*Authorizing the Nelson City Council to Reclaim Land in Nelson Harbour*

C. W. M. NORRIE, Governor-General  
ORDER IN COUNCIL

At the Government House at Wellington this 30th day of November 1955

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

**W**HEREAS it is provided by sections 185 and 188 of the Harbours Act 1950 (hereinafter called the said Act), where any local authority is desirous of executing or constructing upon lands vested in such local authority or upon lands of the Crown any harbour works of such a nature that the same could, but for these sections, only be carried out and executed under the authority of a special Act, the local authority may apply to the Governor-General in Council for a special order, and, if the Governor-General in Council thinks fit, such order may be made or granted:

And whereas the Nelson City Council (hereinafter called the Council) is desirous of reclaiming from the sea certain land in Nelson Harbour, and the said harbour works are of such a nature as aforesaid, and the Council has applied to the Governor-General in Council for a special order authorizing the execution of the said harbour works:

And whereas all the conditions precedent to the granting of a special order prescribed by section 185 of the said Act have been duly complied with:

And whereas it has been made to appear to the Governor-General in Council that the proposed work will not be or tend to the injury of navigation:

Now, therefore, pursuant to the said Act, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby authorizes and empowers the Council to reclaim from the sea in Nelson Harbour all the lands containing 7 acres 1 rood 32 perches, more or less, coloured yellow on plan marked M.D. 9942 and deposited in the office of the Marine Department at Wellington, and to construct a reclamation and retaining walls in connection therewith, provided such reclamation and the construction of such retaining walls is carried out in accordance with plans marked M.D. 9942, subject to the provisions of the said Act; and hereby orders that the said harbour works shall be completed within a period of two years from the date of this Order in Council.

Under the Regulations Act 1936 statutory regulations of general legislative force are no longer published in the *New Zealand Gazette*, but are supplied under any one or more of the following arrangements:

- (1) All regulations serially as issued (punched for filing), subscription £2 per calendar year in advance.
- (2) Annual volume (including index) bound in buckram, £1 10s. (Volumes for years 1936-37 and 1939-42 are out of print.)
- (3) Serially as issued and annual bound volume, as in (1) and (2) above, on combined subscription basis, £3 3s. per calendar year in advance.
- (4) Separate regulations as issued.

The price of each regulation is printed thereon, facilitating the purchase of extra copies.

Orders should be placed with the Government Printer, Publications Branch, Wellington C.1. Separate copies of Regulations may also be purchased from the Printing and Stationery Department, 130 Oxford Terrace, Christchurch, or from the Chief Post Offices at Auckland and Dunedin.

## GOVERNMENT PUBLICATIONS

**T**HE following publications are obtainable from the Government Printer at Wellington and Christchurch or through the Chief Post Offices at Auckland and Dunedin.

## A PENAL POLICY FOR NEW ZEALAND

In this brochure the problem of crime is briefly surveyed, and an outline given of the principles on which the Department of Justice acts in fulfilling its duty to provide better protection to society. The substance and the purposes of proposed changes in the law are also given.

*A Penal Policy for New Zealand* is commended by the Minister of Justice to all those—and it should be the concern of the whole community—who are interested in coping with what is undoubtedly a serious social problem.

## AGRICULTURAL BOTANY

By J. S. YEATES and ELLA O. CAMPBELL

This book supplies a long-felt want in this country by providing a simple explanation of the manner in which plants function and the conditions necessary for their growth. Wherever possible technical terms have been avoided, and those essential to a proper understanding of the subject have been fully explained. Over one hundred illustrations contribute to a clear exposition of the subject. As a result, although the book is primarily intended for use in schools and colleges, it is also suitable for farmers, orchardists, horticulturists, and home gardeners.
