imports any goods to which this Order applies, shall, on receipt of the goods, forward to the Director of Price Control in such manner as the Director requires a return in respect of the goods in the form of the Second Schedule hereto :

Provided that where an importer has furnished a return under this clause in respect of any goods he shall not be obliged, unless specially requested to do so by the Director, to furnish a return in respect of other goods of the same kind unless—

(a) The landed cost of the other goods is less than the landed cost of the goods to which the return already made relates : or

(b) The landed cost of the other goods is more than the landed cost of the goods to which the return already made relates and the importer proposed to charge more for such other goods as aforesaid.

6. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal on application by any retailer, may authorize special maximum retail prices in respect of any goods to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the retailer while the approval remains in force.
