(1) Subject to the following provisions of this order, the maximum price that may be charged or received by any manufacturer carrying on business at one of the places specified in the Second Schedule hereto for any standard mash to which this order applies shall be the appropriate price specified in the said Schedule, and with respect to any other mash shall be the appropriate price fixed for No. 1 laying mash or No. 1 chick mash (as the case may be) reduced at the rate of £7 per ton, unless a price order or a special approved price is in force with respect to such mash.  
(2) Subject to the following provisions of this order, the maximum price that may be charged or received by any manufacturer carrying on business elsewhere than at one of the places specified in the Second Schedule hereto for any mash to which this order applies shall be the price that may be charged by the manufacturer carrying on business at the nearest specified place increased by the amount of the freight charges that would have been incurred had the mash been conveyed at current rates from such nearest place to the premises of the manufacturer.  
(3) The prices fixed by the foregoing provisions of this clause are fixed as for delivery at the premises of the manufacturer.

(2) Subject to the following provisions of this order, the maximum price that may be charged or received by any merchant carrying on business elsewhere than at one of the places specified in the Second Schedule hereto for any mash to which this order applies shall be the price that may be charged by the merchant carrying on business at the nearest specified place increased by the amount of any freight charges actually incurred between the place of purchase and the merchant's store.

*Retailers' Prices*

7. (1) Subject to the following provisions of this order, the maximum price that may be charged or received by any retailer carrying on business at one of the places specified in the Second Schedule hereto for any standard mash to which this order applies shall be the appropriate price specified in the said Schedule, and with respect to any other mash shall be the appropriate price fixed for No. 1 laying mash or No. 1 chick mash (as the case may be) reduced at the rate of £7 per ton, unless a price order or a special approved price is in force with respect to such mash.  
(2) Subject to the following provisions of this order, the maximum price that may be charged or received by any retailer carrying on business elsewhere than at one of the places specified in the Second Schedule hereto for any mash to which this order applies shall be the lesser of (a) the price that may be charged by a retailer carrying on business at the nearest specified place increased by the appropriate proportion of any freight charges actually incurred between that place and the retailer's store, or (b) the price that may be charged by a retailer carrying on business in the specified place from which the mash was purchased, increased by the appropriate proportion of any freight charges actually incurred between that place and the retailer's store.

## GENERAL

(2) Where any mash is packed in sacks or bags of any other size the said prices shall be reduced by 12s. 6d. per ton unless a different price is specially authorised under the provisions of clause 9 of this order.  
(3) The prices fixed by this order are net and include the cost of the sacks or bags.

## PROVISION FOR SPECIAL PRICES

9. Notwithstanding anything to the contrary in the foregoing provisions of this order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any manufacturer, merchant, or retailer, may authorise special maximum prices in respect of any mash to which this order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the manufacturer, merchant, or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of mash, or may relate generally to all mash to which this order applies sold by the manufacturer, merchant, or retailer while the approval remains in force.

10. Where the price computed in accordance with the provisions of this order is, in the case of a manufacturer or merchant, not an exact number of pence, it may be computed to the next upward penny, and where, in the case of a retailer, it is not an exact number of pence or halfpence, it may be computed to the next upward halfpenny.
