Provided further that for the purposes of this order the cutting of a cheese does not alter the classification of such cheese as set out in clause 3 (1) of this order.

(2) For the purposes of this clause the weight of any cheeses sold in crates shall be deemed to be their weight as at the time of crating, and the weight of uncrated cheeses shall be deemed to be their actual weight when delivered to the purchaser.

(2) Where the quantity of cheese sold by a retailer in any one transaction is not an exact number of pounds, the maximum price shall be computed at the rate per pound fixed in accordance with the last preceding subclause.

(3) If in respect of any cheese the retail price charged in accordance with the provisions of this clause is not an exact number of pence or halfpence, the maximum price shall be computed to the next upward halfpenny.

SPECIAL PRICES WHERE EXTRAORDINARY CHARGES INCURRED

Subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorise special prices in respect of any cheese to which this order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of cheese or may relate generally to all cheese to which this order applies sold by the retailer while the approval remains in force.
