Price Order No. 1099 (Drugs and Druggists' Lines)

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

1. This Order may be cited as Price Order No. 1099.
2. This Order shall come into force on the 21st day of November, 1949.

3. In this Order unless the context otherwise requires:—

“Wholesale purchase price”, in relation to any goods, means—

- (a) With respect to goods purchased in New Zealand: The price paid or payable by the wholesaler for the goods increased by the amount of any disbursements (exclusive of sales tax) for which the wholesaler may be liable in respect of the delivery of the goods from the vendor to the wholesaler and decreased by any amount agreed upon between the vendor and the wholesaler as being payable or allowable to the wholesaler in respect of the return of the containers in which the goods were delivered and further decreased by the amount of any discount in respect of the sale of the goods that the wholesaler has at any time the right to claim whether or not he avails himself of that right:
- (b) With respect to goods imported into New Zealand: The gross invoice cost of the goods increased by 1 per cent. thereof (to cover incidental expenses such as the cost of cables, letters of credit, bank interest (other than exchange), demurrage, carrier's waiting-time, wastage, and pillage) and further increased by such charges as have been incurred by the importer with respect to—

- (i) Packing;
- (ii) Lading and transport to ship;
- (iii) Insurance;
- (iv) Overseas freight;
- (v) Overseas buying commission;
- (vi) Exchange;
- (vii) Local landing charges;
- (viii) Duty;

and then decreased by any amount that may be payable or allowable to the importer by way of discount, commission, or otherwise:

- (c) With respect to goods compounded or otherwise manufactured by a wholesaler: The amount authorized pursuant to the Control of Prices Act, 1947, as the approved selling price of those goods.

“Wholesale selling-price”, in relation to any goods, means the price for the time being authorized under the Control of Prices Act, 1947, to be charged for the goods by the wholesaler to the retailer buying the goods.

“Wholesaler”, in relation to any goods, means a person who sells the goods to a retailer, a hospital board, or the proprietor or governing body of a hospital or similar institution, an industrial user, or a professional user.

“Industrial user” means a person in business on his own account who buys goods to which this Order applies for use in that business and not for resale in the form in which they were bought and includes a body corporate that buys any such goods for use in any undertaking that it is authorized to carry on and not for resale in the form in which they were bought.

“Professional user” means a registered medical practitioner, dentist, or veterinary surgeon who buys goods to which this Order applies for use in his professional capacity.

APPLICATION OF THIS ORDER

4. (1) Subject to the following provisions of this clause this Order applies with respect to the goods specified in the First Schedule hereto.

(2) The wholesale prices fixed by this Order shall not apply with respect to any goods the prices of which are for the time being fixed by any Price Order other than this Order or by any approval under section 16 of the Control of Prices Act, 1947, or to any goods compounded or otherwise manufactured by a wholesaler and in respect of which no price has been approved pursuant to the Control of Prices Act, 1947.

(3) Nothing in this Order shall apply with respect to sales by a trader who imports goods to which this Order applies and sells them to a wholesaler; or to sales made by one wholesaler to another wholesaler.

(4) The retail prices fixed by this Order shall not apply with respect to any goods the retail prices of which are for the time being fixed by any Price Order other than this Order or by any approval under section 16 of the Control of Prices Act, 1947.

FIXING MAXIMUM WHOLESALE AND RETAIL PRICES OF GOODS TO WHICH THIS ORDER APPLIES

Wholesalers' Prices

5. (1) Subject to the provisions of this Order the maximum price that may be charged or received by any wholesaler for any goods to which this Order applies that are sold to a retailer, hospital board, or the proprietor or governing body of a hospital or similar

institution, industrial user, or professional user, shall not exceed the sum of the following amounts:—

- (a) The wholesale purchase-price of the goods;
- (b) The appropriate maximum percentage of the wholesale purchase-price specified in the second column of the First Schedule hereto;
- (c) The amount of any discount customarily allowed by the wholesaler for payment before a specified date calculated in relation to the total of the items in paragraphs (a) and (b) hereof;
- (d) The amount of the sales tax (if any) paid by the wholesaler in respect of the goods;

Provided that, where, prior to the coming into force of this Order, a wholesaler sold goods to which this Order applies to a hospital board or the proprietor or governing body of a hospital or similar institution and the percentage of profit to the wholesaler in respect of any such sale was less than the appropriate percentage specified in the First Schedule hereto, the said appropriate percentage shall, in respect of any future sale of goods of the same kind and under the same terms and conditions be deemed to be reduced to the amount of the former percentage of profit to that body or person.

(2) Where the maximum price calculated in accordance with the provisions of this clause is not an exact number of pence the maximum price may be calculated to the next upward penny.

(3) If, in the opinion of the wholesaler, any person or body corporate is not an industrial user or a professional user (as the case may be), in respect of any specific goods proposed to be bought from the wholesaler the wholesaler shall not be bound by the provisions of this clause with respect to sales to industrial users or professional users (as the case may be).

6. Every wholesaler and every retailer who imports any goods to which this Order applies and every wholesaler who purchases in New Zealand any goods to which this Order applies shall, before selling the goods, forward to the Director of Price Control in such manner as the Director requires a return in respect of the goods in the form in the Second Schedule hereto:

Provided that where a wholesaler or retailer has furnished a return under this clause in respect of any goods he shall not be obliged unless specially requested to do so by the Director to furnish a return in respect of other goods of the same kind unless—

- (a) The wholesale cost of the other goods is less than the wholesale cost of the goods to which the return already made relates; or
- (b) The wholesale cost of the other goods is more than the wholesale cost of the goods in respect of which the return already made relates and the wholesaler or retailer proposes to charge more for such other goods.

Retailers' Prices

7. (1) Subject to the provisions of this Order the maximum price that may be charged or received by a retailer for any goods to which this Order applies shall be determined as follows:—

- (a) For the drugs specified in Group A of the First Schedule hereto or for mixtures or compounds made by the retailer of any such drugs or for goods in Group B of the said Schedule that are compounded by the retailer or sold “by count” the maximum price shall be the price computed in terms of the Official Schedules and Rules as to prescription pricing issued by the Pharmacy Plan Industrial Committee under the authority of the Industrial Efficiency (Pharmacy) Regulations 1938*.
- (b) For any other goods to which this Order applies the maximum price shall not exceed the sum of the following amounts:—

- (i) The wholesale selling-price of the goods to the retailer, decreased by the amount of any discount allowed by the wholesaler for payment on or before a specified date (whether or not the retailer takes advantage of his right to deduct any such discount) and further decreased by the amount charged by the wholesaler in respect of the containers in which the goods are packed or such amount as is repayable on the return thereof, as the case may be;
- (ii) Any sales tax payable by the retailer in respect of the goods;
- (iii) The appropriate maximum percentage of the amounts specified in paragraphs (i) and (ii) hereof set out in the First Schedule hereto;
- (iv) The appropriate proportion of transport costs incurred by the retailer in respect of the goods: Provided that transport costs calculated under this paragraph shall not exceed the amount that would have been incurred had the goods been transported by the holder of a goods-service licence under the Transport Licensing Act, 1931, at authorized rates.

(2) Where the maximum price calculated in accordance with the provisions of this clause is not an exact number of pence or half-pence the maximum price may be calculated to the next upward half-penny.

(3) Where any goods to which this order applies (other than any goods specified in paragraph (a) of subclause (1) of this clause) are manufactured by a retailer and sold by him as a retailer the wholesale selling-price shall be the price notified to the retailer by the Director of Price Control as the price at which he may sell those goods to another retailer whether or not he intends to so sell those goods.

* Statutory Regulations 1938, Serial number 1938/183, page 769.

(4) Where any goods to which this Order applies are imported by a retailer and sold by him as a retailer the wholesale selling-price in any such case shall be computed as if the goods had been imported by a wholesaler and sold by him to the retailer.

(5) The retail prices of any goods calculated in accordance with the foregoing provisions of this Order shall be calculated by reference to the quantities and weights disclosed in the appropriate invoices.

8. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer, may authorize special maximum wholesale or retail prices in respect of any goods to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the wholesaler or retailer while the approval remains in force.

Royal Commission to Inquire Into and Report Upon Matters and Questions Relating to Certain Leases of Maori Lands Vested in Maori Land Boards

GEORGE THE SIXTH by the Grace of God, of Great Britain, Northern Ireland, and the British Dominions beyond the Seas, King, Defender of the Faith :

To Our Trusty and Well-beloved Counsellor, SIR MICHAEL MYERS, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, and to Our Trusty and Well-beloved subjects HUBERT MAXWELL CHRISTIE, of Wellington, Company Director, and RICHARD ORMSBY, of Te Kuiti, Farmer : GREETING :

WHEREAS in respect of divers tracts or portions of Maori land now vested in certain Maori Land Boards under and subject to the provisions of Part XIV and Part XV of the Maori Land Act, 1931 (hereinafter referred to as the vested lands), leases have heretofore been granted which, amongst other things, confer upon the respective lessees, on the termination, by effluxion of time, of the leases or of any renewals thereof, rights to compensation for certain improvements put upon the lands during the continuance of the respective terms and which are in existence or which are unexhausted on the termination thereof :

And whereas, many of the leases of the vested lands being about to expire, doubts have arisen touching the efficacy and justice of the existing provisions of law and the provisions of the leases aforesaid so far as they relate to the ascertainment of the amount of compensation payable to the lessees, the manner in which the liability for compensation shall be discharged, and otherwise :

And whereas the Government desires inquiry to be made into the matters and questions hereinafter set forth to the end that what is right, just, reasonable, and equitable shall be done as well to the beneficial owners of the vested lands as to the lessees thereof :

Now know ye that We, reposing trust and confidence in your impartiality, knowledge, and ability, do hereby nominate, constitute and appoint you, the said

Sir Michael Myers,
Hubert Maxwell Christie, and
Richard Ormsby

to be a Commission—

(1) To inquire and report whether there should be any modification of, or alteration in, the existing provisions of law or of the terms of the leases so far as they concern or relate to—

- (a) The sort or character of the improvements in respect of which the lessees are entitled to compensation ;
- (b) The method of ascertaining the value of the improvements in respect of which the lessees are entitled to compensation ; and
- (c) The manner in which the liability for compensation for improvements shall be discharged :

(2) To inquire and report whether the incidence of the liability for compensation for improvements renders it necessary or desirable that the Maori Land Boards should be given, in respect of the vested lands, additional powers and authorities whether in relation to leasing or otherwise howsoever : and if it be reported that such additional powers and authorities should be so given, then to recommend, in detail, the nature and extent of such additional powers and authorities :

(3) Generally to inquire into and report upon such other matters arising out of the premises as may come to your notice in the course of your inquiries and which you consider should be investigated in connection therewith and upon any matters affecting the premises which you consider should be brought to the attention of the Government : and

(4) To make such proposals for the amendment of the law as you may think necessary or desirable for giving effect to any recommendations you may make on the matters and questions confided to you by these presents :

And We do hereby appoint you, the said

Sir Michael Myers

to be Chairman of the said Commission :

And for the better enabling you to carry these presents into effect, you are hereby authorized and empowered to make and conduct any inquiry under these presents at such times and places as you deem expedient, with power to adjourn from time to time and place to place as you think fit, and so that these presents shall continue in force, and the inquiry may at any time and place be resumed although not regularly adjourned from time to time or from place to place :

And you are hereby strictly charged and directed that you shall not at any time publish or otherwise disclose save to His Excellency the Governor-General, in pursuance of these presents or by His Excellency's direction, the contents of any report so made or to be made by you or any evidence or information obtained by you in the exercise of the powers hereby conferred upon you except such evidence or information as is received in the course of a sitting open to the public :

And you are hereby authorized to report your proceedings and findings under this Our Commission from time to time if you shall judge it expedient so to do :

And, using all due diligence, you are required to report to His Excellency the Governor-General in writing under your hands not later than the thirtieth day of June, one thousand nine hundred and fifty, your findings and opinions on the matters aforesaid, together with such recommendations as you think fit to make in respect thereof :

And, lastly, it is hereby declared that these presents are issued under the authority of the Letters Patent of His late Majesty dated

the eleventh day of May, one thousand nine hundred and seventeen, and under the authority of and subject to the provisions of the Commissions of Inquiry Act, 1908, and with the advice and consent of the Executive Council of the Dominion of New Zealand.

In witness whereof We have caused this Our Commission to be issued and the Seal of Our Dominion of New Zealand to be hereunto affixed at Wellington, this fourteenth day of November, in the year of our Lord one thousand nine hundred and forty-nine, and in the thirteenth year of Our Reign.

Witness Our Trusty and Well-beloved Sir Bernard Cyril Freyberg, on whom has been conferred the Victoria Cross, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Knight Commander of Our Most Honourable Order of the Bath, Knight Commander of Our Most Excellent Order of the British Empire, Companion of Our Distinguished Service Order, Lieutenant-General in Our Army, Governor-General and Commander-in-Chief in and over Our Dominion of New Zealand and its Dependencies, acting by and with the advice and consent of the Executive Council of the said Dominion.

[L.S.] B. C. FREYBERG, Governor-General.
