- (2) Terms and expressions defined in the said Act, when used in this Order, have the meanings severally assigned thereto by that Act.
- (3) The several prices, allowances, and margins of profit fixed by this Order shall apply with respect to sales by auction as well as to other sales.

3. Subject to any general or specific directions that may be given by or on behalf of the Tribunal, any expenses that are reasonably incurred by a distributor, wholesaler, or retailer in undertaking the transport of any potatoes at his own expense, not exceeding in any case the cost that would have been incurred by him if delivery had been effected by a common carrier at current freight rates, may be regarded for the purposes of this Order as if they were transport charges paid by him, and the maximum price of the potatoes shall be determined accordingly.

4. (1) The maximum price that may be charged or received for the sacks in which any lot of potatoes to which this Order applies are packed shall be computed as follows:—

For cornsacks of a size 48 in. by 26½ in., 46 in. by 26½ in., 44 in. by 26½ in., 46 in. by 23 in., or 41 in. by 23 in.: At the rate of 10s. per ton of potatoes:

(2) If in any sample of one hundred potatoes taken at random from any lot of certified seed potatoes more than eight of those potatoes fail to comply with the standard prescribed by the last preceding subclause, none of the potatoes comprised in the lot shall be deemed to be “standard-sized”.

(3) Except as provided in the last preceding subclause all certified seed potatoes shall for the purposes of this Order be deemed to be “standard-sized”.

Growers' Actual Prices for “Standard-sized” Certified Seed Potatoes

7. (1) The actual price (f.o.r.s.e. a railway-station in the South Island), to be charged by any grower for any “standard-sized” certified seed potatoes to which this Order applies shall be determined in accordance with the scale set forth in the Schedule hereto.

(2) Where any such potatoes are delivered by the grower otherwise than f.o.r.s.e. a railway-station in the South Island, the actual price to be charged by the grower may be increased by the charges (if any) incurred by the grower in effecting delivery, and then reduced by the charges that would have been incurred by the grower if delivery had been effected by a common carrier at current freight rates to the railway-station that is nearest or most convenient of access to the grower's premises.

Growers' Maximum Prices for Certified Seed Potatoes that are Not “Standard-sized”

8. The maximum price that may be charged by any grower for any certified seed potatoes to which this Order applies that are not “standard-sized” shall be the price that would have been the actual price of those potatoes if they had in fact been “standard-sized.”

Specifications of f.a.q. Uncertified Seed Potatoes

9. For the purposes of this Order uncertified seed potatoes shall be deemed to be f.a.q. or under-grade, as the case may be, in accordance with the following rules:—

(a) *Rule as to Size.*—Uncertified seed potatoes that are less than 2 oz. in weight shall be deemed to be under-grade.

(b) *Rule as to Quality.*—If in any lot of uncertified seed potatoes more than 6 per cent. by weight of the lot is affected by dry or wet rots (including late blight or frost damage), or by scab, or by second growth or other defects, or if the lot is not reasonably free from earth or from sprouts, all the potatoes in the lot shall be deemed to be under-grade.

(c) Uncertified seed potatoes that are not under-grade in accordance with paragraph (a) or paragraph (b) hereof shall be deemed to be f.a.q.

Growers' Maximum Prices for Uncertified Seed Potatoes

10. (1) The maximum price (f.o.r.s.e. a railway-station in the South Island) that may be charged by any grower for any f.a.q. uncertified seed potatoes to which this Order applies shall be determined in accordance with the scale set forth in the Schedule hereto.

(2) Where any potatoes to which this clause applies are delivered by the grower otherwise than f.o.r.s.e. a railway-station in the South Island, the maximum price that may be charged by the grower may be increased by the charges (if any) incurred by the grower in effecting delivery, and then reduced by the charges that would have been incurred by the grower if delivery had been effected by a common carrier at current freight rates to the railway-station that is nearest or most convenient of access to the grower's premises.

11. (1) Subject to the provisions of the next succeeding clause, the price (sacks included) that may be charged by any distributor for any seed potatoes to which this Order applies shall not exceed the sum of the following amounts:—

- (a) The price actually paid or payable to the grower by the same or any other distributor for the potatoes and for the sacks, but not exceeding the maximum price fixed by the foregoing provisions of this Order:

- (d) Any disbursements actually incurred by the same or any other distributor by way of brokerage, not exceeding in the aggregate 2½ per cent of the sum of the amounts specified in paragraphs (a), (b), and (c) hereof.

(2) Notwithstanding anything to the contrary in this Order, the provisions of this clause as to the computation of distributors' prices shall apply with respect to every sale by a person who is ordinarily engaged in business as a distributor to a person who is ordinarily engaged in business as a wholesaler, notwithstanding that in any such case the purchaser may sell by way of retail any potatoes acquired by him from the distributor.

12. Where any wholesaler who does not normally carry on business as a distributor sells any potatoes to another wholesaler (thus becoming a distributor in respect of that transaction), the price to be charged by the vendor may exceed the maximum price determined in accordance with the last preceding clause by such amount as may be mutually agreed upon by the parties to the transaction: Provided that in any case the maximum price that may be charged by the purchasing wholesaler in accordance with the next succeeding clause shall be determined as if he had bought those potatoes at the price paid by the wholesaler from whom he bought them.

- (d) An amount computed at the rate of £2 5s. a ton (in respect of seed potatoes sold in lots exceeding 1 cwt., but less than a ton), and computed at the rate of £1 10s. a ton for lots of 1 ton or more.

(2) Where any potatoes to which this Order applies are sold by any wholesaler or retailer in lots of 7 lb., or 14 lb., or 28 lb., or 56 lb., or 112 lb., the price (inclusive of the price of the sack or other container) shall not in any case exceed:—

Price Order No. 1538 (Apparel and Soft Goods)

PURSUANT to the Control of Prices Act 1947, the Price Tribunal hereby makes the following Price Order :

PRELIMINARY

1. This Order may be cited as Price Order No. 1538, and shall come into force on the 19th day of March 1954.
2. (1) Price Order No. 1405* is hereby revoked.
- (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. (1) In this Order, unless the context otherwise requires,—
 - “ Factory selling price ”, in relation to any goods, means the price charged for the goods by the manufacturer to the retailer buying the goods, or the price for the time being authorized under the Control of Prices Act 1947, to be charged for the goods by the manufacturer to a retailer, whichever price is the greater : Provided that where a retailer manufactures goods for sale by that retailer the factory selling price shall be the price authorized under the Control of Prices Act 1947, as the price at which those goods may be taken into stock by that retailer.
 - “ Landed cost ”, in relation to any goods, means the actual price paid or payable for the goods by the importer thereof increased by the amount of any landing costs incurred by the importer in respect of the goods.
 - “ Landing costs ”, in relation to any goods, means the costs incurred by the importer incidental to the importing of the goods from the country of origin into store at the port of entry in New Zealand, and includes any sales tax payable by the importer in respect of the goods at the port of entry.
 - “ Gross price ”, in relation to any goods, means the price charged for the goods without taking into account the deduction of any approved discounts.
 - “ Wholesale price ” means the gross price charged for the goods by the wholesaler to the retailer buying the goods or, where the price so charged is less than the gross wholesale price authorized to be charged pursuant to the Control of Prices Act 1947, the said authorized gross wholesale price.
- (2) No costs shall be deemed to be landing costs within the meaning of this Order unless the method of assessment of the costs has been previously approved in that behalf by the Director of Price Control.
- (3) The landed cost of any goods shall be computed in relation to such quantity of the goods as is sold in each instance by the retailer.

APPLICATION OF THIS ORDER

4. (1) Subject to the provisions of subclause (2) hereof, this Order applies with respect to the goods specified in the First Schedule hereto.
- (2) Nothing in this Order shall apply with respect to fully or partly tailor made garments made by a bespoke tailor for direct sale to the consumer.

FIXING MAXIMUM RETAIL SELLING PRICES OF GOODS TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this Order the maximum price that may be charged by any retailer for any goods to which this Order applies shall be—
 - (a) In respect of goods purchased in New Zealand from a wholesaler or manufacturer or goods manufactured by a retailer for sale by that retailer : The wholesale price or the factory selling price (as the case may be) of the goods increased by the appropriate maximum percentage of that amount specified in the First Schedule hereto in relation to the goods.
 - (b) In respect of goods imported into New Zealand by the retailer selling the goods : The landed cost of the goods increased by the appropriate maximum percentage of that amount specified in the First Schedule hereto in relation to the goods : Provided that the appropriate percentage may be increased by $7\frac{1}{2}$ except where a percentage in respect of direct importations is specified in the said Schedule, in which case the landed cost may be increased by the amount of the percentage so specified.
 - (c) In respect of goods imported through an indent agent by the retailer selling the goods : The amount authorized to be charged by paragraph (b) of this subclause : Provided that where a percentage in respect of direct importations is specified in the said Schedule in relation to the goods and the indent agent's commission exceeds 5 per cent., the percentage so specified and authorized to be added by the retailer shall be reduced by the figure by which the said commission exceeds 5 per cent.
- (2) Where with respect to any goods to which this Order applies there is specified in the First Schedule hereto a ceiling mark up the amount that may be added by a retailer to the wholesale price, the factory selling price, or the landed cost (as the case may be) of those goods shall be either the percentage or the ceiling mark up (whichever is the less amount) specified in relation to those goods.
- (3) Where any retailer in possession of any material engages any person (whether an employee or otherwise) to make that material into garments, or where he sells that material to any person for the purpose of having it made into garments which he intends to buy and resell, the maximum price that may be charged by the retailer for any such garments shall be the sum of the following amounts :
 - (a) The cost price of the material to the retailer.
 - (b) The amount of the approved or ceiling making up charges incurred in respect of the garments, whichever is the less.
 - (c) The appropriate percentage of the sum of the amounts in paragraphs (a) and (b) hereof specified in the First Schedule hereto in relation to the garments.
- (4) Where any retailer who does not normally carry on business as a wholesaler sells any goods to which this Order applies to another retailer (thus becoming a wholesaler in respect of that transaction) the maximum price that may be charged by the purchasing retailer for any goods so bought shall be the maximum price at which the goods could be sold by the retailer from whom he bought the goods or the price fixed pursuant to the provisions of this Order, whichever is the less.
- (5) Where in respect of any goods to which this Order applies transport charges are incurred by the retailer in obtaining delivery into his store the maximum price fixed by the foregoing provisions of this Order may be increased by the actual amount of any such charges.
- (6) Where the factory selling price, the landed cost, or the wholesale price of any goods does not exceed 6s. and the retail price of such goods, calculated in accordance with the foregoing provisions of this Order, is not an exact number of pence, the maximum price of the goods shall be computed to the next upward penny.
- (7) Where the factory selling price, the landed cost, or the wholesale price of any goods exceeds 6s. and the retail price, calculated in accordance with the foregoing provisions of this Order, is not an exact number of threepences, the maximum price of the goods shall be computed to the nearest threepence.
- (8) Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer may authorize special maximum prices in respect of any goods to which this Order applies where special circumstances exist, or if for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this subclause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the retailer while the approval remains in force.
