Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963 and in the matter of an application by Hicks Smith and Sons Ltd., in respect of two books *Nexus* and *Plexus* both by Henry Miller.

DECISION OF THE TRIBUNAL

THE tribunal has been called upon to consider an application made by Hicks Smith and Sons Ltd.—with the consent of the Minister of Justice—in respect of two books, *Nexus* and *Plexus* by Henry Miller—whether they are indecent or not, or alternatively for a decision as to the classification of each.

At the hearing we were informed that the Secretary for Justice did not desire to make any submissions; there was no appearance on behalf of the applicant.

We have considered both these books. Each is a hard back edition to be sold for something over one pound. We are not prepared to hold either to be indecent or to make any restriction on their sale. Each is a serious work by an author who has written much and has defined his attitude as loving the world of human beings wretched, botched and horrible though it may be. There are passages which might offend some readers but we do not think we should be warranted in condemning either as indecent.

We accordingly hold that neither book is indecent in terms of the Indecent Publications Act.

K. M. GRESSON, Chairman.

TOWN AND COUNTRY PLANNING ACT 1953

Public Notification of Variation of the Hamilton Proposed District Scheme (Section 1)

PUBLIC notice is hereby given that, pursuant to a resolution of the Hamilton City Council made on the 8th day of September 1965, a variation to the Proposed District Scheme (Section 1) has been proposed under section 22 (1) of the Town and Country Planning Act 1953. The variation is to the Code of Ordinances and relates to an amendment to Ordinance 9 (Uses within zones) and Ordinance 2 (Interpretation).

The variation consists of:

1. The deletion of Ordinance 9 from the published Code of Ordinances and the substitution of a new ordinance.
2. The deletion of Ordinance 2 from the published Code of Ordinances and the substitution of a new ordinance.

3. Consequential amendments to the Scheme Statement and Code of Ordinances including the deletion of the wording of Ordinance 18 (which deals with the height of buildings in Commercial B and Industrial zones) and substituting reference to the fact that this matter is dealt with in the proposed new Ordinance 9, the revision of Appendix A (alphabetical list of uses), Appendix B (zoning table), the amendment of Appendix D (illustrating the angle controlling height referred to in Ordinance 18), and the deletion of Appendix C (Residential density, now covered in proposed new Ordinance 9).

Ordinance 9 deals with uses permitted in the various zones and the restrictions on size and siting of buildings, density, etc. The new ordinance proposes a reduction in the range of uses (chiefly the conditional uses) and amends some of the provisions for height, coverage, siting of buildings, density, and other matters dealt with by the published ordinance.

Ordinance 2 comprises definitions. Some of these are proposed to be deleted as now being unnecessary and others amended to conform with generally accepted definitions.

The net annual revenue of the fund, calculated during the Society's financial year ending 31 March after deduction of administrative expenses, together with any unexpended revenue from previous years, shall be paid by the General Secretary in whole or in instalments on the request in writing of the President who is in office during the following year.

K4. Revenue from the fund may be used by the President at his sole discretion to support in whole or in part any one or more of the following activities undertaken in his capacity as President, or for any other activities that he deems necessary or desirable for the performance of his office, and for the furtherance of the charitable objects of the Society:

- (a) For hospitality or entertainment;
- (b) For travelling expenses for himself or for his deputy both in New Zealand and overseas to deliver addresses, attend scientific meetings, conferences, formal celebrations, or meetings for presentation of the Society's awards;
- (c) For stationery, postage, circulars, invitations, business cards, secretarial services;
- (d) For the support of any unbudgeted activities of the Society that will in his judgment further the promotion of science in New Zealand.

K5. Payments under the above rules shall require no resolution of the Council and the receipt or endorsement of the President shall be sufficient discharge to the Council for each such payment.

K6. The terms of these rules, and the disposal of both capital and revenue in the President's fund may be varied by resolution of the Council at any meeting by the unanimous vote of all councillors present at that meeting after notice of motion duly given.

SECTION L—FELLOWS

The original Fellows numbered 20 and included in the first place those Past Presidents, and Hutton and Hector Medallists who held their distinctions and positions prior to 3 February 1919, and who at that date were members of the New Zealand Institute. The remaining original Fellows were nominated as provided for in the Rules then in force, and elected by the said Past Presidents and Hector and Hutton Medallists.

L1. The Fellowship of the Society shall be an honour conferred for distinction in research and the advancement of science.

L2. The total number of Fellows at any time shall not be more than 100.

L3. The official abbreviation of the title "Fellow of the Royal Society of New Zealand" shall be F.R.S.N.Z.

L4. Not more than six Fellows shall be elected in one year. The number who may be elected in any year in terms of this rule shall be decided by the Fellows at the previous Annual General Meeting, but the Fellows shall not thereby be compelled to elect that number.

L5. No person shall be nominated or elected as a Fellow unless he has been resident in the Dominion of New Zealand for at least three years preceding his nomination. In giving his consent to nomination under Rule L6 each nominee shall express his willingness to comply with the conditions of Fellowship. Nothing herein contained shall render women ineligible for nomination or election.

L6. Nominations may be made by member bodies or by groups of Fellows. Nominations by Fellows must be signed by not less than three Fellows. Each of the member bodies may nominate as many persons as it thinks fit. Each nomination must be accompanied by a statement limited to about one foolscap sheet of typewritten matter of the qualifications of the candidate for Fellowship. When a candidate is nominated by more than one member body or group of Fellows it shall be sufficient to utilise the information supplied by one member body or group of Fellows. Where a candidate was also nominated in the previous year the statement utilised with that nomination may again be used. The consent of the candidate must be obtained in writing when he is first

nominated. All nominations must reach the General Secretary before 15 November in the year preceding the year of election.

L7. The Council shall set up advisory panels each of four Fellows, one of whom shall be named convener, in specialised fields, the number and nature of which shall be determined by Council. No one person shall serve on such a panel continuously for more than four years. The Convener of each panel shall receive from the Home Secretary five months before the Annual General Meeting the names and qualifications of each of the candidates to be considered by his panel. Each panel shall report to the Fellowship Selection Committee on each candidate considered, in the categories "strongly recommended", "recommended", or "not recommended" and will place the candidates in order.

L8. The panel reports shall be referred to a Fellowship Selection Committee which shall comprise the Conveners of panels and the Home Secretary under the Chairmanship of the President. This Committee shall meet and, after discussion of the qualifications of the candidates, prepare a list of the proposed Fellows.

L9. The list of the proposed Fellows shall be reported at the Annual General Meeting. Such meeting shall have the power only to accept each name or to refer it back to the Selection Committee. Those accepted will thereby be elected Fellows of the Society.

L10. (a) Every candidate for election as a Fellow shall, in giving his consent to nomination under Rule L6, also undertake to pay to the Society on election an annual subscription of such sum as these rules shall prescribe.

(b) Every Fellow elected after the year 1963 shall pay to the Society within one month of his election his first annual subscription as prescribed in Rule L10 (a) being the sum of £5 (or 10 dollars (N.Z.)) and the same sum not later than 1 May in every succeeding year; provided that every such Fellow may at any time compound for all future annual subscriptions by paying to the Society such sum as may be resolved by Council in terms of a sliding scale determined on an actuarial basis.

(c) Every Fellow elected prior to 1964 may at any time give an undertaking in writing to the Society to pay an annual subscription to the Society. Every such Fellow shall at the same time and not later than 1 May in each subsequent year pay to the Society his annual subscription as prescribed in Rule 10 (b). Every Fellow giving such an undertaking shall be subject to the provision of these Rules, regarding the payment of annual subscription and the consequences of non-payment thereof, in all respects as though he had been elected a Fellow after the year 1963. Every such Fellow may at any time compound for all future annual subscriptions by paying to the Society such sum as may be resolved by the Council in terms of a sliding scale determined on an actuarial basis.

(d) Every Fellow elected prior to 1964 who does not undertake to pay an annual subscription shall retain all the rights, privileges and responsibilities of a Fellow as provided by the Royal Society of New Zealand Act 1965 and by these Rules.

(e) On application from any Fellow who has given an undertaking to pay an annual subscription to the Society, the Council may for any sufficient reason remit payment of his annual subscription for such period as it sees fit.

(f) The Council may upon application remit by resolution the payment of all future annual subscriptions by any Fellow who has reached the age of 65 years or as soon thereafter as he has been a Fellow for 10 years.

(g) A notice of his obligation to pay an annual subscription to the Society shall be sent to each Fellow liable for such payment in the month of March in each year, and if any such Fellow shall on 1 May in any year have failed to pay his subscription for the two preceding years he shall cease to be a Fellow, and his name shall be removed from the register of Fellows unless the Fellows at the next Annual General Meeting shall resolve to the contrary on account of exceptional circumstances.

L11. The Fellows shall cause to be kept a register of Fellows of the Society, with the dates of their election, their degrees, honours and titles, in which shall be recorded the death of any Fellow, and the names of the deceased Fellows thus recorded shall be announced from the Chair at the next succeeding Annual General Meeting.

SECTION M—HONORARY MEMBERS

M1. The Fellows shall have power to elect honorary members (being persons not residing in the Dominion of New Zealand) provided that the total number of honorary members shall not exceed 30.

M2. Vacancies in the list of honorary members shall be announced at each Annual General Meeting and such announcement shall be communicated as early as possible to each member body. Each member body and any group of three or more Fellows may nominate one person for each vacancy and shall send to the General Secretary of the Society before 1 March the names, descriptions, and addresses of persons so nominated together with the grounds on which their election is recommended.

M3. The names and qualifications of those so nominated shall be sent to all Fellows and the election shall take place at the next Annual General Meeting.

M4. The title of honorary members shall be "Honorary Member of the Royal Society of New Zealand".

SECTION N—PUBLICATIONS

N1. The Publications of the Society shall include:

- (a) The *Proceedings* of the Society, containing such official record of the activities of the Society, its Fellows, Council, member bodies and Committees and such obituary notices as the Council may determine;
- (b) The *Transactions* of the Society, comprising papers submitted for publication subject to such selection as may be determined by the Council;
- (c) The *Bulletins* of the Society, comprising individual works, deemed to be unsuitable for publication in the *Transactions* on account of size or content, published at irregular intervals, subject to the approval of the Council in each instance.

N2. The Council, having regard to the recommendations of the Honorary Editor, shall determine the procedure for the selection of papers and bulletins for publication.

N3. On application to the General Secretary of the Society all Fellows shall be entitled to one copy of each publication issued by the Society, free of charge.

N4. A member of the Society shall be entitled to receive the *Proceedings* and/or the *Transactions* of the Society through membership of a member body. The Council shall determine the proportional contribution required from such a member body towards the cost of publications supplied to its members.

N5. The Society's publications shall be on sale to the public at prices determined from time to time by the Council.
