1. This order may be cited as the King Country Electric Power Board Water Power Licence 1955.

2. Subject to the conditions hereinafter set forth, the King Country Electric Power Board (hereinafter referred to as the licensee) is hereby authorized to obstruct, impound, or divert the waters of the Kuratau River (hereinafter referred to as the said stream) situated in the County of Taumarunui, and to take and use therefrom for the purpose hereinafter set forth, a stream of water not exceeding 400 cubic feet per second.

3. The conditions directed to be implied in all licences by the Water Power Regulations 1934 and the Electrical Supply Regulations 1935 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions hereof.

4. This licence is issued under the Water Power Regulations 1934 and is subject thereto, and to the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1935, the Radio Interference Regulations 1934, and to all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions hereof.

5. Water shall be used under this licence solely for the purpose of generating electricity, and shall be taken from the said stream at a point approximately 3½ miles downstream from the Taumarunui-Turangi State Highway bridge over the said stream, the said point being more particularly indicated on the plan marked S.H.D. 352 deposited in the office of the State Hydro-electric Department at Wellington.

6. The licensee is hereby authorized, subject to the conditions hereof, to construct, maintain, and use the works described in the Schedule hereto, the positions of the said works being indicated on the said plan S.H.D. 352.

7. The systems of supply shall be as described in paragraphs (a) and (f) of regulation 21-01 of the Electrical Supply Regulations 1935.

8. For the purpose of assessing the rental or annual sum payable in respect of this licence, the licensee may install a suitable maximum demand indicator to the satisfaction of the Inspecting Engineer of the State Hydro-electric Department, and failing such installation the rental shall be determined on the maximum capacity of the generating plant installed. The plant proposed to be installed is rated at 6,500 kilovolt amperes.

9. Nothing in this licence shall of itself be deemed to confer upon the licensee any right to water.

10. This licence shall, unless sooner lawfully determined, continue in force until the 31st day of March 1968.
