- (e) No person shall in any building in the park act or use the same otherwise than in a cleanly and decent manner.

3. HUTS

(a) Any person desiring the use of any huts or other buildings the property of the Board erected in the park shall apply to the Secretary or a Park Warden or to an authorised person who may in his discretion grant to such applicant usage of the hut or building as he shall deem advisable, either exclusively or together with any other person or persons.

(b) The restrictions on and conditions of usage of any such huts or buildings shall be as fixed by the Board by resolution from time to time.

(c) A Park Warden or Ranger, or other officer of the Board, is empowered to terminate any usage of any such hut or building where the user has departed from the terms and conditions upon which usage was granted or where the user acts in such a manner as in the opinion of the Park Warden or Ranger or other officer of the Board is likely to cause damage to the Board's property or to give offence to other persons, or to cause them annoyance.

(e) Should any organisation be empowered to erect any buildings for accommodation of its members within the park it shall be subject to the condition that if such accommodation is not in the opinion of the Board being made reasonable use of by such members, then other persons may be authorised by the Board to make use of such accommodation under whatever conditions the Board may determine.

4. FIRES

No person shall light any fire, except at camping sites or picnic places without the express permission of the Secretary or a Park Warden or of an authorised person.

No person shall kindle a fire near trees or dead wood, moss, dry leaves, grass, tussock, forest mould, or other vegetation, but a fire may be lit in a specially prepared open place on rocks or earth. Should camps or picnic places be located in a locality where no such open place exists, or is provided, any other vegetation must be scraped away down to the rock

or earth over an area considerably larger than that required for the fire. Fires shall be lighted only when necessary, and when no longer needed shall be completely extinguished by covering all embers and the bed with earth and water so that there remains no possibility of the fire reviving.

No match, lighted or not lighted, cigarette, or other lighted matter shall be dropped, thrown, or otherwise placed in any grass or other inflammable material.

The requirement for written permission of the Board may be waived in such cases as the Board may nominate at its discretion, but this does not absolve persons from compliance with any requirements that the Director of Civil Aviation may stipulate.

The Board shall be entitled at any time to prohibit the entry by the public to any part or parts of the park the use of which as aerodromes or landing grounds is permitted by the Board.

10. ENTRY INTO SPECIAL AREAS
