IN pursuance and exercise of the powers conferred by section 9 of the Main Highways Act, 1922, and by section 54 of the Transport Act, 1949, the Main Highways Board doth hereby make the following by-law in respect of that portion of the State Highway No. 47 (Rotorua-Waikaremoana) between the Lake House, Waikaremoana, and the Mataatua Road junction (approximately 40 chains on the Lake House side of Ruatahuna), and doth hereby declare that the said by-law shall come into force as from the publication of this notice in *Gazette*.

BY-LAWS

1. INTERPRETATION

(1) THESE by-laws may be cited as the Rotorua - Waikaremoana - Te Whaiti to Waikaremoana Heavy-traffic By-laws, 1951.

(2) These by-laws shall apply to that portion of the State Highway No. 47 (Rotorua-Waikaremoana) between the Lake House, Waikaremoana, and the Mataatua Road junction (approximately 40 chains on the Lake House side of Ruatahuna).

(3) In these by-laws, unless the context otherwise requires, words and phrases shall have the same meanings as are attributed to them in the Heavy Motor-vehicle Regulations 1950.

2. PROHIBITION OF CERTAIN CLASSES OF HEAVY TRAFFIC

No person shall operate or cause to be operated on, along, or over the said highway, any heavy motor-vehicle which has more than two axles or which when carrying the maximum load it is designed to carry bears on any axle a load greater than five tons, or which, together with its load, exceeds a total length of thirty feet, or which is drawing a trailer.

3. ASCERTAINMENT OF OFFENDERS

(1) Any authorized person, or police officer, may call upon the driver of any heavy motor-vehicle to stop his vehicle if it is considered that such vehicle or its load does not comply with the requirements of these by-laws.

(2) If any such driver shall fail immediately to stop his vehicle when called upon as aforesaid he shall be guilty of an offence against these by-laws.

(3) Any driver of any vehicle who does not or is challenged with having not complied with the requirements of these by-laws shall on the request of any authorized person or police officer, give information as to his name and address, and any other particulars required as to his identification and the name and address and other particulars of the owner of the vehicle.

(4) If such driver shall refuse to give any of the information required to be given by him in pursuance of these by-laws or shall give false information or shall withhold information so as to create a false impression, he shall be guilty of an offence against these by-laws.

(5) Any other person who, on the request of any authorized person or police officer, shall fail when required to give information which is in the power of such person to give, and which relates to any breach or alleged breach of these by-laws, shall be guilty of an offence against these by-laws.

4. OFFENCES AND PENALTY

(1) Every person who does, or causes or procures to be done anything contrary to or otherwise than is provided by these by-laws, or who shall omit to do anything therein required to be done by him, shall be guilty of an offence.

(2) Every person guilty of an offence against these by-laws shall be liable for each such offence to a fine not exceeding £10 (ten pounds).

The foregoing by-laws were made by a resolution duly passed at a meeting of the Main Highways Board held at Wellington on the 21st day of February, 1951.

In witness whereof the common seal of the Main Highways Board is hereunto affixed, this 29th day of March, 1951, in the presence of—

*The Standards Act, 1941.—Draft New Zealand Standard Specification*

D. 3703.—Draft Amendments to Part IX (Light Timber Construction) of the Code of Building Bylaws (N.Z.S.S. 95).

NOTICE is hereby given that the above draft New Zealand Standard Specification is now being circulated to affected interests for consideration and comment. The closing date fixed for such comment is the 4th May, 1951.

All persons who may be affected by this specification once it has been declared a Standard Specification by the Minister of Industries and Commerce may, at any time before the closing date for comments, obtain, on application, free copies from the New Zealand Standards Institute, Hamilton Chambers, 201 Lambton Quay, Wellington, so as to have an opportunity to consider the draft and to comment thereon to the Standards Council or to an appropriate committee of the Council in accordance with subsection (3) of section 8 of the Standards Act, 1941.

R. T. WRIGHT,  
Executive Officer, Standards Council.

Board of Trade, Wellington, 11th April, 1951.

NOTICE is hereby given—

- (a) That the Board of Trade proposes to consider the question of recommending the exemption from import licensing in respect of goods from other than scheduled countries comprised in 200 items (List No. 2) as set out in the 1951 Import Licensing Schedule ;
- (b) That persons, firms, or organizations considering themselves or their members likely to be materially affected by the exemption from licensing of any particular item, and desirous of lodging an objection thereto, must do so in writing by sending five copies of the statement of objection addressed to the undersigned so as to reach him on or before 25th May, 1951 ; and
- (c) That the fact that no objection is lodged against the removal of import licensing in respect of any particular item will not prejudice the right of any person, firm, or organization to represent to the Board at a later date that the rates of tariff duty on that item should be reviewed.

List No. 2 includes a wide range of goods, many of which are of a kind made in New Zealand. This notice does not justify any assumption that any item in the list will be exempted from the need for a licence or that any goods comprised in such list which are ordered without a licence will be permitted to be imported. Copies of the list may be obtained on and after Tuesday, 17th April, from Collectors of Customs, Offices of the Department of Industries and Commerce, or direct from the undersigned.

Board of Trade, G.P.O. Box 494, Wellington.

R. F. WILSON, Acting Secretary.

## REVIEW OF IMPORT LICENSING.—LIST No. 2

## Preliminary Notes

1. Five copies of the statement of objection are required. The statement should show concisely the principal grounds for objection to de-control. It should be framed in numbered paragraphs.
2. Where objection is made to any item, the objection must be set out in detail against that item even though it may involve repetition.
3. Each statement of objection should be headed with the reference number, tariff item number, and brief description of the item, *e.g.* :—

No. 155 T.I. 27 Biscuits, other kinds.

4. It is desired that wherever possible statements of objection should be made by national trade associations, but such statement in respect of any item will not preclude consideration of representations from any person or firm writing direct to the Board.

5. If any person, firm, or organization is in doubt as to whether particular goods are classified within any of the items in the list, inquiry should be made of the local Collector of Customs.
