THE GROWTH AND DEVELOPMENT OF
SOCIAL SECURITY IN NEW ZEALAND

A survey of social security in New Zealand from 1898 to 1949, and the most comprehensive work on the subject yet published in this country.

The book is divided into three parts—cash benefits, health benefits, and finance. Each subject is dealt with in detail and there is a comprehensive index.

The book will undoubtedly be of considerable interest to those interested in social security and social services, and will be especially valuable to University students.

A PENAL POLICY FOR NEW ZEALAND

In this brochure the problem of crime is briefly surveyed, and an outline given of the principles on which the Department of Justice acts in fulfilling its duty to provide better protection to society. The substance and the purposes of proposed changes in the law are also given.

A Penal Policy for New Zealand is commended by the Minister of Justice to all those—and it should be the concern of the whole community—who are interested in coping with what is undoubtedly a serious social problem.

AGRICULTURAL BOTANY

By J. S. YEATES and ELLA O. CAMPBELL

This book supplies a long-felt want in this country by providing a simple explanation of the manner in which plants function and the conditions necessary for their growth. Wherever possible technical terms have been avoided, and those essential to a proper understanding of the subject have been fully explained. Over one hundred illustrations contribute to a clear exposition of the subject. As a result, although the book is primarily intended for use in schools and colleges, it is also suitable for farmers, orchardists, horticulturists, and home gardeners.
