*Compensation Claims Against the Government of Austria*

THE Prime Minister has been informed that the Government of Austria has recently promulgated a law for the assistance of certain persons who suffered property damage in Austria either directly through war activities between 1939 and 1945 or through political persecution in the period 1933-1945. Under the provisions of this law compensation may be claimed from the Austrian Government in respect of property damage resulting from the seizure, loss, or destruction of household goods or tools of trade in the Austrian Federal Territory.

Any claims for compensation under this law must be lodged before 30 June 1959 with the State Office of the Federal Treasury for the area in which the property was located at the time the damage took place.

The Prime Minister has also been informed that the Austrian Government has enacted legislation concerning the settlement of claims arising from life assurance policies confiscated by the German Reich between 1938 and 1945. This law ensures that the former holders of such policies will be treated in the same way as if their policies had never been confiscated.

Any interested person must file a claim under this law not later than 30 June 1959 with the appropriate Austrian insurance company.

Further information regarding these two laws may be obtained from the Department of External Affairs, Wellington.

Dated at Wellington this 19th day of December 1958.

## CHARITABLE TRUSTS ACT 1957

In the matter of the Charitable Trusts Act 1957 and in the matter of the estate of Robert Harding, late of Raukawa, sheep farmer, deceased (hereinafter called "the testator").

NOTICE is hereby given that application has been made by the trustees of the estate of the testator to the Supreme Court of New Zealand, pursuant to section 35 of the above-mentioned Act, for approval of a scheme proposed by the trustees to vary the purpose and conditions of a bequest of one thousand pounds (£1,000) given by the will of the

testator to the Hawke's Bay Hospital Board. The purpose of the said bequest was the erecting or contributing towards the cost of the erection of a covered way from the Nurses' Home at the Memorial Hospital Hastings to the building of the said Memorial Hospital, and a condition was that the covered way be completed within three years of the death of the testator. Because the Board has advised the trustees that on account of changes in the plans and position of new buildings at the said Memorial Hospital the said purpose is impracticable or inexpedient, a scheme for a new purpose for the said bequest has been proposed by the trustees with the consent and approval of the said Board which said new proposed scheme is as follows, namely, that the said bequest of one thousand pounds (£1,000) be used in paying the costs incidental to the scheme and in reimbursing the said Board in whole or in part for the cost of erecting a supper room to be attached to the Harding Hall at present erected in the grounds of the said Memorial Hospital and that the legacy be payable if the said supper room be completed within four years of the death of the testator.

Notice is further hereby given that application for such approval of the said proposed scheme will be heard at the sittings of the Supreme Court of New Zealand at Napier commencing on the 17th day of February 1959.

And notice is further hereby given that any person who desires to oppose the said proposed scheme shall, not less than seven (7) days before the said 17th day of February 1959, give written notice of his intention to do so to the Registrar of the Supreme Court of New Zealand at Napier, to the trustees of the said will, care of their solicitors, and to the Attorney-General of New Zealand.
