Provided that where any woolpacks to which this paragraph applies are obtained by the retailer elsewhere than from such one of the said ports as is most convenient of access to his store, the increase authorized by this paragraph shall not exceed the appropriate proportion of the freight charges that would have been incurred by the retailer if the woolpacks had been obtained from that port and if delivery had been effected at current freight rates.

(2) The maximum prices fixed by the last preceding subclause are fixed as for delivery f.o.r. or f.o.b. as the case may require.

(3) Where any woolpacks are delivered by a retailer otherwise than f.o.r. or f.o.b. the price that may be charged by the retailer shall be the appropriate price in terms of the foregoing provisions of this clause increased by the amount of the freight charges incurred by him in effecting delivery and then reduced by the amount of those charges that would have been incurred by him if he had delivered the woolpacks f.o.r. or f.o.b. as aforesaid.

(4) Any freight charges imposed by a retailer pursuant to the foregoing provisions of this clause shall be shown separately on the appropriate invoice.

5. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorize special maximum retail prices in respect of any woolpacks to which this Order applies where special circumstances exist or, for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of woolpacks or may relate generally to all woolpacks to which this Order applies sold by the retailer while the approval remains in force.

Dated at Wellington, this 18th day of October 1951.

The Seal of the Price Tribunal was affixed hereto in the presence of—

[L.S.] G. LAURENCE, Presiding Member.

(4) The maximum prices fixed as aforesaid are fixed as for delivery by the vendor free-on-board or free-on-rail at the port or railway-station (as the case may be) that is nearest or most convenient of access to the vendor's premises.

(5) Where any sacks or bags to which this Order applies are delivered by a vendor otherwise than free-on-board or free-on-rail as aforesaid, the maximum price that may be charged by the vendor shall be the maximum price fixed as aforesaid, increased by any transport charges incurred by the vendor in effecting delivery and then reduced by the amount of the transport charges that would have been incurred if he had delivered the sacks or bags free-on-board or free-on-rail as aforesaid.

6. Subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any person concerned, may authorize special prices or margins of profit in respect of any sacks or bags to which this Order applies where special circumstances exist, or for any reason extraordinary charges (freight or otherwise) are incurred. - (i) Sea-freight charges:
- (ii) Marine and war-risk insurance charges computed as if the value of the sugar was the price charged by the distributor in accordance with this Order:

in the last preceding subclause shall be the appropriate price fixed by that subclause increased by the appropriate proportion of any transport-costs incurred by the retail storekeeper in respect of the transport of the sugar from the premises of the distributor to the premises of the storekeeper: Provided that nothing in this subclause shall be construed to authorize the addition of any amount in excess of the appropriate proportion of the transport-costs that would have been incurred if the sugar had been purchased from a distributor in such one of the places specified in the last preceding subclause that is nearest or most convenient of access to the premises of the retail storekeeper, and been conveyed to the storekeeper by the most economical route normally available at a cost not exceeding the cost that would have been incurred if delivery had been effected by a common carrier at current rates.

(3) Where delivery of any sugar is effected otherwise than over the counter or where the sale is not for cash, the maximum price of that sugar shall be the appropriate maximum price fixed by the foregoing provisions of this clause increased by ¼d. per pound, provided that where both such conditions apply the appropriate maximum price shall not be increased by more than ¼d. per pound.

(4) If in respect of any lot of sugar sold by a retail storekeeper the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of pence or halfpence, the maximum price of the lot shall be calculated to the next upward halfpenny.

PROVISION FOR SPECIAL PRICES

8. Notwithstanding anything to the contrary in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by the company or by any distributor or by any retail storekeeper, may authorize special maximum prices in respect of any sugar to which this Order applies where special circumstances exist or for any reason extraordinary charges (transport or otherwise) are incurred by the company or by the distributor or by the retail storekeeper. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of sugar, or may relate generally to all sugar to which this Order applies sold by the company or by the distributor or by the retail storekeeper while the approval remains in force.

PROVISION WHEREBY CONTRACTS MAY BE MADE FOR SALE OF SUGAR AT PRICES EXCEEDING THE MAXIMUM PRICES FIXED BY THIS ORDER

9. Except with respect to sugar sold by a retail storekeeper, nothing contained in this Order shall be deemed to forbid the making or carrying out of a contract for the sale of any sugar to which this Order applies at a price exceeding the appropriate price fixed by this Order, provided such sale is made subject to the condition that if payment is made by prompt cash in accordance with the customary usage of the trade in the place of delivery the price shall be reduced to the appropriate price fixed by this Order.

PROVISION FOR ADDITIONAL CHARGES WITH RESPECT TO CERTAIN CONTAINERS

10. (1) The several prices fixed by the foregoing provisions of this Order may be increased by an additional charge in respect of containers as follows:—
