107. Shunting Charges

Omit this regulation and substitute the following:—

107. Shunting Charges

The classified or local rates or haulage charges on goods for shipment cover the placing of the wagons containing such goods at the ship's side. Where a request is made to the Department, either before or after the wagons are placed at the ship's side, for the wagons to be sorted for a particular hold or port of discharge, and such sorting necessitates additional shunting work beyond that which would ordinarily be required to place such wagons at the ship's side, or where, owing to a ship moving to another berth, wagons which have already been placed at the ship's side require to be moved to the ship's side in its new berth, the additional service will be charged for at the rate of £2 12s. 9d. per hour; minimum charge 13s. 4d. for each service.

125. Miscellaneous

Add the following new paragraph:—

14. In any case where the nature or condition of any goods is such that the charges prescribed are insufficient to meet the costs incurred by the Department in the receipt, sorting, handling, or delivery of the same, the costs so incurred by the Department will be payable in lieu of the charges prescribed.

(3) Where delivery of any sugar is effected otherwise than over the counter or where the sale is not for cash, the maximum price of that sugar shall be the appropriate maximum price fixed by the foregoing provisions of this clause increased by $\frac{1}{4}$ d. per pound, provided that where both such conditions apply the appropriate maximum price shall not be increased by more than $\frac{1}{4}$ d. per pound.

(4) If in respect of any lot of sugar sold by a retail storekeeper the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of pence or halfpence, the maximum price of the lot shall be calculated to the next upward halfpenny.

8. Notwithstanding anything to the contrary in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by the company or by any distributor or by any retail storekeeper, may authorize special maximum prices in respect of any sugar to which this Order applies where special circumstances exist or for any reason extraordinary charges (transport or otherwise) are incurred by the company or by the distributor or by the retail storekeeper. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of sugar, or may relate generally to all sugar to which this Order applies sold by the company or by the distributor or by the retail storekeeper while the approval remains in force.

PROVISION WHEREBY CONTRACTS MAY BE MADE FOR SALE OF SUGAR AT PRICES EXCEEDING THE MAXIMUM PRICES FIXED BY THIS ORDER

Except with respect to sugar sold by a retail storekeeper, nothing contained in this Order shall be deemed to forbid the making or carrying out of a contract for the sale of any sugar to which this Order applies at a price exceeding the appropriate price fixed by this Order, provided such sale is made subject to the condition that if payment is made by prompt cash in accordance with the customary usage of the trade in the place of delivery the price shall be reduced to the appropriate price fixed by this Order.
