*Appointment of Commission Under Section 5 of the Transport Act 1962 to Inquire into the Movement of Import and Export Goods*

1. Pursuant to section 5 of the Transport Act 1962, the Minister of Transport hereby appoints the persons described in the Schedule hereto as a Commission to inquire into and advise on the efficient and economic movement and handling of export and import goods to and from and through ports with particular reference to the present adequacy and future development and requirements of ports and their associated internal and sea transport.

2. The Commission shall be called the Transport Commission.

3. The Commission shall generally have regard to—

(a) The likely progressive growth of demand for ports transport during the next 20 years in relation to:

(i) The existing and potential primary production for export including consideration of the present and proposed location of primary produce processing plants and of cool storage and other export storage whether at ports or otherwise;

(ii) The location of existing and proposed industrial plants, including those in the pulp and paper, steel, aluminium, fertiliser, and other industries;

(iii) The existing and potential import cargoes including consideration of the requirements of national development, industrial raw materials, and private consumer goods and of present and proposed goods storage at ports or controlled by port authorities;

(iv) The present or proposed ports scheduling of ships which may result in fewer ports of call per voyage but larger port cargo loadings or unloadings per ship; and

(v) The existing and potential movements of cargo between ports by coastal shipping.

(b) The development of ports, including the priority of development between ports, in the national interest, and a specification of the main developments required at each port, by reference to:

(i) The likely progressive growth of demand for port transport at each port during the next 20 years; and

(ii) The existing or proposed berthage, storage (whether in transit sheds or on wharves, or adjacent areas), mechanical handling equipment, access (whether by road or by rail), and cargo marshalling space.

(c) The development of internal transport facilities to ensure that goods for port transport will flow smoothly and efficiently to and from ports, by reference to:

(i) The likely progressive growth of demand for port transport at each port during the next 20 years;

(ii) The existing and proposed internal transport facilities for the movement of goods to and from ports, whether by road, rail, air, or by transshipment, and the proper functions of each of these systems of internal transport in relation to ports transport; and

(iii) The access facilities at each port and the type or types of internal transport considered suitable or efficient for the servicing of particular cargoes at a port.

(d) The manner in which arrangements should be made to give effect to the recommendations of the Commission, including the organisation, if any, which should be set up specially for this purpose.

(e) Proposals for the introduction of two-port discharging and loading of overseas vessels, including consideration of the needs of shipping lines serving New Zealand, the possible effects on deliveries to overseas markets, and the internal transport costs associated with the adoption of these proposals.

(f) The desirability of alterations in the present methods of approving capital expenditures for port development works.

(g) The desirability of, and proposed methods for, promoting the usage of pallet, container, or other unit systems of cargo handling and of special port cargo-handling plant including all-weather loaders, bulk-handling plant, etc.

(h) Such other matters as may from time to time be notified to the Commission by the Minister of Transport.

(i) Any other matters that the Commission considers relevant to the inquiry.

4. (1) Meetings of the Commission shall be held at such times and places as the Commission or the Chairman from time to time appoints.

(2) At any meeting of the Commission the Chairman, or a member appointed by the Chairman to act in his stead, and one other member shall form a quorum.

(3) Subject to the provisions of this clause, the Commission may regulate its procedure in such manner as it thinks fit.

5. The Commission shall from time to time make reports on the results of its inquiry into and examination of the following particular matters and to issue these reports from time to time either before or after completion of its inquiry into and examination of these matters:

(a) The adequacy and economy of existing systems of ports transport and associated internal transport, and proposals for better organisation, efficiency, and co-ordination of these systems;

(b) Methods by which overall costs of cargo handling by ports transport may be reduced, in particular where those costs involve payments from overseas funds;

(c) The effects of the greater adoption of cargo handling by means of pallet, container, or other unit systems, and the development of special all-weather, bulk-handling, or other mechanical cargo-handling equipment for ports transport; and

(d) Such other particular matters as may from time to time be notified to the Commission by the Minister of Transport.

6. The Commission shall from time to time submit its reports and recommendations to the Minister of Transport.

## HUTT COUNTY COUNCIL

## TOWN AND COUNTRY PLANNING ACT 1953

*Hutt County (Northern Section) District Scheme Review No. 1—Proposed Variations to Scheme*

NOTICE is hereby given that, pursuant to a resolution of the Hutt County Council, made on 10 June 1965, it is the intention of the Council to vary the provision of the above scheme as publicly notified on 9 October 1963.

The following is a summary of the subject-matters of these proposals:

## 1. Code of Ordinances:

- (a) "Refuse tips"—to be a conditional use in rural zones.
- (b) "Yards"—Redefinition, amendments to requirements for siting, coverage and height of buildings and accessory buildings with particular reference to vehicular access and garages.
- (c) "Subdivision of land"—Rephrasing of this ordinance with particular reference to standard area and frontage requirements.
- (d) "Private parking"—Amendment to parking requirements for shopping and business premises and additional provision regarding payment of money in lieu of land for parking.
- (e) "Maintenance of land and buildings"—Rephrasing of this clause with additional requirements relating to maintenance, unsightly property, and the Council's powers of control in this respect.

## 2. Alterations to Zoning:

- (a) Part 1, Ngarara West B, Block III, Kapiti S.D. Area adjacent to proposed aerodrome off Grays Avenue, Paraparaumu Beach, as indicated on Plan T.P. 5/10, from Industrial B to Residential.
- (b) Lot 1, D.P. 21078, Valley Road, Paraparaumu, from Rural to Residential as indicated on Plan T.P. 5/11.
