Timber Preservation Regulations—Specifications for the Preservative Treatment of Timber

REGULATION 8 (d) of the Timber Preservation Regulations 1955* makes provision for the formulation and adoption by the Timber Preservation Authority of specifications governing the preservative treatment of timber.

Notice is hereby given that the following specifications are now completed:

Interim Code No.	Description of Specification
I	Specification for the vacuum pressure impregnation with creosote or pentachlorophenol of natural-round timbers (including natural-round fence posts, piles—other than for marine use—and poles of the species herein referred to), sawn or split posts, part rounds, and other timbers which will be used in contact with the ground and in other situations favourable to decay.
I (FB)	Specification for the vacuum pressure impregnation with creosote or pentachlorophenol of sawn or split fence battens (droppers).
II	Specification for the hot/cold bath method of impregnation with creosote or pentachlorophenol of natural-round timbers (including natural-round fence posts, piles—other than for marine use—and poles of the species herein referred to), sawn or split posts, part rounds, and other timbers which will be used in contact with the ground and in other situations favourable to decay.
II (FB)	Specification for the hot/cold bath method of impregnation with creosote or pentachlorophenol of sawn or split fence battens (droppers).
III	Specification for the vacuum pressure impregnation with water-borne preservatives of natural-round timbers (including natural-round fence posts, piles—other than for marine use—and poles), sawn or split posts, part round, and other timbers which will be used in contact with the ground or in other situations favourable to decay.
III (FB)	Specification for the vacuum pressure impregnation with water-borne preservatives of sawn or split fence battens (droppers).
IV	Specification for the vacuum pressure impregnation with water-borne preservatives of sawn timber which will be cut and used out of contact with the ground in building construction, and continuously protected from the weather.
V	Specification for the diffusion impregnation with boron compounds by the momentary immersion methods (momentary dip, spray tunnel, chain dip) of sawn timber which will be cut and used out of contact with the ground in building construction, and continuously protected from the weather.
VI	Specification for the diffusion impregnation with boron compounds by the steam and cold quench method of sawn timber which will be cut and used out of contact with the ground in building construction, and continuously protected from the weather.

It is the intention of the Timber Preservation Authority, pursuant to regulation 8 (d), formally to adopt these specifications with effect from a date yet to be determined. In the meantime the specifications may be perused by any person and copies may be obtained on application to the Secretary, Timber Preservation Authority, Sixth Floor, Prudential Building, Lambton Quay, Wellington, or to G.P.O., Box 1320, Wellington.

The Timber Preservation Authority will receive for consideration any comments on the specifications which reach the office of the Secretary before 4.30 p.m., on Monday, 1 August 1960.

C. L. BISHOP, Chairman.

Timber Preservation Authority.

WAIRARAPA SOUTH COUNTY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1953

PUBLIC notice is hereby given that, pursuant to a resolution of the Wairarapa South County Council made on the 16th day of April 1959, a scheme has been recommended for approval under the Town and Country Planning Act 1953. The scheme relates to the Wairarapa South County. The scheme has been deposited in the County Council Offices, Belvedere Road, Carterton, and is there open for inspection, without fee, to all persons interested therein at any time when the offices are open to the public.

Objections to the scheme or to any part of it shall be in writing in the form No. 4 prescribed in the First Schedule to the Town and Country Planning Regulations 1954, and shall be lodged at the office of the Council at any time not later than 16 September 1960. At a later date every objection will be open for public inspection, and any person who wishes to support or oppose any objection will be entitled to be heard at the hearing of objections if he notifies the County Clerk in writing within a period of which public notice will be given.

Dated at Carterton this 16th day of June 1960.

For the Wairarapa South County Council—

779

R. E. BARNES.
