These rules shall come into operation on the 1st day of November 1951, as from which date the rules made by the Board on the 15 March, 18 April, and 15 June 1951, shall be deemed to be revoked. Provided, however, that any matter which had originated under the said rules hereby revoked shall enure for the purpose of these rules as fully and effectually as if it had originated under these rules.

These rules shall apply to all persons investing or attempting to invest at or through any totalizator agency declared by the Board to be open for receiving investments direct from the public for transmission to the course.

4. General Conditions Relating to Investments At or Through Totalizator Agencies

(a) *Persons Bound by the Approved Scheme.*—Any person making an investment or attempting to make an investment at or through a totalizator agency shall be deemed to accept and be bound by the relevant provisions of the approved scheme.

(b) *Persons Bound by Rules of Racing.*—Any person making an investment at or through a totalizator agency shall be deemed to accept and be bound by the rules of racing relating directly or indirectly to entries for and the running of races, the powers of the stewards or committee of the club holding the race meeting in respect of which the investment is made, and the calculation of dividends.

(c) *Prohibited Persons may not Invest.*—No person who is prohibited from entering upon the premises of a totalizator agency by virtue of regulations made under section 7 (2) of the Gaming Amendment Act 1949, may himself, or through his agent, invest at or through a totalizator agency, and no person acting in breach of this rule shall be entitled to a refund of any amount paid by him or to any dividend which otherwise would be payable thereon.

(d) *Unit of Investment.*—The unit of investment for win and place betting shall be 10s. and for doubles betting 5s.

(e) *Dividends.*—The dividend for a 10s. investment will be that declared on the totalizator for 10s. (f) *Brackets and Alterations Thereto.*—Subject to the special provisions of rule 11B relating to investments on the doubles totalizator, in so far as they may apply, the following provisions shall apply to investments made on any horse included in a bracket:

(i) Where horses are bracketed on the totalizator, whether such horses are bracketed or not, or whether some only are bracketed in the official race card of the Club or in the notices exhibited by the Board pursuant to rule 5 (f), all investments received by the Board on such horses or any of them will be invested on the totalizator number of the bracket containing such horses:

(ii) Where a horse in such bracket is scratched, the investments shall remain on the horse or horses remaining in the said bracket, except that when the investments received by the Board on the horse or horses that are scratched can be identified and withheld or withdrawn from the totalizator, a refund will be made of such investments and the investors thereof shall have no interest in the dividend that may be payable in respect of the horse or horses remaining in the said bracket. Where such scratching is made at such time or in such manner that the investments cannot be recovered from the totalizator, they shall remain invested on the bracket:

(iii) Where the Board exhibits in its notices a bracket, but the horses shown in the bracket are allotted separate numbers on the totalizator, then all investments received by the Board on such horses so shown as a bracket or any of them shall be refunded, and the investors thereof shall have no interest in the dividend or dividends that may be payable in respect of such horses.

(g) *Rejection of Investments.*—The senior officer on duty at any totalizator agency, unless otherwise directed by the Board or the General Manager of the Board, shall be entitled to reject at any time and without giving any reason therefor part or all of any investment.

(h) *Refund of Investments.*—(i) *Scratchings:* Subject to the provisions of rule 11B hereof relating to investments on the doubles totalizator, if a horse, including a bracketed horse, is scratched, the investor may at his option nominate a substitute or apply for and receive a refund at the totalizator agency where the investment was made, up to fifteen minutes before the advertised time of closing for the receipt of investments for the race concerned. If the investor does not nominate a substitute or apply for and receive a refund as aforesaid he shall nevertheless be entitled to a refund of his investment, subject, however, in the case of bracketed horses, to the provisions of rule 4 (f) (ii).

(ii) *Failure to Record Investments on the Totalizator:* In any case where any investment, whether for win or for place or on the doubles totalizator, has been received by the Board but by reason of failure in transmission or other failure has not been recorded on the totalizator, such investment shall be treated as if in fact it had been recorded on the totalizator.

(iii) *No Place Pool:* Amounts received for transmission and investment on the place totalizator for any race will be refunded if for any reason the place totalizator is not operated for that race.

(i) *Minors.*—No investments by or on behalf of persons under the age of twenty-one (21) years will be accepted.

(j) *Race Meetings for Which Investments Will be Accepted.*—Investments at or through any totalizator agency will be accepted only for such race meetings or races as the Board from time to time shall direct in respect of any such totalizator agency.

(k) *Investments Received on Meetings Subsequently Postponed.*—(i) All investments received in respect of a race meeting which is postponed to a later date will be retained by the Board and will be invested on that later date in accordance with the original instructions.

(ii) No refund of such investments will be made unless application is received at the office of the totalizator agency, where the investment was made, not later than the time which is there specified as the closing time for the race concerned on such later date.

(iii) In the event of a race meeting being abandoned all investments will be refunded.

(l) *Method of Investing.*—Investments will be accepted by cash payment at a totalizator agency, or by telephone or postal instructions against a deposit previously established at a totalizator agency, or dividends credited to such deposit, or by postal instructions accompanied by a cash remittance.

No investments or instructions by telegraph will be accepted under any circumstances.

5. Provisions Relating to Investments by Cash

(a) Cash investments will be accepted only during the hours advertised at each totalizator agency for the acceptance of such investments, but the officer in charge of such totalizator agency may declare at any time that the office is closed for receiving cash investments.

(b) Only bank-notes or coins will be accepted.

(c) Before an investment will be accepted the investor must indicate clearly the race meeting, the race, the horse or horses, the amount of the investment, and whether for win, place, or double.

(d) On acceptance of the investment, investors will be issued with a written or printed ticket which must be presented at time of claiming dividend.

(e) Tickets will show the amount invested in pounds and/or in fractions and/or in shillings for win and/or place or a double, and may show the total amount invested.

Tickets will be printed, written, stamped, punched, or marked to show the code letters or abbreviation designated for the race meeting concerned, the date or week designated for such meeting, the number of the race concerned other than for a double, and the code number allocated by the totalizator agency to the horse or horses on which the investment is made.

(f) Notices shall be exhibited at all totalizator agencies showing the horses known to be accepted for those race meetings for which the Board will be receiving investments, the date and code letter or abbreviation of each such race meeting, the number of races and the code numbers allotted to the horses therein, including known brackets, and stating how code letters and numbers are indicated on the tickets.

(g) If an investor is issued with a ticket—

(i) Recording an investment other than the one he intended to make;

(ii) Where the recording of the investment is such that it could be attributed as an investment on more than one meeting or race or horse number or, in the case of a doubles investment, on more than two horse numbers; or

(iv) For a doubles investments on a horse number in the second race of the doubles which does not appear as a horse number in such race on the notices of horses exhibited in accordance with clause (f) hereof—

any application to rectify the error must be made by the investor immediately.

If, in the case of a wrong investment as is referred to in subclause (i) hereof, the investor does not rectify the error immediately, he shall be deemed to accept the ticket as issued.

If, in either of the cases referred to in subclauses (ii) and (iii) hereof, the error is not rectified immediately, the investor will be entitled only to a refund of the amount invested, subject always to the provisions of clause (h) hereof. If, in the case referred to in subclause (iv) hereof, the error is not rectified immediately, the investor shall be deemed to accept the ticket as issued, and the Board will substitute for such incorrect horse number in the second race of the double the favourite as would be determined in accordance with the provisions of rule 11B (ii).

The investor is responsible to have corrected any errors which he considers appear on the ticket issued to him.

Where the details of amounts of individual investments recorded on a ticket do not agree with the recorded total of the amounts on the ticket, the details shall prevail and the ticket be treated accordingly.

(h) Any ticket, when presented for a dividend or refund or for the correction of an alleged error, may be rejected without any payment made thereon if it has been altered or defaced.

6. Payment of Dividends and Refunds in Respect of Cash Investments

(a) No dividend will be paid on the day of the race concerned.

Refunds may be paid at any time when the totalizator agency at which the investment was made is open for business, but the officer in charge of such agency may declare at any time that refunds due in respect of any race meeting or race shall be payable at the same time as when dividends for such meeting or race are payable.

(b) There shall be displayed in every totalizator agency from time to time the earliest date and the hours when dividends and refunds will be payable.

Thereafter dividends will be payable at the totalizator agency from which the ticket was issued during the notified hours for a period of four weeks from the date of the meeting concerned.

(c) Payment will be made on production of the ticket and will be in cash or may, at the option of the Board, be by cheque.

(d) Dividends and refunds not claimed or paid within the period of four weeks as aforesaid may be claimed on written application to the totalizator agency from which the ticket was issued, supported by the ticket. No claim will be accepted later than three months from the advertised date of payment.

(iii) Payments will be made by cheque or otherwise at the discretion of the senior officer in charge.

“Telephone Investments

“(a) *Where the Error Results in an Incorrect Investment Being Made—*

“*Prima facie* the investment will be deemed to be that which is recorded so that the investor shall suffer the loss or receive the benefit as the case may be.

“Where, however, the error results in a loss to the investor and the Board, on the application of the investor, is satisfied that the error resulted from negligence by any of its servants, the Board will refund the amount invested but shall not be liable for any dividends payable if the required investment had been made. Application for a refund must be made promptly after notice of the error is received or deemed to be received by the investor. Further particulars will be the subject of rules of the Board.

(v) If a remittance, other than a deposit, is received for an amount net to the Board other than in complete units of investment, the senior officer on duty at the totalizator agency concerned may in his sole discretion either reject the investment altogether or accept it up to the multiple next below the net amount so received by the Board. The amount due to the investor in accordance with the exercise of the discretion as aforesaid shall be refunded to the investor by the Board, less exchange or poundage.

(vi) In respect of remittances or correspondence passing to and from the Board and an investor, the investor shall accept all risks, losses, delays, errors, or omissions which may occur in the ordinary course of post. Instructions will not be accepted for alternative investments to be made in the event of a nominated horse being scratched. The investor shall be bound by the particulars and instructions supplied by him.

C. Payment of Dividends and Refunds

Posting the remittance shall be deemed delivery to the investor.

(v) If in any case the Board is in doubt to whom or to what address any refund or other remittance from the Board should be sent, the Board shall retain the amount payable and the person who claims to be entitled thereto must apply in writing or, if so required, in person to the totalizator agency to which the investment was sent and submit proof to the satisfaction of the Board of his right to the amount held by the Board.

(vi) Any investor or depositor who claims that he has not received the full dividend to which he is entitled, or who alleges that there is an inaccurate entry in his deposit statement, must apply in writing to the totalizator agency where the investment was made within four weeks of the day on which the race concerned was run, and the application must be accompanied by all relevant information supporting the claim. The senior officer on duty at the totalizator agency will then notify the investor of the decision regarding the claim. If the investor is dissatisfied with the decision, he may within four weeks of receiving the decision of the senior officer submit his claim in writing to the Head Office of the Board with all relevant information supporting it. The decision of the Board shall be final.

11. Special Provisions Relating to Doubles Betting

A. General

(i) Any person making an investment at or with a totalizator agency shall be deemed to accept, subject to any necessary modification in regard to investments off the course, the regulations for the operations of the doubles totalizator on the course adopted by the New Zealand Racing Conference and the New Zealand Trotting Conference respectively and for the time being in force.

(ii) Every person intending to invest on the doubles totalizator is required, at the time of making such investment, to nominate the starter he selects for both the first and the second race of the prescribed double. In addition, he must give the information as to the race meeting, amount invested, and other matters required in making cash, telephone or postal investments for win or place.

(iii) Dividends will be paid or credited to the investor in the same manner as any investments by cash or by telephone or by post.

(iv) No investments on the doubles totalizator will be accepted prior to the publication of acceptances.

B. Provisions Resulting from the Scratching of Horses from a Double

(i) *Where Horse in First Race of the Double is Scratched:*

(a) If a horse, including a bracketed horse, is scratched from the first race, the investor may at his option nominate a substitute or accept a refund, at the totalizator agency where the investment was made, up to fifteen minutes before the advertised time of closing for the receipt of investments for the double.

(b) Where a horse is scratched at any time before the first race and the investor has not substituted another horse, the investor, where a refund is obtained from the totalizator, will be entitled to a refund, except in the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) *Where Horse in Second Race of the Double is Scratched:*

(a) If a horse, including a bracketed horse, is scratched from the second race, the investor may, at the totalizator agency, where the investment was made, at his option accept a refund up to fifteen minutes before the advertised time of closing for the receipt of investments for the double, or nominate a substitute up to fifteen minutes before the advertised starting time for the first race.

(b) Where a horse, which is bracketed with a horse that starts, is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid, then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

(c) Where a horse, which is not bracketed with a horse that starts, is scratched from the second race at any time and the investor has not accepted a refund or substituted another horse, the Board will substitute for the scratched horse the favourite for such race, as determined by that part of the double investments received by the Board for starters in the second race which were coupled with the winner of the first race and ascertained after the time of closing for receipt and substitution of investments for such double and as recorded before this adjustment takes place.

"Favourite" as determined in the foregoing may be a horse or those horses included in a bracket to which a separate number is allotted on the totalizator.

(d) *Board's Substitution in Second Race Where Two or More Horses are Equal Favourites.*—In the event of two or more horses being equally determined as favourites in the second race in accordance with clause (ii) (c) hereof, the favourite for the purpose of such clause will be the equal favourite first appearing in the list of runners in the totalizator records for that race at the time this adjustment takes place.

(e) *Board's Substitution in Second Race Where Investment on Scratched Horse is only Investment for that Race.*—In the event of the scratched horse being the only horse in the second race for which the Board has received doubles investments which were coupled with the winner of the first race, then the horse next above the scratched horse in the totalizator records for such race will be substituted for that scratched horse, and if there is not a horse next above in that race, the horse next below the scratched horse in the totalizator records for such race will be substituted for the scratched horse.

(f) *Substitution of Chosen Favourite to be Final.*—For the purpose of this rule, the decision made by the official of the Board as to which horse shall be substituted for a scratched horse in the second race shall be binding upon the Board and upon the investor.

(g) *Brackets.*—Where no bracket is shown in the notices exhibited by the Board, but a horse is required to be bracketed with another horse on the totalizator, no bracket shall be deemed to exist unless both horses come under the orders of the starter. Where such a horse is scratched from the race, the Board shall substitute in accordance with sub-clause (ii) (c) hereof.

(h) *Method of Substitution or Cancellation.*—(i) Investments made by telephone may be substituted or cancelled by telephone or in person.

(ii) Investments by cash may be substituted or cancelled only in person on presentation and exchange of the original ticket issued.

(iii) Investments made by post may not be substituted or cancelled at any time.

12. Closing Time for Investments

A PENAL POLICY FOR NEW ZEALAND

In this brochure the problem of crime is briefly surveyed, and an outline given of the principles on which the Department of Justice acts in fulfilling its duty to provide better protection to society. The substance and the purposes of proposed changes in the law are also given.

A Penal Policy for New Zealand is commended by the Minister of Justice to all those—and it should be the concern of the whole community—who are interested in coping with what is undoubtedly a serious social problem.

AGRICULTURAL BOTANY

By J. S. YEATES and ELLA O. CAMPBELL

This book supplies a long-felt want in this country by providing a simple explanation of the manner in which plants function and the conditions necessary for their growth. Wherever possible technical terms have been avoided, and those essential to a proper understanding of the subject have been fully explained. Over one hundred illustrations contribute to a clear exposition of the subject. As a result, although the book is primarily intended for use in schools and colleges, it is also suitable for farmers, orchardists, horticulturists, and home gardeners.
