An Easement over Land Taken for Drainage Purposes and Flood-protection Works in the Borough of Whakatane

BERNARD FERGUSSON, Governor-General
A PROCLAMATION

PURSUANT to the Public Works Act 1928, I, Brigadier Sir Bernard Edward Fergusson, the Governor-General of New Zealand, hereby proclaim and declare that the easement described in the First Schedule hereto is hereby taken for drainage purposes and flood-protection works over the land described in the Second Schedule hereto, and shall vest in the Mayor, Councillors, and Citizens of the Borough of Whakatane, as from the date hereinafter mentioned; and I also declare that this Proclamation shall take effect on and after the 12th day of December 1966.

FIRST SCHEDULE

SOUTH AUCKLAND LAND DISTRICT

Description of Easement

1. The full and free right for the Whakatane Borough Council (hereinafter called "the grantee") from time to time, and at all times hereafter, to construct and install open

drains and/or drainage pipes or concrete conduits through and under those pieces of land described in the Second Schedule hereto, and to discharge, convey, and drain into and through such open drains and/or drainage pipes or concrete conduits all water, whether rain, tempest, spring, surface, soakage, seepage water, or water from any stream or river, in any quantities, from the Borough of Whakatane and/or neighbouring localities.

2. The right to repair, alter, construct, or reconstruct a stopbank on the easement strip; and to increase or decrease the height or dimensions of any such stopbank so erected, and otherwise maintain it in a due state of efficiency.

3. The right to enter upon the easement strip for the purposes of taking therefrom any earth, clay, stone, boulders, gravel, sand, or other materials placed thereon for the purposes of giving effect to the easement and not as a *profit a prendre*.

4. The right to repair, cleanse, or maintain all such open drains and/or pipes or concrete conduits, including any manholes, valves, or surface boxes as may be constructed, laid down, or erected in, or under, the easement strip in a good and efficient state of repair.

5. The right to enter on to the easement strip at all times, by day or by night, by the grantee's engineers, officers, agents, and workmen, and, with or without vehicles and machinery, loaded or unloaded, to pass through or over the easement strip for the purposes of constructing, reconstructing, altering, repairing, and maintaining the stopbank and drain, and generally to do and perform such acts and things in or upon the easement strip as may be necessary or proper for, or in relation to, any of the purposes aforesaid; and for that purpose, in the case of an emergency, to make temporary roads or approaches over the servient land in order to gain access to the stopbank and easement strip, doing thereby no unnecessary or avoidable damage.

6. The right to plant, sow, and maintain trees, shrubs, plants, or grasses on the easement strip.

7. The right to lay or deposit on the easement strip any material whatsoever to be used on the stopbank, and to erect on the easement strip any temporary shelter for workmen or other persons, causing thereby as little damage or inconvenience as may be.

8. The right to dig and excavate the soil at the said easement strip to such extent and depth as the grantee shall deem to be necessary for the purpose of carrying out or performing any of the provisions of the said easements: provided, however, that on entering onto the easement strip for the purposes of constructing, reconstructing, repairing, or maintaining the stopbank and drain, such work will be carried out and completed with as little disturbance to the surface of the easement strip as possible, and on completion of such work the surface of the easement strip will be restored at the cost of the grantee.

9. The right to remove any private bridges situated on the easement strip: provided that such bridges are put back in the same state and condition as they were prior to removal.
