*Order No. 1 (1966) of the Trade Practices and Prices Commission*

In the matter of the Trade Practices Act 1958 and in the matter of an agreement or arrangement between members of the Brewers Association of New Zealand Incorporated relating to the price of beer.

WHEREAS the Trade Practices and Prices Commission has, pursuant to section 18 of the Trade Practices Act 1958, conducted an inquiry into an agreement or arrangement between members of the Brewers Association of New Zealand Incorporated whereby the members of the said Association agreed upon the prices to be charged by members for beer.

And whereas the Trade Practices and Prices Commission is of opinion that the said agreement or arrangement is a trade practice under section 19 of the Trade Practices Act 1958 which is contrary to the public interest under section 20 of the said Act.

Now, therefore, the Trade Practices and Prices Commission, pursuant to sections 19 and 21 of the Trade Practices Act 1958, by consent hereby orders that:

- (a) The Brewers Association of New Zealand Incorporated and the members thereof:
- (i) Discontinue the practice of fixing, nominating, or recommending the prices and terms and conditions on which brewers shall sell beer;
  - (ii) Refrain from reviving this practice in any form whether as members of the Brewers Association of New Zealand Incorporated or otherwise howsoever.
- (b) The Brewers Association of New Zealand Incorporated:
- (i) Pass a resolution within twenty-eight (28) days of the gazetting of this order rescinding all resolutions which gave rise to the said agreement or arrangement and declaring it to be the policy thenceforth of the said Association not to decide, recommend, or enforce the prices or terms on which its members shall sell beer;
  - (ii) Promulgate such resolution to all member brewers within fourteen (14) days of its being passed and furnish the Examiner of Trade Practices and Prices with advice that this has been done, accompanied by a copy of the resolution itself.

Provided however that in the event of beer duty, as defined in the Finance Act 1915, being increased at any time after the coming into force of this Order, nothing in this Order shall prevent the members of the said Association agreeing upon the action if any to be taken by each of them to recover any such increase in beer duty by increasing the price of beer sold by them.

Provided further however that any increase in the price of beer resulting from any such agreement shall not exceed the amount necessary to recover any such increase in beer duty.

- (e) No person shall in any building in the park act or use the same otherwise than in a cleanly and decent manner.

### 3. HUTS

- (a) Any person desiring the use of any huts or other buildings, the property of the Board erected in the park, shall apply to the Secretary or a park ranger or to an authorised person who may in his discretion grant to such applicant usage of the hut or building as he shall deem advisable, either exclusively or together with any other person or persons.
- (b) The restrictions on and conditions of usage of any such huts or buildings shall be as fixed by the Board by resolution from time to time.
- (c) A park ranger, or other officer of the Board is empowered to terminate any usage of any such hut or building where the user has departed from the terms and conditions upon which usage was granted, or where the user acts in such a manner as in the opinion of the park ranger or other officer of the Board is likely to cause damage to the Board's property, or to give offence to other persons, or to cause them annoyance.

- (e) Should any organisation be empowered to erect any buildings for accommodation of its members within the park it shall be subject to the condition that if such accommodation is not in the opinion of the Board being made reasonable use of by such members, then other persons may be authorised by the Board to make use of such accommodation under whatever conditions the Board may determine.

### 4. FIRES

No person shall light any fire, except at camping sites or picnic places, without the express permission of the Secretary or a park ranger or of an authorised person.

No person shall kindle a fire near trees or dead wood, moss, dry leaves, grass, tussock, forest mould, or other vegetation, but a fire may be lit in a specially prepared open place on rocks or earth. Should camps or picnic places be located in a locality where no such open place exists, or is provided, any other vegetation must be scraped away down to the rock or earth over an area considerably larger than that required for the fire. Fires shall be lighted only when necessary, and when no longer needed shall be completely extinguished by covering all embers and the bed with earth and water so that there remains no possibility of the fire reviving.

The requirement for written permission of the Board may be waived in such cases as the Board may nominate at its discretion, but this does not absolve persons from compliance with any requirements that the Director of Civil Aviation may stipulate.

The Board shall be entitled at any time to prohibit the entry by the public to any part or parts of the park the use of which as aerodromes or landing grounds is permitted by the Board.

### 10. VEHICLES

- (2) The names of all persons covered by the permit shall be set out.
- (3) The area covered by the permit shall be specified therein.
