PURSUANT to the Control of Prices Act 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, hereby makes the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 1343, and shall come into force on the 8th day of February 1952.

2. (1) Price Orders Nos. 1250* and 1283† are hereby revoked.

(2) The revocation of the said Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) In this Order, unless the context otherwise requires,—

"The said Act" means the Control of Prices Act 1947:

"Honey in the comb" means either—

(a) Honey sold in standard sections; or

(b) Cut comb honey—that is, honey containing no visible traces of stored pollen or other impurities stored in clean new combs that have not been used at any time for brood-rearing purposes:

"Packer" means a wholesaler who sells to another wholesaler honey packed in retail containers, and includes a producer who sells to a wholesaler honey packed in retail containers as aforesaid:

"Producer" means a beekeeper whose apiary is registered pursuant to the Apiaries Act, 1927:

"Retail container" means a jar, carton, or tin supplied by the vendor of the honey and containing not more than 10 lb. net weight of honey:

"Standard case" means a case or other outer container containing in the aggregate approximately 60 lb. of honey packed in retail containers:

"Wholesale free delivery area" means any area within which any wholesaler normally undertakes the free delivery of goods to retailers.

(2) Terms and expressions defined in the said Act when used in this Order have the meanings severally assigned thereto by that Act, unless the context otherwise requires.

4. For the purpose of this Order, and notwithstanding anything to the contrary in the said Act, any person who sells by retail to any one purchaser for delivery at any one time not less than two standard case lots of honey shall, in respect of the sale, be deemed to be a wholesaler, and the provisions of this Order as to maximum wholesale prices shall apply accordingly with respect to every such sale.

5. The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.

FIXING MAXIMUM PRICES FOR HONEY SOLD IN RETAIL CONTAINERS

6. (1) Subject to the following provisions of this clause and of clauses 9 and 10 hereof, the maximum price that may be charged or received for honey packed in retail containers of the kinds described in the first column of the Schedule hereto shall be the appropriate price fixed in the second, third, or fourth column of that Schedule.

(2) Where the quantity of honey sold by a packer to a wholesaler or to a retailer in any one transaction is six standard case lots or more the cost involved in effecting delivery to the port (where carriage by sea is entailed) or railway station (where carriage by sea is not entailed) that is nearest or most convenient of access to the wholesaler's or to the retailer's place of business shall be borne by the packer.

(3) The maximum prices fixed in the fourth column of the Schedule hereto are fixed in respect of supplies of honey available to the retailer free of freight charges for delivery at his store from any source whatever.

(4) Where supplies of honey are delivered to a retailer (other than a retailer situate within a wholesale free delivery area) otherwise than free of freight charges as aforesaid the price that may be charged by the retailer shall be the appropriate price fixed as aforesaid, increased by a proportionate part of the freight charges incurred by him in obtaining delivery: Provided that the amount added to the price in respect of freight, pursuant to this subclause, shall not in any case exceed ¼d. per pound.

(5) The several prices fixed by this clause include the price of the containers.
