APPLICATION OF THIS ORDER

4. (1) This Order applies only with respect to Cheddar cheese that is sold by a retailer within four months after the date of its manufacture.  
(2) For the purposes of this clause the date of the manufacture of any cheese shall be deemed to be the date indicated on the cheese in accordance with the requirements of the Dairy-produce Regulations 1938†.

(3) Every person who sells any Cheddar cheese by retail (whatever the age of such cheese) shall keep, for a period of not less than four months, a record showing the date of the delivery of the cheese to the retailer, and also—

Provided that where any cheese to which this paragraph applies is obtained by the retailer from a source of supply that is not the most convenient of access to the retailer's store, the increase of the price per pound authorized by this paragraph shall not exceed the appropriate proportion of the freight charges that would have been incurred by the retailer if the cheese had been obtained from the source of supply most convenient of access to his store, and if delivery had been effected by a common carrier at current freight rates.

- (2) Where the quantity of cheese sold by a retailer in any one transaction is not an exact number of pounds, the maximum price shall be computed at the rate per pound fixed in accordance with the last preceding subclause.

## TOTALIZATOR AGENCY BOARD

## RULES RELATING TO INVESTMENTS AT OR THROUGH TOTALIZATOR AGENCIES

BY a resolution passed on the 18th day of October 1951 the Totalizator Agency Board, pursuant to the authority and for the purposes given by section 7 (1) (d) of the Gaming Amendment Act 1949, made the following rules:—

**1. Interpretation**

In these rules, if not otherwise inconsistent with the context:—

“ Totalizator agency ” means any office, sub-office, or individual agency established by the Board pursuant to Part III, clause 2, of the approved scheme at which investments are received direct from the public, and includes any district office or the Head Office of the Board during such time as such office is being used to receive investments direct from the public;

“ The approved scheme ” means the scheme for the establishment and operation of totalizator agencies in respect of race meetings as was approved by the Minister of Internal Affairs on the 20th day of September 1950, and any amendments or modifications thereto duly approved;

“ The Board ” means the Totalizator Agency Board established by the Gaming Amendment Act 1949;

“ The club ” means a racing or a trotting club;

“ Course ” means the place where a race meeting is held;

“ Race meeting ” means any race meeting in New Zealand at which the totalizator is operated and includes trotting;

“ Rules of Racing ” means the New Zealand Rules of Racing and includes the New Zealand Rules of Trotting.

**2. Purpose of Rules**

The purpose of these rules is to supplement the operation of the approved scheme by making provision for the conditions under which investments will be accepted at or through totalizator agencies and for other matters incidental to the operation of the approved scheme at totalizator agencies.

Relevant clauses of the approved scheme in so far as such clauses relate to the conditions under which investments will be accepted at or through totalizator agencies, together with a copy of these rules, shall be exhibited in each totalizator agency in a position readily accessible to the public.

**3. Commencement and Application of These Rules**

These rules shall come into operation on the 1st day of November 1951, as from which date the rules made by the Board on the 15 March, 18 April, and 15 June 1951, shall be deemed to be revoked. Provided, however, that any matter which had originated under the said rules hereby revoked shall enure for the purpose of these rules as fully and effectually as if it had originated under these rules.

These rules shall apply to all persons investing or attempting to invest at or through any totalizator agency declared by the Board to be open for receiving investments direct from the public for transmission to the course.

**4. General Conditions Relating to Investments At or Through Totalizator Agencies**

(a) *Persons Bound by the Approved Scheme.*—Any person making an investment or attempting to make an investment at or through a totalizator agency shall be deemed to accept and be bound by the relevant provisions of the approved scheme.

(b) *Persons Bound by Rules of Racing.*—Any person making an investment at or through a totalizator agency shall be deemed to accept and be bound by the rules of racing relating directly or indirectly to entries for and the running of races, the powers of the stewards or committee of the club holding the race meeting in respect of which the investment is made, and the calculation of dividends.

(c) *Prohibited Persons may not Invest.*—No person who is prohibited from entering upon the premises of a totalizator agency by virtue of regulations made under section 7 (2) of the Gaming Amendment Act 1949, may himself, or through his agent, invest at or through a totalizator agency, and no person acting in breach of this rule shall be entitled to a refund of any amount paid by him or to any dividend which otherwise would be payable thereon.

(d) *Unit of Investment.*—The unit of investment for win and place betting shall be 10s. and for doubles betting 5s.

(e) *Dividends.*—The dividend for a 10s. investment will be that declared on the totalizator for 10s. The dividend for a 5s. investment shall be a quarter of the dividend declared on the totalizator for £1, except that no fraction of a shilling shall be paid unless such fraction exceeds 6d., in which case 6d. shall be paid.

(f) *Brackets and Alterations Thereto.*—Subject to the special provisions of rule 11B relating to investments on the doubles totalizator, in so far as they may apply, then:—

(i) In the case of horses bracketed on the totalizator, an investment on any one of such horses will be invested on the totalizator number of such bracket.

(ii) If a horse in such bracket is scratched, the investment shall remain on the horse or horses remaining in the said bracket.

(iii) Investments on a horse which was not bracketed, and is at any time included in a bracket, shall be invested on that bracket.

(iv) Where all the horses in a bracket or the remaining horse or all the remaining horses, if some are scratched from a bracket, are at any time included in one other bracket, then the investments on all horses in the original bracket shall be invested on such other bracket.

(v) (a) Where a change is made so that a horse or horses in a bracket are at any time included in another bracket or brackets or allotted separate numbers on the totalizator, whether or not a horse remains under the number of the original bracket or any other similar change not otherwise provided, then all investments on all the horses in the original bracket received at any totalizator agency before such change in bracketing or numbering is notified to such agency shall be refunded.

(b) Where such change is made in respect of the second race of the double in such circumstances as precluded the withdrawal of the investment on the starters in the first race coupled with the horse or horses concerned in the second race, the investment will be transferred to the favourite as established in rule 11B, regardless of the fact that the horses concerned in the change take part in the race.

(g) *Rejection of Investments.*—The senior officer on duty at any totalizator agency, unless otherwise directed by the Board or the General Manager of the Board, shall be entitled to reject at any time and without giving any reason therefor part or all of any investment.

(h) *Refund of Investments.*—(i) *Scratchings.* Subject to the provisions of rule 11 hereof relating to investments on the double totalizator, in any case where a refund is payable to investors on the course in respect of a horse which has been scratched, a corresponding refund will be made to investors off-course in a manner similar to the payment or crediting of dividends.

(ii) *Transmission Failures.* In any case where investments are not transmitted to the course and recorded on the totalizator for reasons beyond the reasonable control of the Board, the only obligation upon the Board will be to refund the amount so invested.

(i) *Minors.*—No investments by or on behalf of persons under the age of twenty-one (21) years will be accepted.

(j) *Race Meetings for Which Investments Will be Accepted.*—Investments at or through any totalizator agency will be accepted only for such race meetings or races as the Board from time to time shall direct in respect of any such totalizator agency.

(k) *Investments Received on Meetings Subsequently Postponed.*—(i) All investments received in respect of a race meeting which is postponed to a later date will be retained by the Board and will be invested on that later date in accordance with the original instructions.

(ii) No refund of such investments will be made unless application is received at the office of the totalizator agency, where the investment was made, not later than the time which is there specified as the closing time for the race concerned on such later date.

(iii) In the event of a race meeting being abandoned all investments will be refunded.

(l) *Method of Investing.*—Investments will be accepted by cash payment at a totalizator agency, or by telephone or postal instructions against a deposit previously established at a totalizator agency or dividends credited to such deposit, or by postal instructions accompanied by a cash remittance.

No investments or instructions by telegraph will be accepted under any circumstances.

**5. Provisions Relating to Investments by Cash**

(a) Cash investments will be accepted only during the hours advertised at each totalizator agency for the acceptance of such investments, but the officer in charge of such totalizator agency may declare at any time that the office is closed for receiving cash investments.

(b) Only bank-notes or coins will be accepted.

(c) Before an investment will be accepted the investor must indicate clearly the race meeting, the race, the horse or horses, the amount of the investment, and whether for win, place, or double.

(d) On acceptance of the investment, investors will be issued with a written or printed ticket which must be presented at time of claiming dividend.

(e) Tickets will show the amount invested in pounds and/or in fractions and/or in shillings for win and/or place or a double, and may show the total amount invested.

Tickets will be printed, written, stamped, punched, or marked to show the code letters or abbreviation designated for the race meeting concerned, the date or week designated for such meeting, the number of the race concerned other than for a double, and the code number allocated by the totalizator agency to the horse or horses on which the investment is made.

(f) Notices shall be exhibited at all totalizator agencies showing the horses known to be accepted for those race meetings for which the Board will be receiving investments, the date and code letter or abbreviation of each such race meeting, the number of races and the code numbers allotted to the horses therein, including known brackets, and stating how code letters and numbers are indicated on the tickets.

(g) If an investor is issued with a ticket:—

- (i) Recording an investment other than the one he intended to make;
- (ii) Where the recording of the investment is such that it could be attributed as an investment on more than one meeting or race or horse number or, in the case of a doubles investment, on more than two horse numbers; or
- (iii) On which the recording of particulars is incomplete,—

any application to rectify the error must be made by the investor immediately.

If, in the case of a wrong investment as is referred to in subclause (i) hereof, the investor does not rectify the error immediately, he shall be deemed to accept the ticket as issued.

If, in either of the cases referred to in subclauses (ii) and (iii) hereof, the error is not rectified immediately, the investor will be entitled only to a refund of the amount invested subject always to the provisions of clause (h) hereof.

The investor is responsible to have corrected any errors which he considers appear on the ticket issued to him.

(h) Any ticket, when presented for a dividend or refund or for the correction of an alleged error, may be rejected without any payment made thereon if it has been altered or defaced.

#### 6. Payment of Dividends and Refunds in Respect of Cash Investments

(a) No dividend will be paid on the day of the race concerned.

Refunds may be paid at any time when the totalizator agency at which the investment was made is open for business, but the officer in charge of such agency may declare at any time that refunds due in respect of any race meeting or race shall be payable at the same time as when dividends for such meeting or race are payable.

(b) There shall be displayed in every totalizator agency from time to time the earliest date and the hours when dividends and refunds will be payable.

Thereafter dividends will be payable at the totalizator agency from which the ticket was issued during the notified hours for a period of four weeks from the date of the meeting concerned.

(c) Payment will be made on production of the ticket and will be in cash or may, at the option of the Board, be in cash or by cheque.

(d) Dividends and refunds not claimed or paid within the period of four weeks as aforesaid may be claimed on written application to the totalizator agency from which the ticket was issued, supported by the ticket. No claim will be accepted later than three months from the advertised date of payment.

#### 7. Provisions Relating to Investments by Telephone

##### A. General

(i) Investments by telephone will be accepted at such totalizator agencies as may be nominated by the Board for that purpose and only against a credit deposit previously established at such agency or against dividends credited to such deposit.

(ii) The minimum deposit is £2. Deposits in excess of this sum must be in complete pounds.

(iii) The senior officer in charge may refuse to accept any deposit or, having accepted such, may refund the deposit or any balance thereof. He may restrict acceptance of deposits or telephone instructions to those received from persons connected to particular telephone exchanges.

(iv) Subject to the special provisions relating to doubles investments, investments or the cancellation of investments may be made by telephone at any time during the business hours of the totalizator agency up to the published closing time of the agency for the race concerned.

(iii) Payments will be made by cheque or otherwise at the discretion of the senior officer in charge.

#### 8. Provisions Applicable Where Error is Made in the Giving or Recording of Telephone Investments

##### “ Telephone Investments

“(a) Where the Error Results in an Incorrect Investment Being Made:—

“ *Prima facie* the investment will be deemed to be that which is recorded so that the investor shall suffer the loss or receive the benefit as the case may be.

“ Where, however, the error results in a loss to the investor and the Board, on the application of the investor, is satisfied that the error resulted from negligence by any of its servants, the Board will refund the amount invested but shall not be liable for any dividends payable if the required investment had been made. Application for a refund must be made promptly after notice of the error is received or deemed to be received by the investor. Further particulars will be the subject of rules of the Board.

“ Notwithstanding the foregoing, the Board shall have a discretion to pay part or all of the dividend which would have been due but for the error.

“(b) Where the Error Results in no Investment Being Made:—

“ If no debit has been recorded against the investor's deposit, the investor will have no claim upon the Board.

“ If the debit has been recorded against the investor's deposit and the Board is satisfied that the amount has not been included in the total transmitted to the district office for the race concerned, the investor will be entitled to a refund but to no other payment unless the Board, as its sole discretion, shall direct payment to the investor of part or all of the dividend which would have been due but for the error.

#### 9. Special Conditions Applicable to Telephone Investments

(a) Neither the Board nor any servant or agent of the Board shall be responsible for any loss arising from the unauthorized use of a depositor's account.

(vii) The Board shall not be bound to acknowledge receipt of or compliance with instructions for an investment.

#### C. Payment of Dividends and Refunds

(i) Dividends, refunds, and remittances in respect of depositors' accounts will be paid at the option of the Board by cheque, bank draft, bank transfer, bank-note, postal note, or money-order posted to the address given on the original instructions relating to the investment or deposit in respect of which the dividend or refund or remittance is payable. Posting the remittance shall be deemed delivery to the investor.

(iii) Remittances will be posted on the earliest convenient day next after the day on which the race in respect of which the dividend is payable has been run, except in respect of remittances in respect of depositors' accounts.

(iv) The Board shall not be bound to submit a statement of account when forwarding any remittance.

(v) If in any case the Board is in doubt to whom or to what address any refund or other remittance from the Board should be sent, the Board shall retain the amount payable and the person who claims to be entitled thereto must apply in writing or, if so required, in person to the totalizer agency to which the investment was sent and submit proof to the satisfaction of the Board of his right to the amount held by the Board.

(vi) Any investor or depositor who claims that he has not received the full dividend to which he is entitled, or who alleges that there is an inaccurate entry in his deposit statement, must apply in writing to the totalizer agency where the investment was made within four weeks of the day on which the race concerned was run, and the application must be accompanied by all relevant information supporting the claim. The senior officer on duty at the totalizer agency will then notify the investor of the decision regarding the claim. If the investor is dissatisfied with the decision, he may within four weeks of receiving the decision of the senior officer submit his claim in writing to the Head Office of the Board with all relevant information supporting it. The decision of the Board shall be final.

(vii) Where an investment or deposit has not been accepted, a refund of the amount of the remittance may be effected at the discretion of the Board by return of the remittance instrument enclosed by the investor.

#### D. Additional Provisions Relating to Deposits for Postal Investments

(i) The minimum deposit is £10.

(ii) In the absence of written instructions as to the balance to be retained to the credit of the depositor, settlement of the amount due to the depositor, including any balance of his original deposit, will be retained pending receipt of written instructions or remitted to the depositor at the discretion of the senior officer in charge.

(iii) Neither the Board nor any servant or agent of the Board shall be responsible for any loss arising from the unauthorized use of a depositor's account.

(iv) Dividends and refunds will be credited to depositors' accounts as soon as practicable after the results are known. Investments for subsequent race meetings requiring the use of dividends or refunds from previous race meetings will be accepted, provided the dividends from such previous race meetings have been credited before the advertised closing time for the acceptance of postal investments for such subsequent race meetings.

### 11. Special Provisions Relating to Doubles Betting

#### A. General

(i) Any person making an investment at or with a totalizer agency shall be deemed to accept, subject to any necessary modification in regard to investments off the course, the regulations for the operations of the doubles totalizer on the course adopted by the New Zealand Racing Conference and the New Zealand Trotting Conference respectively and for the time being in force.

(ii) Every person intending to invest on the doubles totalizer is required, at the time of making such investment, to nominate the starter he selects for both the first and the second race of the prescribed double. In addition, he must give the information as to the race meeting, amount invested, and other matters required in making cash or telephone investments for win or place.

(iii) Dividends will be paid or credited to the investor in the same manner as any investments by cash or by telephone or by post.

(iv) No investments on the doubles totalizer will be accepted prior to the publication of acceptances.

#### B. Provisions Resulting from the Scratching or Withdrawal of Horses Nominated for a Double

(i) *Where Horse in First Race of the Double is Scratched or Withdrawn:—*

(a) If a horse, including a bracketed horse, is scratched or withdrawn from the first race, the investor may at his option nominate a substitute or accept a refund, at the totalizer agency where the investment was made, up to fifteen minutes before the advertised time of closing for the receipt of investments for the double.

(b) Where a horse is scratched or withdrawn at any time from the first race and the investor has not substituted another horse, the investor will be entitled to a refund, except in the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) *Where Horse in Second Race of the Double is Scratched or Withdrawn:—*

(a) If a horse, including a bracketed horse, is scratched or withdrawn from the second race, the investor may, at the totalizer agency where the investment was made, at his option accept a refund up to fifteen minutes before the advertised time of closing for the receipt of investments for the double, or nominate a substitute up to fifteen minutes before the advertised starting time for the first race.

(b) Where a horse, which is bracketed with a horse that starts, is scratched or withdrawn from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid, then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

(c) Where a horse, which is not bracketed with a horse that starts, is scratched or withdrawn from the second race at any time and the investor has not accepted a refund or substituted another horse, the Board will substitute for the scratched or withdrawn horse the favourite for such race, as determined by that part of the double investments received by the Board for starters in the second race which were coupled with the winner of the first race and ascertained after the time of closing for receipt and substitution of investments for such double and as recorded before this adjustment takes place.

"Favourite" as determined in the foregoing may be a horse or those horses included in a bracket to which a separate number is allotted on the totalizer.

(d) *Board's Substitution in Second Race Where Two or More Horses are Equal Favourites.*—In the event of two or more horses being equally determined as favourites in the second race in accordance with clause (ii) (c) hereof, the favourite for the purpose of such clause will be the equal favourite first appearing in the list of runners in the totalizer records for that race at the time this adjustment takes place.

(e) *Board's Substitution in Second Race Where Investment on Scratched or Withdrawn Horse is only Investment for that Race.*—In the event of the scratched or withdrawn horse being the only horse in the second race for which the Board has received doubles investments which were coupled with the winner of the first race, then the horse next above the scratched or withdrawn horse in the totalizer records for such race will be substituted for that scratched or withdrawn horse, and if there is not a horse next above in that race, the horse next below the scratched or withdrawn horse in the totalizer records for such race will be substituted for the scratched or withdrawn horse.

(f) *Substitution of Chosen Favourite to be Final.*—For the purpose of this rule, the decision made by the official of the Board as to which horse shall be substituted for a scratched or withdrawn horse in the second race shall be binding upon the Board and upon the investor.

(g) *Brackets.*—The foregoing provisions shall apply with any necessary modifications where other horse or all horses included in any brackets are also scratched or withdrawn.

(h) *Method of Substitution or Cancellation.*—(i) Investments made by telephone may be substituted or cancelled by telephone or in person.

(ii) Investments by cash may be substituted or cancelled only in person on presentation and exchange of the original ticket issued.

(iii) Investments made by post may *not* be substituted or cancelled at any time.

**12. Closing Time for Investments**

In each totalizator agency there will be displayed a list indicating the closing times for acceptance of investments at that agency for all races at all race meetings in respect of which investments may be accepted.

The above-mentioned rules were made by resolution of the Board on the 18th day of October 1951, and in certification thereof the common seal of the Totalizator Agency Board was hereunto affixed on the 18th day of October 1951, in the presence of:—
