VALUERS REGISTRATION BOARD OF NEW ZEALAND

LIST OF PUBLIC VALUERS AS AT 31ST MARCH, 1950, AND EXPIRING 31ST DECEMBER, 1950

Explanation

Column 1.—This contains the name of each valuer who, at the 31st March, 1950, is the holder of an Annual Practising Certificate issued under section 35 of the Valuers Act, 1948. A valuer who is registered and makes valuations for members of the public is required to hold a current Annual Practising Certificate in order to retain the full rights of registration.

Column 2.—This gives the postal address, either business or residential, as on the application for the Annual Practising Certificate.

Column 3.—This shows the classification under which the Board has accepted the valuer's qualifications for registration. Valuing is classified only in the three main branches of rural, urban, or rural and urban. These classifications are outlined in section 20 of the Valuers Act, 1948, as follows:—

"20. (1) Every person entitled to be registered as a valuer under this Act whom the Board considers competent to value farm land only shall be registered as a rural valuer.

"(2) Every person so entitled whom the Board considers competent to value only land other than farm land shall be registered as an urban valuer.

"(3) Every person so entitled whom the Board considers competent to value both farm land and other land shall be entitled to be registered as both a rural valuer and an urban valuer."

Column 4.—This indicates the subsection of section 19 of the Valuers Act, 1948, under which the valuer has been registered. These subsections are:—

"19. (1) Every person who has attained the age of twenty-five years and who immediately before the commencement of this Act was a member of the New Zealand Institute of Valuers (Incorporated) shall be entitled to be registered under this Act, if he makes application for registration within three months after the commencement of this Act, and satisfies the Board that he is of good character and reputation and has had not less than three years' practical experience in New Zealand in the valuing of land.

"(2) Every other person who has attained the age of twenty-five years shall be entitled to be registered under this Act, if he satisfies the Board that he is of good character and reputation and—

"(a) That he holds a recognized certificate as defined in the next succeeding subsection and has had not less than three years' practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application; or

"(b) That he has passed an examination or examinations approved by the Board and has had not less than three years' practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application;

"Provided that the Board shall permit the registration of any other person who has attained the age of twenty-five years and who makes application for registration within one year after the commencement of this Act, and who satisfies the Board that he is of good character and reputation, that he has had three years' practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application, and is a fit and proper person to be registered as a valuer.

"(3) For the purpose of this subsection the term "a recognized certificate" means a certificate, diploma, degree, or licence granted by a university, college, board, or other authority (whether in New Zealand or elsewhere) and recognized by the Board as furnishing sufficient evidence of the possession by the holder thereof of the requisite knowledge of land valuing."

In the Supreme Court of New Zealand,
Wellington District
(Palmerston North Registry).

In the matter of the Companies Act, 1933, and in the matter of the MANAWATU MILK AND CREAM COMPANY, LIMITED (AND REDUCED), a private company duly incorporated, and whose registered office is situated at Palmerston North, in the Dominion of New Zealand.

NOTICE is hereby given that an Order of the Supreme Court of New Zealand dated the 7th day of March, 1950, confirming the reduction of capital of the above-named company from ten thousand two hundred and sixty pounds (£10,260) divided into 10,260 shares of one pound (£1) each to one thousand seven hundred and ten pounds (£1,710) divided into 1,710 shares of one pound (£1) each, and the minute approved by the Court showing in respect to the capital of the company, as altered, the several particulars required by the above-mentioned Act, was registered by the Registrar of Companies on the 26th day of April, 1950. The said minute is in the words and figures following :-

"The capital of the Manawatu Milk and Cream Company, Limited, is one thousand seven hundred and ten pounds (£1,710) divided into 1,710 shares of one pound (£1) each instead of ten thousand two hundred and sixty pounds (£10,260) divided into 10,260 shares of one pound (£1) each."

The reason for reduction of capital of the company so resolved and confirmed by the Court is that the capital is now unrepresented by available assets and is in excess of the requirements of the company.

The Court further ordered that in the special circumstances of the case the words "and reduced" be part of the title of the said company for a period of one month only, from the date of the above-mentioned order.
