PRELIMINARY

1. This Order may be cited as Price Order No. 1566, and shall come into force on the 17th day of September 1954.

2. (1) Price Orders Nos. 1072*, 1198†, 1330‡, and 1422§, and every approval of an authorized retail selling price in force under the Control of Prices Act 1947 and relating to any goods to which this Order applies, are hereby revoked.

(2) The revocation of the said Orders and approvals shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) In this Order, unless the context otherwise requires—

“Factory selling price”, in relation to any goods, means the price charged for the goods by the manufacturer to the retailer buying the goods, or the price for the time being authorized under the Control of Prices Act 1947 to be charged for the goods by the manufacturer to a retailer, whichever price is the greater: Provided that where a retailer manufactures goods for sale by that retailer, the factory selling price shall be the price authorized under the Control of Prices Act 1947 as the price at which those goods may be taken into stock by that retailer, who shall notify the Division accordingly:

“Landed cost”, in relation to any goods, means the actual price paid or payable for the goods by the importer thereof, increased by the amount of any landing costs incurred by the importer in respect of the goods:

“Landing costs”, in relation to any goods, means the costs incurred by the importer incidental to the importing of the goods from the country of origin into store at the port of entry in New Zealand, and includes any sales tax payable by the importer in respect of the goods at the port of entry:

“Gross price”, in relation to any goods, means the price charged for the goods without taking into account the deduction of any approved discounts:

“Wholesale price” means the gross price charged for the goods by the wholesaler to the retailer buying the goods or, where the price so charged is less than the gross wholesale price authorized to be charged pursuant to the Control of Prices Act 1947, the said authorized gross wholesale price.

(2) No costs shall be deemed to be landing costs within the meaning of this Order unless the method of assessment of the costs has been previously approved in that behalf by the Director of Price Control.

(3) The landed cost of any goods shall be computed in relation to such quantity of the goods as is sold in each instance by the retailer.

APPLICATION OF THIS ORDER

4. This Order applies with respect to the goods specified in the First Schedule hereto that are imported by the retailer selling the goods or purchased by him from a wholesaler or manufacturer, and that are taken into stock after the coming into force of this Order.

FIXING MAXIMUM RETAIL SELLING PRICES OF GOODS TO WHICH THIS ORDER APPLIES

(2) Where, in respect of any goods to which this Order applies, transport charges are incurred by the retailer in obtaining delivery into his store, the maximum price fixed by the foregoing provisions of this Order may be increased by the actual amount of any such charges.

(3) Where the factory selling price, the landed cost, or the wholesale price of any goods does not exceed 6s., and the retail price of such goods, calculated in accordance with the foregoing provisions of this Order, is not an exact number of pence, the maximum price of the goods shall be computed to the next upward penny.

1. This Order may be cited as Price Order No. 1567, and shall come into force on the 17th day of September 1954.

THE GROWTH AND DEVELOPMENT OF SOCIAL SECURITY IN NEW ZEALAND

A survey of social security in New Zealand from 1898 to 1949, and the most comprehensive work on the subject yet published in this country.

Of 180 pages, the book is divided into three parts—cash benefits, health benefits, and finance. Each subject is dealt with in detail and there is a comprehensive index.

The book will undoubtedly be of considerable interest to those interested in social security and social services, and will be especially valuable to University students.
