PALMERSTON NORTH CITY COUNCIL

OBJECTIONS TO PALMERSTON NORTH DISTRICT SCHEME

Zoning and Reserving of Land Section

THE Palmerston North City Council hereby gives notice that the hearing of objections to the district scheme relating to Palmerston North will commence at the Council Chambers, The Square, Palmerston North, at 4 o'clock in the afternoon on 8 October 1958, and will continue as there arranged from time to time and place to place until all objectors and witnesses have been heard.

All persons who wish to be heard in support of or opposition to any objection shall notify the Council accordingly at least three days before that date.

The following is a summary of the subject matters of objections received by the Council.

1. Objections to residential zoning on the grounds that the zoning should be industrial—

- (a) W. Scott: Objecting to the residential zoning on the corner of Miles Place because of its suitability as a site for a service station.
- (b) I. H. Byers: Objecting to the zoning of 81 Linton Street as it is already used for the purposes of an ice-cream factory.
- (c) R. P. Wood: Objecting to 12 and 18 Dahlia Street being zoned as residential because of its present use and proximity to the Princess Street industrial zone.
- (d) Consumer Co-op. (Manawatu) Ltd.: Objecting to zoning of their bakery in Ruahine Street as residential on the grounds that it should rightly be zoned industrial.

(e) Minister of Works: Objecting to the zoning of the land required for extension to P. and T. site Matipo Street.

2. Objections to industrial zoning on the grounds that it should be residential—

- (a) Nineteen objections from the southern side of Tremain Avenue against the zoning of the northern side for industrial purposes.
- (b) Consumers Co-op. (Manawatu) Ltd.: Objecting to the industrial zoning on the corner of Melford Road and College Street.
- (c) A. Newton (supported by others): Objecting to the industrial zoning on Milson Line from Tremain Avenue to the railway deviation.

3. Objections to residential zoning on the grounds that it should be commercial—

- (a) Armaghdown Motors and Newman Bros.: Objecting to the zoning as residential, of Amesbury Street.
- (b) The District Public Trustee: Objecting to the residential zoning on Albert Street, 191 Ferguson Street, 229 corner of Albert and Grey Streets.
- (c) C. A. Reid: Objecting to the lack of shop sites in the Pahiatua-Manawatu Streets intersection.
- (d) The Hopwood Property Co.: Objecting to residential zoning on their property on the corner of Main Street and Victoria Avenue.
- (e) J. D. Cowie: Objecting to the zoning of his property on the corner of Ruahine Street and Pahiatua Street as residential.
- (f) The Consumers Co-op. (Manawatu) Ltd.: Objecting to—

(1) The whole of the land owned by them on the corner of Melford Road and College Street being zoned for shops.

(2) Objecting to the lack of shopping sites in the Grover Block area and that although they consider that the corner of Manawatu Street and Crewe Crescent is not the best site in their opinion, it is the only one available.

(3) Objecting to the zoning of their property at the corner of Grey and Ruahine Streets as residential.

(4) Objecting to the zoning of 284 Botanical Road on the grounds that the area requires more shopping zone.

(g) The Carlton Hotel Ltd.: Objecting to 88 Lombard Street being zoned as industrial when the property is held for extensions to the hotel and therefore should be zoned commercial.

4. Objections to proposed roads—

- (a) J. S. Yeates and E. R. Edmunds, of Long Melford Road: Objecting to the proposed subdivisional road shown on their property.
- (b) Minister of Works: Objecting to proposed road through his highway depot, Tremain Avenue.

5. Objecting to proposed school sites—

- (a) H. S. Brooks, Slacks Road: Objecting to his property being scheduled for a school on the grounds that it would deprive him of an economic use of the property and suggesting that it should be relocated to take only part of his property and part of the adjoining properties.
- (b) Highbury Estate (P.N.): Objecting to the proposed school site shown on their property in Highbury Avenue and Lancaster Street.
- (c) The District Commissioner of Works: Objecting to the school sites shown between Manawatu Street and the river and submitting an alternative proposal.

6. The Minister of Works: Objecting to the code of ordinances not providing for caretakers quarters in commercial buildings.

NOTE—For further details objections may be viewed and copied if desired at the City Engineer's Office, The Square, Palmerston North, during normal office hours.
