(b) The restrictions on and conditions of usage of any such huts or buildings shall be as fixed by the Board by resolution from time to time.

(c) A Park Warden, or Ranger, or other officer of the Board is empowered to terminate any usage of any such hut or building where the user has departed from the terms and conditions upon which usage was granted or where the user acts in such a manner as in the opinion of the Park Warden, or Ranger, or other officer of the Board is likely to cause damage to the Board's property or to give offence to other persons, or to cause them annoyance.

(e) Should any organization be empowered to erect any buildings for accommodation of its members within the park it shall be subject to the condition that if such accommodation is not in the opinion of the Board being made reasonable use of by such members, then other persons may be authorized by the Board to make use of such accommodation under whatever conditions the Board may determine.

Fires shall be lighted only when necessary, and when no longer needed shall be completely extinguished by covering all embers and the bed with earth and water so that there remains no possibility of the fire reviving.

No person shall light a fire in any position where it is likely to present a fire hazard.

Once a fire is lit, the person lighting the fire, or such other person as is detailed by him, shall remain in attendance on the fire until it is completely extinguished.

No match (lighted or not lighted), cigarette, or other lighted matter shall be dropped, thrown, or otherwise placed in any grass or other inflammable material.

TRADING AND INTOXICATING LIQUORS

5. No person shall reside permanently, engage in any business, sell or offer for sale any article or food or merchandise, intoxicating liquor, or any kind of drink, or carry on any other pursuit or calling within the park without the written consent of the Board given subject to such terms and conditions as it deems fit.

MISBEHAVIOUR

6. Within the park no person shall wilfully obstruct, disturb, or interfere with any other person in the use or enjoyment of the park or use foul, abusive, indecent, or obscene language, or be intoxicated, noisy, or riotous, or in any way misbehave.

ANIMALS

7. No person shall take any dog or cat into the park without the written permission of the Board, or abandon in the park any dog, cat, or animal.

10. For the purposes of this by-law a special area means a special area set apart by the Governor-General under section 12 of the National Parks Act 1952.

No person shall enter a special area except with the written permission of the Board or the Commissioner as the case may require, given subject to such terms and conditions as are deemed fit. Every such permit shall include the following particulars and conditions:

1. The duration of the permit shall be specifically stated therein.
2. The names of all persons covered by the permit shall be set out.
3. The area covered by the permit shall be specified therein.
4. No permit shall include a right to camp or remain overnight or light camp fires unless the permit so states.
5. Each permit shall be revocable at the pleasure of the Board or Commissioner as the case may be.
