8. Titahi Bay Domain Board: On the ground that Lots 9, 11, 14, and 15, D.P. 10464, and Lots 11 and 12, D.P. 6709, and part Sub. 7, Koangaamu, now zoned "residential" be rezoned as "proposed reserve".

9. Makara County Council: On the ground that churches and buildings used only for religious purposes should become a predominant use in residential zones subject to certain conditions.

10. Minister of Works:

(a) That the land having frontage to Te Pene Avenue adjoining and south of the Titahi Bay commercial centre should be zoned Commercial C.

(b) That a proposed plantation reserve between the rural zone and the rear of properties having frontage to Rakikau Place, Pikarere Street, Hiwi Crescent, and Whenua View should be shown on the district planning map.

(c) That the existing accessway between Arene Grove and Whenua View should be shown on the district planning map.

(d) That Lot 754, D.P. 19348, should be included within the site of the Piko Street primary school.

(e) That the proposed roading of the housing block between Dimock Street and Te Hiko Street as shown on the district planning map should include the connection to the Dimock Street extension.

(f) That the land shown as a proposed reserve between the Porirua-Titahi Bay highway and the rear of the sections fronting Waita Street, together with certain adjoining land, should be shown on the district planning map as a site for a proposed intermediate school.

(h) That the proposed reserve west of Takapuwhia Pa should be shown on the district planning map.

(i) That a proposed reserve between Mana College and the Porirua-Titahi Bay highway should be shown on the district planning map and that part of the old Porirua-Titahi Bay road should be shown as proposed to be closed.

(j) That the western boundary of Mana College should be amended.

(k) That the four access strips from the scenic reserve west of Elsdon to Waiho Terrace, Aparangi Crescent, and Ngahue Crescent should be shown on the District Planning Map.

(m) That the proposed accessway between Mohuia Crescent and Hukatai Street should be shown on the district planning map.

(n) That the land zoned Residential between the Youth Camp and the Industrial B Zone should be shown zoned Industrial B on the district planning map.

NOTE—The objections of the Minister of Works are more particularly shown on plans T.P. 6255 and 6256 which are deposited at the offices of the Council at the address above-mentioned, and are there available for inspection during normal office hours.
