NOTE.—At stations where departures from normal have an asterisk, the temperature record has been maintained for less than ten years, the rainfall record for less than twenty years. Rainfall normals have been revised and now refer to the standard period 1921–50. Where observations are not available for the whole period, or where the site of the rain gauge has been changed, the normals are partly interpolated.

NOTES ON THE WEATHER FOR JULY 1956

General: In the North Island July was the fourth successive month of mild but unsettled weather, and in some areas the ground remained excessively wet. In the South Island drier conditions prevailed, and the mildness of the season was proving beneficial to stock.

During the passage of a very deep depression over the Auckland Province from the 13th to the 15th a violent storm raged over the whole of the North Island. South-easterly gales did considerable damage, interrupting the power supply in many districts; at Helensville, north of Auckland, a church was destroyed. Heavy rain caused disruption of road and rail transport. Serious flooding was reported in the Wairarapa, lower Manawatu, and at Tangoio, Hawke's Bay.

Rainfall: Rainfall was appreciably above normal over the southern half of the North Island, also in northern Hawke's Bay and parts of Northland and Canterbury. From the southern part of the Wellington Province up the east coast to Cape Kidnappers it was twice the normal amount.

It was drier than usual over the greater part of Nelson and Marlborough, also in most inland districts of the South Island. In the Nelson-Motueka area and in Central Otago the deficiency exceeded 50 per cent.

Temperatures: Temperatures were above normal, mainly by about a degree. Departures were greatest in western and northern districts.

Snow fell on the high country of both islands on the 2nd and 3rd, reaching quite low levels in parts of Otago and Southland. In the storm of 13th to the 15th heavy snow fell on the high country as far south as Canterbury.

Sunshine: Except in the far south, sunshine was below normal, mainly by about half an hour a day.

Weather Sequence: Westerly conditions had prevailed on the last two days of June, and they persisted on 1 July as a deep depression far to the south moved eastwards. With the formation of another depression near Cook Strait during the 2nd winds changed to south-westerly and temperatures became much colder. Showery

weather developed with snow on the high country of both islands. Somewhat similar conditions continued for three more days as this depression moved south-eastward. There was an improvement in most districts by the 6th, and on the following day an anticyclone centred near Northland brought fine weather generally.

On the 8th the freshening of westerlies in the south caused heavy rain on the West Coast. A depression then developed over the north Tasman Sea. During its passage across the North Island and south-eastward to the Chatham Islands there were four days of wet weather as far south as Kaikoura, and light rain at times over the remainder of the South Island. By the 13th pressure was high to the south and south-west. On this day another deeper depression which had been forming over the north Tasman Sea commenced to move south-eastward across the Auckland Province. For three days a violent storm raged over the North Island, with south-easterly gales and some heavy rain. Snow fell to a considerable depth on the high country as far south as Canterbury. As the depression moved away on the 16th conditions improved, but showers persisted in most east coast districts for another three days. On the 19th a weak ridge of high pressure extending over the country from the south brought fair weather apart from showers in eastern Northland.

From the 20th to the 26th yet another depression moved slowly from the north Tasman Sea, past North Cape, over the Auckland Province, and away to the south-east of Gisborne. Rain affected mainly the North Island, and some heavy falls were reported about Auckland, Rotorua, and the Bay of Plenty on the 24th. By the 27th a weak ridge of high pressure brought fair weather to many districts, but showery conditions persisted on the east coast of the North Island. On the following day a shallow trough over the north Tasman Sea affected Northland. For the last three days of the month an anticyclone was passing to the north and a deep depression to the south. The North Island experienced the longest spell of fair weather for some weeks, but rain was reported on the West Coast.

Agreement as to Motor Vehicles Insurance (Third Party Risks)

THE agreement, the text of which appears below, is hereby published for general information. It has been entered into by the Minister of Transport on behalf of the Crown with the several companies and corporate bodies which accept risks under Part V of the Transport Act 1949; and the agreement is, therefore, effective according to its terms on and after the date of this *Gazette*.

The text of the agreement is as follows:

ARTICLES of agreement made the 8th day of August 1956 between Her Majesty the Queen acting through the Honourable the Minister of Transport of the one part and the Several Companies and corporate bodies carrying on in New Zealand the business of Accident Insurers by or on behalf of which these presents are executed (hereinafter called "the Insurers") of the other part.

Whereas by Articles of Agreement made the 27th day of October 1931 and published in the *New Zealand Gazette* (29 October, Vol. III, page 3023) provision was made in connection with claims in respect of death or bodily injury caused by the use in New Zealand of motor vehicles that cannot be identified and whereas the said Agreement was amended on the 1st day of September 1954 and the amendment was published in the *New Zealand Gazette* (31 March 1955, Vol. I, page 604) and whereas by Articles of Agreement made the 1st day of September 1954 and published in the *New Zealand Gazette* (31 March 1955, Vol. I, page 604) a further Agreement was made to apply to claims in respect of uninsured motor vehicles and whereas it is expedient to amend and consolidate the Agreements hereinbefore referred to Now therefore it is hereby agreed between the parties hereto as follows:

(1) In and for the purposes of these Articles of Agreement "Insurers" shall mean and include the several Companies and corporate bodies carrying on in New Zealand the business of Accident Insurers by and on behalf of which these Articles of Agreement are executed.

"Uninsured Defendant" shall mean a Defendant in an action brought in New Zealand by a Plaintiff suing for damages in respect of bodily injury to or death of the Plaintiff or some other person caused by or through or in connection with the use in New Zealand of a motor vehicle owned by the Uninsured Defendant but in respect of which motor vehicle the Uninsured Defendant has failed to take the steps necessary to obtain Motor Vehicle (Third Party Risks) Insurance available at the time of the accident giving rise to the said action pursuant to Part V of the Transport Act 1949 and in respect of which said accident the Uninsured Defendant would have been indemnified had he or she or it taken the appropriate steps prescribed by Part V of the Transport Act 1949 for the obtaining of such insurance.

"Year" shall mean a period of twelve calendar months commencing on the 1st July in each year.

The singular of any word or expression shall include the plural.

PART I—PERSON UNKNOWN

(2) Where any person (hereinafter called "The Claimant") alleges—

- (a) That a person unknown would, if ascertainable, be under a legal liability to him on account of the death of any person or of bodily injury to any person, and that such death or bodily injury was sustained or caused by or through or in connection with the use of a motor vehicle in New Zealand; and
- (b) That it is impossible to identify such motor vehicle; then the insurers who are parties hereto agree that the matter shall be dealt with in accordance with the provisions hereinafter set out.

(3) The claimant shall within seven days of the date of the accident transmit by registered post, and addressed to the Commissioner of Transport at Wellington, a statement in writing signed by him or his solicitor, or some other person on his behalf.

(4) In special circumstances the Minister of Transport may extend the period of seven days prescribed by clause (3) hereof for such times as he may think equitable, but so that in no case shall the period within which the statement is to be transmitted to the Commissioner exceed fourteen days from the date of the accident.

(5) Such statement shall set forth full particulars of the circumstances upon which the claimant relies to show that his claim is one that should be dealt with under the provisions hereof, including such particulars of time, place, names and addresses of persons, and other circumstances as will suffice to inform the insurers of the particular grounds of legal liability alleged, such as the particular respects in which the claimant alleges that the person in charge of the motor vehicle was negligent, and also setting forth the amount and full details of his claim.

(6) Where the claim is made on account of the death of any person the statement shall also contain full particulars of the person or persons for whom and on whose behalf the claim is made.

(7) In every case such statement shall contain an undertaking that the claimant and the other persons (if any) for whom and on whose behalf the claim is made—

- (a) Will accept the award of the arbitrators hereinafter referred to and the amount (if any) payable under such award in full satisfaction and discharge of all existing or subsequent claims or demands on the part of such claimant and other persons (if any) in respect of or arising out of the accident mentioned in such statement against the driver of and the owner of such motor vehicle, and against any other person who may be liable in respect of the accident, and whether the identity of such driver, owner, or other person is known or not; and
- (b) Will, upon the publication of the said award and the payment of the amount (if any) payable thereunder, execute an agreement with the Commissioner of Transport as provided by clause (20) hereof.

(8) The Commissioner shall forthwith send a copy of the statement to the State Fire Insurance General Manager on behalf of the insurers and the claim shall thereupon be referred to arbitration in accordance with the provisions hereinafter set out. The reference shall be to three arbitrators who, after the receipt from the Commissioner by the said General Manager on behalf of the insurers of the statement referred to in clause (3) hereof, shall be appointed in the manner hereinafter provided before any step is taken in the reference.

(9) One arbitrator shall be appointed by the claimant, one arbitrator shall be appointed for the insurers in the manner hereinafter provided, and the third arbitrator shall be a Stipendiary Magistrate who shall be appointed by the Minister of Transport. If the three arbitrators cannot all agree, an award made by any two of them shall be sufficient. The reference to the arbitrators shall be deemed to be a submission within the meaning of the Arbitration Act 1908, and the provisions of that Act shall, so far as applicable, apply to the arbitration and all proceedings thereunder. For the purpose of giving or receiving any notice or taking any steps in the arbitration proceedings, the parties shall respectively be deemed to be the claimant and the committee hereinafter referred to.

(10) If either party shall refuse or neglect to appoint an arbitrator within twenty-eight days after the other party shall have appointed an arbitrator, and served a written notice upon such first-named party requiring him to appoint an arbitrator, then, upon such failure, the party making the request and having himself appointed an arbitrator, may appoint another arbitrator to act on behalf of the party so failing to appoint, and the arbitrator so appointed may proceed and act in all respects as if he had been appointed by the person so failing to make such appointment.

(11) The arbitrator to be appointed for the insurers shall be appointed by a committee of three persons, of which committee one member shall be appointed by the Council of Fire and Accident Underwriters Associations of New Zealand, one member by the State Fire Insurance General Manager, and one member by the Non-Tariff Insurance Association of New Zealand.

(12) The appointments of members of the said Committee shall be made from time to time by notice in writing to the Minister of Transport, and every person so appointed shall continue a member until the appointment of a person to supersede has been made as hereby provided, and the declaration of the Minister as to the validity or regularity of any appointment shall be final and conclusive. In the case of the members to be appointed by the said council and the said non-tariff association the instruments of appointment shall be executed by the chairman or vice chairman thereof.

(13) The arbitrators shall first determine whether the claimant has proved to their satisfaction all the matters referred to in clause (2) hereof and has complied with all the provisions contained in clauses (3) to (7) hereof inclusive, so far as applicable, and if they determine that he has proved all such matters to their satisfaction and has complied with all such provisions, they shall then determine as being their award under the reference the amount (if any) for which

the owner of the vehicle would (if the vehicle were identifiable) be legally liable to the claimant; provided that no greater amount shall be awarded than would be the measure of the legal liability of such owner if the vehicle were identifiable.

(14) It is an express term and condition of all proceedings pursuant to the provisions hereof and of every reference to arbitration as aforesaid—

- (a) That no award shall be made in favour of the claimant unless the claimant first proves to the satisfaction of the arbitrators all the matters referred to in clause (2) hereof, and that he has complied with the provisions of clauses (3) to (7) hereof inclusive, so far as applicable, and failing such proof as aforesaid the arbitrators shall have no power or jurisdiction to make an award in favour of the claimant;
- (b) That all such defences may be set up to the claim as would be available in an action in a Court of law against the driver, the owner, or any other person alleged to be liable in respect of the accident.

(15) It is an express term and condition of all proceedings pursuant to the provisions of Part I hereof, and of every reference to arbitration as aforesaid, that no award shall be made in favour of the claimant in respect of any claim against which an insurance company would not be liable to indemnify the owner of the vehicle under Part V of the Transport Act 1949, and any amendments thereof, if the vehicle were identifiable, and the arbitrators shall have no power or jurisdiction to make an award in favour of the claimant in any such case.

(16) Where the claim is made in respect of the death of any person, the amount (if any) that is awarded shall be divided among such persons in such shares as the arbitrators shall by their award determine, and where any such person is an infant the arbitrators shall by their award direct that the share of such infant shall be paid by the Commissioner to such person or corporation as they shall by their award appoint, and that such share shall be held by such person or corporation upon such trusts as they shall by their award define and declare.

(17) Notwithstanding anything herein contained, the arbitrators shall have no power or jurisdiction to make an award for an amount exceeding £2,000 (inclusive of any sum that the arbitrators may award in respect of party-and-party costs) in respect of bodily injury to or the death of any one person.

(18) If within the time limited by clauses (3) and (4) hereof more than one claim is made arising out of the same accident or disaster, and the total amount of the awards (including party-and-party costs) in respect of all such claims exceeds the sum of £7,500 then there shall be payable in respect of each such award only an amount bearing the same proportion to the amount awarded as the sum of £7,500 bears to the total amount of such awards, to the intent that, without prejudice to anything contained in clause (17), the total liability of the insurers in respect of the aggregate of all the claims arising out of any one accident or disaster shall not exceed in any event the sum of £7,500 (including party-and-party costs).

(19) If within the time limited by clauses (3) and (4) hereof more than one claim is made arising out of the same accident or disaster by or on behalf of persons who are relatives of each other, within the meaning of the definition of the term "relative" contained in section 2 of the Workers' Compensation Act 1922 (or in any enactment passed in amendment thereof or in substitution thereof) then, whether or not such claims relate to the death of or to bodily injury to more than one person, if the total amount of the awards (including party-and-party costs) in respect of all such claims exceeds the sum of £2,000, there shall be payable in respect of each such award only an amount bearing the same proportion to the amount awarded as the sum of £2,000 bears to the total amount of such awards, to the intent that, without prejudice to anything contained in clauses (17) and (18), the total liability of the insurers in respect of the aggregate of all the claims made by or on behalf of persons who are relatives of each other as hereinbefore defined, arising out of any one accident or disaster, shall not exceed in any event the sum of £2,000 (including party-and-party costs).

(20) After the publication of any award made pursuant to and under the provisions hereof, the claimant and the other persons (if any) for whom and on whose behalf the claim is made shall execute an agreement with the Commissioner as trustee and agent for the insurers, and for the driver, owner, or other person mentioned in clause (7) hereof, that they and each of them will, if at any time thereafter called on by the Commissioner so to do, execute in favour of the driver, owner, or other person mentioned in clause (7) hereof (and whether the identity of such driver, owner, or other person is then known or not) a release (in such forms as may be required by the Commissioner) of all such claims or demands as are referred to in the said clause (7). Where any money is payable by the Commissioner under any such award the Commissioner shall not make any such payment unless he previously obtains such agreement as aforesaid. In cases where no money is payable by the Commissioner under any such award the Commissioner shall require execution of such agreement as soon as possible after the publication of the award.

PART II—VEHICLE UNINSURED

(21) If the Plaintiff in any action hereafter brought in New Zealand to recover damages in respect of the death of or bodily injury to any person (including the Plaintiff) caused by or through or in connection with the use of a

Motor Vehicle in New Zealand owned by an Uninsured Defendant shall be unable to obtain payment of the whole or any part of the first £2,000 of any judgment recovered by the Plaintiff against the said Defendant because such Defendant is of insufficient means to pay such judgment then if having regard to the exceptions provided in subsection (4) of section 70 of the Transport Act 1949 the Defendant would have been indemnified if the Defendant had obtained Motor Vehicle (Third Party) Insurance under the Transport Act 1949 and subject to the Plaintiff executing in favour of the Insurers the assignment of the judgment obtained provided for in the next succeeding clause of these Articles of Agreement the Insurers will pay to the Plaintiff in respect of such judgment the amount of such judgment to a limit of £2,000 less any sum which the Plaintiff may have received on account or in respect of the said judgment, Provided always that the total amount payable by the Insurers in respect of all claims arising out of one accident or disaster shall not exceed £7,500 in all and if necessary the amount payable hereunder to each claimant shall abate proportionately to the extent necessary to keep the total of all payments to the sum of £7,500.

(22) It shall be a condition precedent of any payment by the Insurers in terms of the preceding clause of these Articles of Agreement that the Plaintiff shall execute in favour of the Insurers an assignment of the judgment obtained by the Plaintiff against the Uninsured Defendant.

(23) If the Insurers shall recover under the judgment assigned by any Plaintiff any sum in excess of the moneys paid by the Insurers to the Plaintiff and the costs and expenses incurred by the Insurers (hereinafter called the surplus moneys) then the Insurers will pay the said surplus moneys to the Plaintiff or to his her or its Executors Administrators or legal successors.

(24) The Insurers shall not be under any obligation to enforce any judgment assigned nor shall the Insurers be liable for any failure to enforce the said judgment.

(25) Any Plaintiff who desires to claim upon the Insurers in pursuance of these Articles of Agreement and by reason of a judgment obtained against an Uninsured Defendant not being satisfied shall give written notice (to be sent by Registered Post) to the Commissioner of Transport stating the following:

- (a) The full name, address, and occupation of the Plaintiff;
- (b) The date, time and place of the accident giving rise to the action brought by the Plaintiff;
- (c) A certified copy of the judgment obtained by the Plaintiff against the Defendant;
- (d) A statutory declaration stating the following:
 - (1) That nothing has been recovered from the Defendant in respect of the said judgment;
 - (2) That the Defendant is an Uninsured Defendant within the meaning of these Articles of Agreement;
 - (3) That according to the best of the Plaintiff's knowledge, information and belief, the Defendant is unable to pay the said judgment (or the balance owing in respect of the said judgment) from the Defendant's own moneys or assets;
 - (4) That the Plaintiff wishes to avail himself of the benefits conferred by these Articles of Agreement and that in consideration of the Insurers receiving the application the Plaintiff agrees to be bound by the provisions of these Articles of Agreement and the Plaintiff is accordingly prepared to assign the said Judgment to the Insurers.

(26) The Commissioner of Transport shall forward all applications received in terms of the preceding clause of these Articles of Agreement to the General Manager of the State Fire Office who is the authorised agent of the Insurers to deal with all such applications made for the benefits conferred by these Articles of Agreement.

(27) If any dispute shall arise between a Plaintiff claiming the benefits provided for by these Articles of Agreement and the Insurers as to whether the real reason why the said Plaintiff is unable to obtain payment of the whole or any part of the first £2,000 of any judgment recovered against an Uninsured Defendant is because such Defendant is of insufficient means to pay such judgment then such dispute shall be settled by an Arbitrator who shall be appointed by the Commissioner of Transport and the Award of the Arbitrator appointed by the Commissioner of Transport shall be final and binding upon the Plaintiff and the Insurers.

PART III—GENERAL

(28) The total amount (including all costs payable or incurred and including party and party costs) payable under any award made or required to be paid to any Plaintiff in accordance with the provisions hereof together with the legal and other costs incurred by the State Fire Insurance General Manager in handling the claim shall be collected by the Commissioner of Transport from the insurers and thereafter disbursed by him to and through the State Fire Insurance General Manager; but the Commissioner shall be liable to pay as aforesaid only such amount as he actually receives.

(29) Each of the Insurers shall contribute such proportion of the total amount payable to the Commissioner of Transport as the amount payable to it under subsection (2) of section 77 of the Transport Act 1949 for the year in which the accident giving rise to the claim occurred bears to the total premiums received under subsection (1) of the said section 77 during the months of July August and September.

(30) Each of the Insurers hereby authorises the Secretary of the Post Office to give to the Commissioner of Transport such information as the latter may require to enable the

Commissioner to assess each of the Insurers with the proportion of the total amount payable by each Insurer in respect of each claim.

(31) For the purpose of collecting the necessary amount, the Commissioner shall notify each Insurer in writing of such total amount and of the proportion thereof payable by it, and the assessment of the Commissioner shall be accepted by each Insurer as final and conclusive; and each Insurer shall pay such proportion to the Commissioner within seven days after receiving such notification.

(32) The provisions of all existing agreements referred to in this agreement shall apply to all claims made in respect of any accident that occurs prior to the date of the publication of this agreement in the *New Zealand Gazette* but on and after the said date of publication the said existing agreements shall cease to be in force except with regard to any claim arising in respect of any accident that occurs prior to that date.

(33) Any of the Insurers may withdraw from this agreement and the provisions hereof upon giving to the Minister of Transport not less than three calendar months' notice in writing, expiring on the 30th day of June in any year, of its intention to do so, and upon the expiration of such notice such Insurer shall cease to be under any liability under or in respect of this agreement or the provisions hereof, but it shall in such case remain liable to the Commissioner for its proportion of any claim theretofore or thereafter made in respect of any accident occurring before the expiration of such notice. Notwithstanding any such withdrawal or withdrawals as aforesaid, and subject as aforesaid, this agreement and the provisions hereof shall continue to bind the other Insurers who shall not have withdrawn as if they were the only parties hereto. The liability of any party to these presents shall not be affected by failure to become a party hereto on the part of any person, company, or corporation whose participation herein may have been in contemplation.

(34) Upon giving not less than three calendar months' notice in writing to the Insurers, in like manner as a claim is hereby required to be submitted to them, the Minister of Transport may terminate this agreement, but so that the same shall continue to have effect in respect of any accident occurring before the expiration of such notice.

(35) The Minister shall arrange for the publication of this agreement in the *New Zealand Gazette* as soon as possible after the date of its execution by all parties to the agreement and this said agreement shall be deemed to come into force on the date of the said publication thereof.

In witness whereof these presents have been executed the day and year first above written.
