## ELECTION OF COUNCIL

9. The election of Councillors shall be by postal ballot conducted in the following manner:

- The Secretary shall, on or before the 30th day of September advertise once in each of three daily newspapers circulating in the district, all vacancies to be filled at the annual general meeting and calling for nominations to fill all such vacancies.
- Nominations for office shall be in writing signed by the proposer and the seconder and containing the nominee's written acceptance, and all shall be members of the Society on the 10th day of October prior to the election. Nominations must be in the hands of the Secretary not later than 5 p.m. on a day to be fixed by him, being a day between the 11th day of October and the 31st day of October.
- Not less than 14 clear days before the date of the annual general meeting, the Secretary shall forward to each member a ballot paper containing the name, occupation, and address of every nominee for office. The names of retiring councillors offering themselves for re-election shall be indicated by an asterisk. The ballot papers shall contain clear instructions on how to vote and state that the voting papers are returnable to the Secretary, and must be received by him on or before a day to be fixed by him and notified on the ballot paper, such day to be within three months of the end of the society's financial year.

The instruction on how to vote shall contain the following instruction:

"Each member shall leave uncanceled the name of any candidate for whom he desires to vote, and shall strike out the name of any candidate for whom he does not desire to vote. Each member shall vote for the full number of candidates required to fill all positions, and any voting paper failing to comply shall be classified invalid."

- Any ballot paper received by the Secretary after the specified date shall be enfaced with the particulars of the date and time of receipt by the Secretary, and shall be disregarded in counting the ballot and may be destroyed at the expiration of one month after the date of the annual general meeting.
- When in an election there are more than eight seats to be filled as a result of an appointment or appointments to a casual vacancy or vacancies in terms of Rule 8 (4) (b) or 8 (4) (c), then the eight candidates polling the highest number of votes shall hold office for three years; the candidate polling the ninth highest number of votes shall take the seat having the longest unexpired term, and hold office for the balance of such term; the candidate polling the tenth highest number of votes shall take the seat having the second longest unexpired term, and hold office for the balance of such term and so on.

(f) On receipt of the completed ballot papers (other than those received after the specified date) the Secretary shall hand them unopened to two scrutineers appointed by the Council, and receive a receipt from them for the total number of ballot papers. The scrutineers shall then in the presence of each other, count the ballot and deliver to the Secretary prior to the opening of the annual general meeting, a certificate signed by each of them declaring the result of the ballot papers under sealed cover. The certificate of such scrutineers shall be conclusive. In the event of a tie for the last vacant seat on Council, the matter shall be decided by lot. The ballot papers may be destroyed on the expiry of one month from the date of the annual general meeting.

(g) The Chairman of the meeting shall, immediately following the adoption of the annual report and balance sheet, read out the names of the members successful in the ballot and the number of votes received by each candidate, and declare them elected to the Council for the prescribed period of office.

(h) Unless at a meeting of the Council, held prior to the Secretary calling for nominations in accordance with Rule 9 (a) hereof, it should be resolved that this rule shall not apply to that election, then each candidate shall supply to the Secretary a personal statement having reference to his candidature, such personal statement shall be, as nearly as may be, biographical in form and shall consist of not more than 40 words nor less than 20 words in addition to the candidate's name, occupation, and address. The Secretary may then take such steps as he deems necessary to promulgate such statements to members.

(i) Subject only to the provision of Rule 9 (h) hereof, no canvassing or touting shall be allowed. Any breach of this rule by any candidate or with his acquiescence or consent shall be deemed to disqualify the candidate from election. Disqualification of any candidate under this rule shall not operate to invalidate the voting paper under Rule 9 (c) hereof, but the votes thereon for the disqualified candidate shall be disregarded.

DAVID C. SEATH, Minister of Internal Affairs.

*The Indecent Publications Act 1963*

IN the matter of the Indecent Publications Act 1963 and in the matter of an application to determine the character of a series of magazines published in New York, made on behalf of the publishers, Fawcett Publications Inc.

## DECISION OF THE TRIBUNAL

THE Tribunal is required to determine the character of a series of magazines:

*Startling Detective Year Book*, Vol. 1, No. 3, 1965;  
*Startling Detective*—the May, July, and September 1966 issues;  
*Best Detective Cases*, Vol. 1, No. 15, 1966;  
*True Police Cases*—the April, June, and August 1966 issues;  
*True Police Year Book*, Vol. 1, No. 15, 1965;  
and to classify them in terms of the Indecent Publications Act 1963.

Counsel for the Justice Department called the evidence of Mr Caughley, Psychologist to the Department, who deposed that the reading of these magazines was likely to be injurious to adolescents the more so as they were to be retailed at 3s. 6d. each.

Mr Heron was heard in opposition to the application; he claimed the reports were obtained "on the spot" with the co-operation of the Police, and that there was no glorification of crime.

The Tribunal is of the opinion that these publications are all of the same character. Some appear monthly and some annually, but for purposes of classification they may be treated as members of the same group. Each issue contains a series of reports of detection and police activity in connection with crime. The crimes reported are almost entirely rape and the murder of young women. The style of reporting is sensational and overwritten, the headlines are clearly designed to appeal to prurience, and the coloured covers go even further in their emphasis on sex crimes and violence. The magazines have in our opinion no literary or scientific value and are intended to sell cheaply. We consider that their entire purpose is the commercial exploitation of sensational material.

We accordingly classify all these publications as indecent.  
K. M. GRESSON, Chairman.  
8 August 1967.
