- (9) Where any phosphatic fertilisers are sold for delivery elsewhere than at one of the places mentioned in subclauses (1), (2), (3), (4), (5), (6), and (7) of this clause, the maximum price that may be charged or received shall be the appropriate price fixed in the First, Second, Third, Fourth, Fifth, Sixth, or Seventh Schedule hereto, whichever is appropriate, increased by the amount of the freight charges between the place of manufacture and the place of delivery: Provided that the amount added to the price in respect of freight charges shall not in any case exceed the amount that would have been incurred had delivery been effected by the holder of a goods-service licence under the Transport Act 1949 at authorised rates.
- (10) In every invoice, debit note, or similar document issued by a vendor to a user in respect of the sale of any phosphatic fertiliser, there shall be shown separately:
