*Manufacturers' Prices*

5. (1) Subject to the following provisions of this order, the maximum price that may be charged or received by any manufacturer carrying on business at one of the places specified in the Second Schedule hereto for any standard mash to which this order applies shall be the appropriate price specified in the said Schedule, and with respect to any other mash shall be the appropriate price fixed for No. 1 laying mash or No. 1 chick mash (as the case may be) reduced at the rate of £7 per ton, unless a price order or a special approved price is in force with respect to such mash.  
(2) Subject to the following provisions of this order, the maximum price that may be charged or received by any manufacturer carrying on business elsewhere than at one of the places specified in the Second Schedule hereto for any mash to which this order applies shall be the price that may be charged by the manufacturer carrying on business at the nearest specified place increased by the amount of the freight charges that would have been incurred had the mash been conveyed at current rates from such nearest place to the premises of the manufacturer.  
(3) The prices fixed by the foregoing provisions of this clause are fixed as for delivery at the premises of the manufacturer.

*Merchants' Prices*
