*Order No. 4 (1967) of the Trade Practices and Prices Commission*

IN the matter of the Trade Practices Act 1958 and in the matter of a collective agreement to make uniform charges for the sharpening and repair of lawnmowers:

WHEREAS the Trade Practices and Prices Commission has received from the Examiner of Trade Practices and Prices (hereinafter referred to as "the Examiner") a report, pursuant to section 17 of the said Act, in which it was alleged that persons in and adjacent to Christchurch, engaged in the performance of sharpening and repairing lawnmowers, had formed a trade association known as the New Zealand Lawnmower Servicing Association (hereinafter referred to as "the Association"), and had at its inaugural meeting adopted a common price list;

And whereas in the said report the Examiner further alleged that the common price list was promulgated in the form of a printed display chart to all members of the Association, and that the minimum prices quoted therein were observed by a substantial majority of the said members;

And whereas the Examiner in the said report alleged that the pricing arrangement operated by the Association and its members was a trade practice in terms of section 19 (2) (c) of the said Act, and was contrary to the public interest in terms of section 20 (1) (d) of the said Act;

And whereas in the said report the Examiner stated that the requirements of section 16A of the said Act have been complied with;

And whereas in the said report the Examiner further stated that the said Association had agreed to abandon the trade practice and had consented to the nature of his recommendation to the Trade Practices and Prices Commission as to an order under section 19 of the said Act in respect of the said trade practice;

And whereas the Examiner has recommended that the said Commission should make the said order under section 19 of the said Act;

And whereas the said Commission is satisfied that all persons who would be bound by the said order have concurred with the said recommendation, and the Commission has dispensed with an inquiry under section 18 of the said Act;

And whereas the said Commission has decided that an order of the nature recommended by the Examiner in the said report should be made under the said Act:

Now, therefore, the Trade Practices and Prices Commission hereby orders and directs the New Zealand Lawnmower Servicing Association and its members:

- (i) To discontinue the practice of consulting together for the purpose of jointly fixing, nominating, or recommending prices, discounts, or terms of trade;
- (ii) To cancel and withdraw any price chart or other notification of prices, discounts, or terms of trade issued by the Association for the guidance of and use by members; and
- (iii) To refrain from reviving this practice in any form whatsoever, and from entering into any agreement or arrangement which would have substantially the same effect.

## SCHEME FOR THE ESTABLISHMENT AND OPERATION OF TOTALISATOR AGENCIES IN RESPECT OF RACE MEETINGS

## PART I: INTRODUCTION

(1) This scheme being substantially the original scheme as was approved on the 20th day of September 1950, as varied with approval on the 2nd day of December 1957 and again on the 15th day of September 1965, but with amendments and modifications thereto warranted by reason of practical experience and changes in the law, is submitted by the Totalisator Agency Board for the approval of the Minister of Internal Affairs as a variation of the original scheme, pursuant to section 9 (5) of the Gaming Amendment Act 1949.

This scheme is divided into parts as follows:

Part I: Introduction.

Part II: Constitution, Function and Powers of the Totalisator Agency Board.

Part III: Operation of the Scheme.

Part IV: Finance.

(2) **Interpretation:** In this scheme, if not otherwise inconsistent with the context,—

(a) "The Act" means the Gaming Act 1908 and any amendments thereto and any other Act passed in lieu thereof or in consolidation thereof or in substitution thereof.

"The Board" means the Totalisator Agency Board established by the Act.

"The club" means a racing, or a trotting, or a hunt club.

"The conferences" means the New Zealand Racing Conference and the New Zealand Trotting Conference.

"The course" means the place where a race meeting is held.

"The Minister" means the Minister of Internal Affairs.

"Race meeting" means any race meeting for which investments are accepted by the Board.

"Rules of racing" means the New Zealand Rules of Racing and includes the New Zealand Rules of Trotting or otherwise the rules of racing which are declared by the Board to apply to the race or race meeting.

"Totalisator agency" means a totalisator agency as defined by the Act.

"Race" includes a trotting race and "racing" includes trotting.

(b) All definitions contained in the New Zealand Rules of Racing relating to the operation of the totalisators on the course, or in the regulations relating to the doubles totalisator and any amendments or modifications thereto, shall apply unless inconsistent with the context to any reference in this scheme to investments at race meetings or on horse races made off course.

(3) (a) This scheme shall come into force on the day following that on which the Minister signifies his approval of the scheme.

(b) On the coming into force of this scheme the previous scheme and amendments thereto shall be deemed to be revoked.

(4) **Object of the Scheme:** The object of the scheme is to set forth the method by which investments at race meetings or on horse races may be made off course at totalisator agencies established or controlled by the Board.

(5) **Limitations of the Scheme:** While the scheme sets forth the fundamental basis for the establishment and operation of totalisator agencies, it is considered impracticable and unwise to attempt to include in the scheme many matters of detail relating to investments made off course. The operation of the scheme, therefore, is being implemented in practice by rules and regulations made pursuant to the authority of the Act.

(6) **Saving Clause:** Nothing in this scheme or in any rules of the Board is intended to or shall impose on the Board or any of its servants or agents any obligation rendered unenforceable or invalid by the Act or any other statutory provision.

## PART II: CONSTITUTION, FUNCTIONS AND POWERS OF THE BOARD

(1) The Board shall have a membership of not less than six nor more than eight of whom:

(a) Two shall be *ex officio* members and shall be the presidents for the time being of the New Zealand Racing Conference and of the New Zealand Trotting Conference for so long as they hold office as presidents of such conferences;

(b) Two shall be members of clubs affiliated to the New Zealand Racing Conference who shall be appointed by the Executive Committee of the New Zealand Racing Conference and who shall hold office only while members of a club affiliated to the New Zealand Racing Conference;

(c) Two shall be members of clubs affiliated to the New Zealand Trotting Conference who shall be appointed by the Executive of the New Zealand Trotting Conference and who shall hold office only while members of a club affiliated to the New Zealand Trotting Conference;

(d) The Board may from time to time by resolution increase the number of members of the Board to eight for such period as the Board shall think fit, and may from time to time by resolution reduce the number of members to six. The two vacant positions so created shall be filled by the appointment by the respective executive committees of two persons, one of whom shall be a member of a club affiliated to the New Zealand Racing Conference and one of whom shall be a member of a club affiliated to the New Zealand Trotting Conference and such appointed members shall, until the Board shall decide to reduce the membership of the Board to six, be deemed to be regular members of the Board subject to retirement in rotation and with the rights and liabilities of the other members of the Board. On the retirement of any such appointed member by rotation his place shall be filled by the executive committee of the conference to which his club is affiliated and such retiring member shall be eligible for reappointment;

(e) The members of the Board in office at the time this scheme is approved by the Minister shall continue in office and be deemed to be validly appointed as members of the Board. At the annual general meeting of the Board in each year one of the members appointed by the Executive Com-

mittee of the New Zealand Racing Conference and one of the members appointed by the Executive of the New Zealand Trotting Conference shall retire from office as a member of the Board but shall be eligible for reappointment. The member to retire in each case shall be the member who has been longest in office since his last appointment or reappointment as a member of the Board but between members of equal service the member to retire shall be selected by lot. In the event of no person being appointed by the executive committee of either conference to fill a vacancy on the Board occasioned by the retirement by rotation of one of its members the retiring member shall if willing to act be deemed to be reappointed for a further year. If the retiring member shall be unwilling to act a casual vacancy shall be deemed to have occurred;

(f) Casual vacancies on the Board shall be filled by the executive committee by which the person causing the casual vacancy shall have been appointed, but no person shall be eligible for appointment to the Board who is not a member of a club affiliated to either conference, and any member appointed to fill a casual vacancy shall be subject to retirement at the same time as if he had been appointed on the day on which the member in whose place he is appointed was last appointed a member of the Board, but shall be eligible for reappointment. If the executive committee of either conference entitled to fill a casual vacancy on the Board fails for a period of four months after being notified of the vacancy to appoint a member to fill the vacancy the Board may fill the casual vacancy by the appointment of any person who is qualified for appointment by the executive committee of the conference entitled to fill such casual vacancy;

(g) The remuneration of the chairman and members of the Board shall be such sum as shall be fixed by the Board from time to time with the approval of both the executive committees of the two conferences and, until otherwise fixed, shall be at the rate of 800 dollars per year for the chairman of the Board and 600 dollars per year for each member of the Board;

(h) All members of the Board shall be entitled to be paid by the Board their travelling expenses reasonably incurred in attending meetings of the Board and the Board may award to any member any additional remuneration for any special work undertaken by that member at the request and on behalf of the Board.

### (2) Powers and Functions of the Board

(a) The Board may exercise all the powers conferred upon the Board by the Act and by the scheme from time to time in force and all such other powers, being not inconsistent with the powers conferred by the Act, as are conferred on the Board by regulations or by any rules hereinafter made by the Board;

(b) The constitution, powers and functions of the Board as provided in this Part may be altered at any time and from time to time by the Board by a resolution of the Board passed by a majority of three-fourths of the members of the Board voting on the resolution and subsequently approved by the executive committees of the New Zealand Racing Conference and the New Zealand Trotting Conference, but so that no such alterations shall be in any way inconsistent with the provisions of the Act and of any scheme from time to time approved by the Minister in pursuance of the Act;

(c) The Board shall cause minutes to be made in books provided for the purpose:

- (i) Of all appointments of officers made by the Board;
- (ii) Of the names of the members present at each meeting of the Board;

- (iii) Of all resolutions and proceedings at all meetings of the Board and of committees of the Board;

(d) The Board shall adopt a common seal and make rules for the custody of the same. The seal shall have the name of the Board engraven or otherwise permanently marked thereon in legible characters. The seal shall not be fixed to any document except in pursuance of a resolution of the Board and in the presence of two members of the Board or of one member of the Board and the secretary or general manager or assistant general manager of the Board and such two members or such member and secretary or general manager or assistant general manager as the case may be shall sign every document to which the seal of the Board is so affixed in their presence;

(e) The Board shall establish a registered office at which all notices and processes required to be served on the Board may be served. The Minister shall be notified of every change in the office of the Board;

(f) At the annual general meeting in each year the Board shall appoint an auditor or auditors for the ensuing year and the remuneration of such auditor or auditors and the conditions of the audit shall be from time to time settled by the Board. Any auditor appointed by the Board shall be a public accountant practising in New Zealand. The Board shall in each year cause to be prepared and presented to the annual general meeting of the Board a report of the operations of the Board for the preceding year and a balance sheet and profit and loss account certified by the auditor or auditors of the Board, and such annual report, balance sheet and profit and loss account shall be laid before the Board at the annual general meeting in each year. Copies of such reports, balance sheets and profit and loss accounts shall be sent to the Minister and to the two conferences immediately on the conclusion of each annual general meeting.

**(3) Proceedings of Board**

(a) The Board shall hold not less than four meetings in each calendar year, such meetings to be held at such time and place as may be decided by the Board. One of such meetings shall be called the annual general meeting to be held within six months of the termination of the financial year of the Board which shall be the 31st day of July. A special meeting of the Board may be called at any time by the chairman or shall be called by the secretary on a request in writing of any two members of the Board. In the case of a meeting called by request as aforesaid, seven days' notice at least, exclusive of the date on which the notice is served or deemed to be served and exclusive of the date for which the notice is given, specifying the place, the date, and hour of the meeting and in case of special business the general nature of that business shall be given to all members of the Board by prepaid letter addressed to each member of the Board at his address lodged at the registered office of the Board, and such notice shall be deemed to be served on the day following the date of posting thereof, but the non-receipt of such notice by any member or accidental omission to give such notice to any member shall not invalidate the proceedings at any special meeting;

(b) No business shall be transacted at any meeting unless a quorum of members is present at the time when the meeting proceeds to business and a quorum shall be three members present in person. The chairman or, in his absence, the vice-chairman shall preside at all meetings of the Board, but if neither the chairman nor the vice-chairman is present or if present declines to act the members present shall appoint one of their number to act as chairman;

(c) All questions arising at any meeting of the Board shall be decided by a majority of votes. Each member present shall have one vote and in the case of equality of votes the chairman of the meeting shall have a second or casting vote;

(d) A resolution in writing of the Board signed by all the members of the Board shall be as effective as a resolution of the Board passed at a meeting duly convened for the purpose;

(e) The President of the New Zealand Trotting Conference is the chairman of the Board and the President of the New Zealand Racing Conference is the vice-chairman of the Board and they shall hold office until the close of the next annual general meeting, when the President of the New Zealand Racing Conference shall become chairman of the Board and the President of the New Zealand Trotting Conference shall become vice-chairman of the Board, and thereafter the presidents of the two conferences shall alternate in each year as chairman and vice-chairman each taking office at the close of each annual general meeting;

Provided, however, that if the president entitled to act as chairman is unwilling to act or, having assumed office, desires to retire or becomes incapable of acting, the Board by a unanimous vote of those present at the meeting may either, with the consent of the president entitled to act, extend the term of the retiring chairman for a further year or it may appoint one of its number to be chairman for the ensuing year or unexpired part of a year (as the case may be), and the Board may in the same way fill any vacancy occurring in the office of vice-chairman, but any extension of the term of a president as chairman shall not disqualify such president from acting as chairman in the year in which he would have been entitled to act if his term had not been extended;

(f) If either of the *ex officio* members of the Board shall be absent from New Zealand or unable to attend any meeting of the Board he may by writing under his hand and either generally or for a special meeting of the Board appoint an alternate with all or any of the powers, authorities and discretions of the appointor. Every such appointee shall be a member of a club affiliated to the conference of which the appointor is president, and while such alternate holds office he shall be entitled to notice of meetings of the Board and to attend and vote thereat accordingly, but he shall *ipso facto* vacate office as alternate if and when the appointor vacates office as president or removes such alternate by writing under his hand or if such alternate is disqualified by ceasing to be a member of a club affiliated to the conference of which the appointor is president. If a member of the Board is appointed alternate chairman or vice-chairman the appointee while holding such office shall be deemed unable to attend meetings as a member of the Board, and the provisions of clause 3 (g) of this Part shall apply;

(g) If any member of the Board other than an *ex officio* member is absent from New Zealand or unable to attend a meeting of the Board the executive committee of the conference which has appointed such member, or the authorised agent of such executive committee, may appoint by writing under its hand or under the hand of its authorised agent an alternate for such member with all or any of the powers, authorities and discretions of such member and either generally or for any particular meeting such appointment shall have effect. The alternate must be a member of a club affiliated to the conference so appointing him as alternate and whilst he holds office as an alternate he shall be entitled to notice of meetings of the Board and to attend and vote thereat accordingly, but he shall *ipso facto* vacate office if and when the member for whom he acts as alternate ceases to be a member or if the executive committee which appointed him removes such alternate

from office by writing under its hand or under the hand of its authorised agent or if the appointee ceases to be a member of a club affiliated with the conference so appointing him as the alternate.

**PART III: OPERATION OF THE SCHEME****(1) Administration**

(a) *Staff:* The Board shall be responsible for the appointment of all executive officers and other employees and for the terms and conditions of their employment. Except for the position of general manager and such other executive officers as the Board may determine from time to time, the Board may delegate:

- (i) To the general manager its authority for the appointment or promotion of executive officers and for the terms and conditions of their employment.
- (ii) To the general manager or such other executive officer or officers as it or the general manager may direct its authority for the appointment or promotion of other employees and for the terms and conditions of their employment.

The power to dismiss staff shall be vested in the Board and, except as to the executive officers as designated in the foregoing part of this clause, the Board may delegate its powers of dismissal to the general manager.

No person for the time being disqualified or warned off the course under the rules of racing and no person being prohibited from attending race meetings shall be eligible for appointment to the staff.

(b) *Agents:* In lieu of or in addition to the appointment of employees, the Board, if satisfied that the efficiency of the administration of the scheme will be improved thereby and that it retains full control and supervision of such administration, may delegate to an agent the administration of any part of the scheme on such terms and conditions as the Board determines, though subject always to any restrictions or requirements imposed by the Act.

The terms and conditions of the appointment of an agent shall be set forth in a written agreement between the Board and such agent.

Any premises or part of premises used by an agent for the purposes of conducting cash, telephone or postal betting would be a totalisator agency.

**(2) Establishment of Totalisator Agencies and of Offices**

The Board will establish and continue to operate sufficient totalisator agencies and other offices as, having regard to the business which in the opinion of the Board is offering, or is likely to be offering in any locality and to the cost and availability of staff and premises, will ensure that the public anywhere in New Zealand are offered reasonable and convenient facilities for investing at race meetings or on horse races off course. Any totalisator agency or other office may be:

- (a) Established directly by the Board and be operated under the direct supervision of an officer of the Board; or
- (b) Established by an agent pursuant to an agreement as is provided in clause (1) (b) of this Part; or
- (c) By a combination of such means.

Any totalisator agency may be in direct communication with head office or be part of a district network with communication to a district office of the Board.

The Board will establish such offices as it considers necessary for its internal administration of business to and from totalisator agencies and for the transmission of investments.

In any premises or part of premises used as a totalisator agency it shall be the policy of the Board not to induce the public to loiter in such premises or to invest.

**(3) Methods of Investing at Totalisator Agencies**

Any or all of the following methods of investing may be available at any totalisator agency as the Board may decide:

(a) *Cash:* The investor shall be issued with a ticket or tickets on payment in cash of the amount of his investment. The procedure will be similar to investing on course.

(b) *Telephone:* Investments may be made by telephone against a deposit previously established with the Board or against dividends due to the credit of an investor's account.

The Board may determine from time to time the minimum amount of the deposit.

Where investments by telephone are permitted at a totalisator agency operated by an agent all amounts deposited and dividends credited thereto shall be deemed to be deposited with the Board.

(c) *Postal:* Investors may send instructions by post accompanied by cash or by such equivalent for cash as the Board may determine.

The forms of money receivable at the time investments are made or which are receivable as deposits and the conditions on which they are received shall be as are determined by the Board from time to time.

Credit betting will not be permitted.

No instructions by telegram will be accepted.

**(4) General Provision as to Receipt of Investments**

(a) The Board will promulgate rules relating to:

- (i) General conditions additional to or supplementing the provisions of clause (14) of this Part under which investments will be accepted at or through any totalisator agency.
- (ii) Matters of detail in respect of each method of investment referred to in clause (3) of this Part.

(iii) Such rules will be exhibited in all totalisator agencies and will also be published in the *New Zealand Gazette* to ensure that all reasonable steps are taken that all persons making investments by any of the methods permitted by clause (3) of this Part have or are deemed to have notice of the rules.

(b) The times when any totalisator agency will be open for business and the latest times up to which investments for any race or at any race meeting will be accepted at any such agency will be decided by the Board or by such executive officer as the Board may direct. The latest times for accepting investments may vary at individual totalisator agencies having regard to the method of investment and the problems of any particular totalisator agency.

(c) The unit of investment shall be 50 cents or such multiple thereof as the Board, from time to time, may determine irrespective of what may be the unit of investment on the course.

(d) It is the aim of the Board to provide a service off course in respect of all race meetings, but this would not be possible at all times or in respect of all methods of investing.

(e) The senior officer on duty, or, as the case may be, the agent at any totalisator agency, unless otherwise directed by the Board or the general manager, shall be entitled to reject at any time and without giving any reason therefor part or all of any investment.

#### (5) Transmission of Investments Received at Totalisator Agencies

Details of investments at all totalisator agencies for each race meeting and race will be collated at head office and from there transmitted to the totalisator on the course unless special circumstances otherwise require or as provided in clause (10) and clauses (11) and (12) of this Part.

Facilities at present available make the telephone system the most suitable means of communication between totalisator agencies, offices, and the head office, and from there to the course.

It will be the policy of the Board to take all steps reasonably available to ensure simplicity of procedure and accuracy of transmission, and for these purposes changes in present methods may be made from time to time.

While in general the intention will be to have investments off course registered and exhibited on the totalisator on the course when it opens, it is recognised that delays in collation and transmission or any special problems of the club conducting the meeting will make this not always possible.

#### (6) Dividends

Except as is otherwise provided in clause (10) and clauses (11) and (12) of this Part, dividends shall be payable at the same rates as those paid by the totalisator on the course.

Dividends on cash investments may be paid by cash or by cheque; on telephone or postal investments by cheque, money order, postal note, bank draft or bank transfer.

In respect of payments of dividends by the Board otherwise than by cash the investor may be required to pay any exchange and stamp duty payable on cheques, bank drafts and bank transfers or commission on money orders or postal notes as the Board may decide.

#### Times for Payment of Dividends

(a) *Cash Investments*: No dividends for cash investments will be paid at any totalisator agency on the same day as the race in respect of which the dividend is due is run. They will be paid on the first convenient working day after such race day. There will be facilities at agencies for payment of late dividends. The period during which dividends in respect of any or all race meetings are payable at totalisator agencies or offices may be limited by the Board as it thinks fit and reasonable.

(b) *Telephone Investments*: Dividends will be credited to the depositor's account. The Board will dispose of the amount standing to the credit of the account of a depositor in accordance with his instructions. In the absence or pending the receipt of such instructions the whole or part of the amount due may be retained or remitted to the depositor at any time at the discretion of the person in charge at the totalisator agency at which the account is held.

(c) *Postal Investments*: Dividends shall be posted to the investor as soon as conveniently possible.

#### (7) Office Hours of Totalisator Agencies

Totalisator agencies shall open for business at such times and for such periods reasonably convenient to the public as the Board, from time to time, directs.

#### (8) Refund of Investments

(a) *Scratchings*: Generally where win and place investments on a horse which is scratched or withdrawn from a race are refunded to the Board, or cannot be invested by the Board on account of such scratching or withdrawal, then such investments shall be refunded to the investor except in so far as is otherwise provided in the rules of the Board.

In general the foregoing will apply to investments on the doubles totalisator but subject to the provisions of clause (9) of this Part and to any rules relating specifically to that type of investment.

(b) *Errors*—(i) *Cash Investments*: The off-course investor will be in the same position as if an error was made in the issue of a ticket from the totalisator on course, that is, unless he rectifies the error at once he is deemed to accept the ticket issued to him.

#### (ii) Telephone Investments—

(a) Where the error results in the incorrect investment being made: *Prima facie* the investment will be deemed to be that which is recorded so that the investor shall suffer the loss or receive the benefit as the case may be.

Where, however, the error results in a loss to the investor who alleges that the error was due to the mistake or other fault of any servant of the Board, or of an agent or of any servant of the agent, the Board will inquire into the circumstances, and if in its sole discretion the Board is satisfied that such error was due either to the wilful default or to the negligence of such servant or agent, the Board will refund the amount invested but shall not be liable for any dividend which would have been payable had the correct investment been made.

Application for a refund must be made promptly after notice of the error is received or deemed to be received by the investor. Further particulars will be the subject of rules of the Board.

Notwithstanding the foregoing the Board shall have a discretion to pay part, or all, of the dividends which would have been due but for the error.

(b) Where the error results in no investment being made: If at the totalisator agency where the deposit lies there is a record, in writing, of an investment having been made the Board will accept it as such even if the investment has not been transmitted to the totalisator.

(iii) *Postal Investments*—In respect of investments by post the investor will be bound by his written instructions but subject to the right of the Board to reject the investment or interpret the intention of the investor where the instructions are incomplete or ambiguous.

#### (9) Investments at Doubles Totalisator

Primarily off-course investments on the doubles totalisator must be subject to such regulations prescribed for the operation of that totalisator as are made from time to time by the conferences or either of them. While recognising this, it is appreciated that in practice it is not possible to afford the investor off course the same facilities in the nomination of his double or in the replacement of a scratched horse as are available to the investor on course. The off-course investor will be required to nominate his selections in both the first and second race of the double. Having regard to the time available provision will be made in the rules of the Board for the investor to withdraw the investment if a selected horse is scratched or withdrawn from either race of the double.

Where an investment is not withdrawn by the investor in respect of a horse scratched from the first race of the double, the investment will be subject to the provisions of clause (8) governing refunds of investments.

Where an investment is not withdrawn by the investor in respect of a horse scratched from the second race of the double and the horse selected in the first race of the double is the winner of that race, the Board will arrange for the investment to be made in the second race of the double on a substitute horse in such manner as is provided in the rules of the Board.

In order to avoid unnecessary administrative difficulties and to reduce the risk of error at the totalisator, the Board will not transmit to the totalisator details of the investments on the second race of the double at the time the details of the investments on the first race of the double are transmitted. These will be withheld by the Board until after the result of the first race of the double is known, following which only details of those investments which have qualified for the second race will be transmitted.

#### (10) Transmission or Other Failure Prior to the Closing of the Totalisator

(a) There may be occasions when part or all of the investments received for any race or for a double cannot be recorded on the totalisator because of failure in the means of transmission or by reason of other similar unforeseen circumstances. In any such event the policy of the Board will be to recognise every such investment as qualifying for a dividend depending upon the result of the race concerned and subject to the decision of the appropriate officers of the club concerned.

It is recognised that the adoption of this policy ought to include, so far as is reasonably possible, the payment off course of the same dividend as is declared on course. There is, however, the practical requirement that the Board ought not to be in the position of incurring a heavy loss or making a substantial gain. In respect of win or place investments this is unlikely to result, and accordingly, as to any such investment unable to be recorded on the totalisator, it is intended to pay the same dividend as is declared on the totalisator.

In respect of investments on the doubles totalisator there is a real possibility of heavy loss or a substantial gain unless a large proportion of the investments received are recorded on the totalisator. It is intended, therefore, under the circumstances set out hereunder, either to pay in respect of these investments the same dividend as is declared on the totalisator or to establish a separate pool off course and to calculate the dividend accordingly.

(b) *Investments on the Doubles Totalisator:* Failure in transmission may occur between any totalisator agency or other office and the head office of the Board or between head office and the course. Estimates prepared by the Board show that unless 90 percent or thereabouts of the total investments received off course, including a like percentage of the details for the second race of the double, are recorded on the totalisator, there is real risk of heavy loss or substantial gain in paying the same dividend off course as is declared on the totalisator. The failure may occur either before the totalisator is closed for the first race of the double or subsequently and prior to the closing for the second race. In the latter event the off-course investments will be included in the pool on the totalisator. Accordingly, different provision is required having regard to the time and circumstances of the failure and it is therefore intended as follows:

*Failure Prior to the First Race of the Double—*

(i) If an estimated 90 percent or more of such investments can be transmitted to the totalisator, they shall be so transmitted, and as to the remainder not transmitted the Board will pay, in respect of those investments on the winner of the first race of the double coupled with the winner of the second race of the double, dividends at the rate declared and paid by the totalisator in respect of that double. The moneys received for the investments not transmitted will be subject to such statutory deductions as are made from totalisator investments and the remainder be used so far as available or necessary for the payment of dividends as already provided in respect of those investments.

Provided that if in respect of such 90 percent or more of investments there is not an investment on every starter in the first race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total investments intended to be transmitted has been received from the Board's representative at the totalisator, then in either such event the circumstances as set out in subclause (ii) hereof shall be deemed to apply.

(ii) If it is estimated that less than 90 percent of the off-course investments on a double are available for transmission, or if 90 percent or more of the total of such investments cannot be transmitted to the totalisator, the Board will hold all off-course investments on the double and will establish a separate off-course pool in respect thereof. From all investments in the pool there shall be deducted and paid the same statutory deductions as would be due if the moneys had been invested on the totalisator and the balance shall be available in dividends to be determined in the same manner as applies for the determination of the doubles dividend on course.

*Failure Prior to the Second Race of the Double—*

(iii) If details of the selections for the second race of the double in respect of 90 percent or more of the investments that were on the winner of the first race are available and can be transmitted to the totalisator, such shall be transmitted, and the Board will pay on all investments on the winner of the first race coupled with the winner of the second race of the double such dividends as are declared and paid by the totalisator.

Provided that if in respect of such 90 percent or more of investments there is not a selection for every starter in the second race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total selections intended to be transmitted has been received from the Board's representative at the totalisator then in either such event the circumstances as set out in subclause (iv) hereof shall be deemed to apply.

(iv) If less than 90 percent of the details for the selections for the second race of the double are available for transmission or if 90 percent or more cannot be transmitted to the totalisator before it closes for the second race of the double, the totalisator inspector will withhold the declaration of the dividend until there has been received either on the day of the races or subsequently all details necessary for the declaration of the dividend having regard to the provisions of this subclause and subclause (iii) hereof.

(v) For the purposes of determining the percentages referred to in subclauses (i) and (ii), the Board will classify totalisator agencies and other offices or groups of either according to the amount or proportion of investments for the doubles totalisator received therein in respect of the first race of a double at previous race meetings conducted by the club, or in respect of previous race meetings in the same district.

(vi) For the purpose of subclauses (i), (ii), (iii) or (iv) hereof the Board may increase or reduce the figure of 90 percent as it considers desirable in the light of experience.

Details to implement the above proposals will be set forth in rules to be promulgated by the Board.

The recording and verification of details of investments concerned and the calculation and declaration of dividends shall be subject to such requirements as are imposed by the Secretary for Internal Affairs or the Chief Inspector of Totalisators.

**(11) Special Provisions Relating to Investments on Races Outside New Zealand**

(a) The Board may accept investments on such horse race or horse races outside New Zealand as the Minister may from time to time approve. Such investments shall not be transmitted to any totalisator on course but shall be retained by the Board. The Board will calculate dividends on the amount of the investments notified to the principal collating centre for that race before the start of the race after deducting all refundable amounts and other lawful deductions irrespective of dividends payable on course or elsewhere. The calculation of the dividends will be made in the case of horse races in accordance with the relevant rules, regulations, or resolutions of the New Zealand Racing Conference and in the case of trotting races in accordance with the relevant rules, regulations, or resolutions of the New Zealand Trotting Conference.

(b) All the other provisions of the scheme in respect of investments off course on race meetings in New Zealand shall with all necessary modifications apply to investments for races outside New Zealand.

**(12) Special Provisions Relating to Special Doubles**

(a) The Board may accept special doubles investments on such horse races as the Minister may from time to time approve. Such investments shall not be transmitted to any totalisator on course but shall be retained by the Board.

The net pool available for doubles dividend or dividends shall be the amount of the investments notified to the principal collating centre for the special double before the start of the first race thereof after deducting all refundable amounts and other lawful deductions. The Board will calculate the dividend or dividends payable to investors in accordance with the amounts reinvested on the horse or horses in the second race of the double as notified to the principal collating centre for that race before the start of the second race. The calculation of the doubles dividend or dividends will be made when the second race is a horse race in accordance with the relevant rules, regulations, or resolutions of the New Zealand Racing Conference and when the second race is a trotting race in accordance with the relevant rules, regulations, or resolutions of the New Zealand Trotting Conference.

The dividend or dividends declared by the Board shall be the dividend or dividends irrespective of any dividend or dividends payable on course or elsewhere.

As in the case of off-course investments for transmission to the doubles totalisator the off-course investor may be required to nominate his selections in both the first and second races of the double simultaneously or as the Board may decide as separate selections in each race in the same way as on course in which case the Board will direct which rules of racing are to apply. Provision will be made in the rules of the Board for the investor to withdraw the investment and nominate a substitute if the selected horse is scratched from any race of the double. Where an investment is not withdrawn or a substitute nominated by the investor in respect of a horse scratched from the first race of the double then such an investment shall be refunded to the investor except in so far as is otherwise provided in the rules of the Board.

When an investment is not withdrawn or a substitute nominated by the investor in respect of a horse scratched from the second race of the double or the investor has not nominated his selection for the second race of the double separately when this applies and the horse selected in the first race of the double is the winner of that race the Board will arrange for the investment to be made in the second race of the double on a substitute horse in such manner as is provided in the rules of the Board.

(b) All the other provisions of the scheme in respect of investments off course shall with all necessary modifications apply to investments for special doubles.

**(13) Methods of Accounting Between Clubs and the Board**

Prior to each race meeting or race day the Board will establish with the club concerned, by cheque or other appropriate means, a credit in anticipation of the estimated off-course investments for that race meeting or race day. It shall be the responsibility of each club to deduct and account to the Government for all tax payable in respect of off-course investments recorded on the totalisator.

The investments for the day, the dividends derived, commission, "fractions" and other payments due to or from the Board shall be recorded in the form of an account, final settlement of which shall be made on agreement between the club or its duly appointed agent and the Board.

**(14) Adjustments of Differences in Units of Investment Off Course and On Course**

The Board will determine from time to time the method of adjustment of differences between the unit of investment on the totalisator and the unit of investment adopted by the Board.

**(15) Additional Forms of Investment**

In the event of any addition to or variation of the forms of investment at present accepted on totalisators on course, the Board shall be empowered in its discretion to accept like investments at any or all totalisator agencies and to make rules in respect thereof.

**(16) Conditions of Investing at Totalisator Agencies**

Any person making an investment at or through a totalisator agency shall be deemed to accept and shall be bound by—

- (a) The provisions of Part I, II, and III, of this scheme.
- (b) The rules of the Board exhibited in the totalisator agency where the investment is made or of which public notice has been given in the *New Zealand Gazette*.
- (c) The rules of racing relating to the entry, acceptance, bracketing, withdrawal or disqualification of horses; to the running of races; to the powers of the stewards or any other tribunal authorised under the rules of racing; and to the operation of the totalisator, including the calculations of dividends except in so far as any of these may be in conflict with any of the provisions of this scheme or any variations thereof or with rules of the Board.

Pursuant to the provisions of the Act, the Board has made regulations excluding certain classes of persons from any totalisator agency. Any person so excluded who invests at or through a totalisator agency shall forfeit his investment and any dividend payable thereon.

**PART IV: FINANCE****(1) Capital and Income**

The capital fund of the Board has been built up through the  $\frac{1}{2}$  percent levy on totalisator investments, formerly permitted by statute for a period of five years but now withdrawn, from so much of the commission of  $7\frac{1}{2}$  percent retained by the Board and not distributed to clubs and from the assets of the Board accrued since the initial scheme went into operation.

The gross income of the Board is derived primarily from the commission of  $7\frac{1}{2}$  percent deductible by law from the amount of off-course investments. Income will be derived by the Board to a lesser extent from other sources such as the investment of moneys not distributed to the clubs.

In addition, the Board may derive income from any other source incidental to its main purpose and operations.

**(2) Distribution of Profits**

(a) The Board shall be entitled to retain at its discretion part or all of any profits made in any year.

(b) All profits not so retained shall be divided into two parts to be known as the "racing fund" and the "trotting fund" which shall be calculated as follows:

- (i) "The racing fund" shall be that proportion of the said profits not so retained that the on-course turnover plus the net off-course turnover of all totalisator racing clubs for the year ended 31 July bears to the total on-course turnover plus the net off-course turnover of all totalisator clubs for the year ended 31 July.
- (ii) "The trotting fund" shall be that proportion of the said profits not so retained that the on-course turnover plus the net off-course turnover of all totalisator trotting clubs for the year ended 31 July bears to the total on-course turnover plus the net off-course turnover of all totalisator clubs for the year ended 31 July.

(c) Such profits not so retained shall be distributed as follows:

- (i) "The racing fund" shall be distributed to all totalisator racing clubs. In determining such distribution the Board may first set aside some proportion of the "racing fund" and divide this equally amongst all totalisator racing clubs.

The balance or the full amount as the case may be shall be divided between all totalisator racing clubs in the proportion that the on-course turnover plus the net off-course turnover recorded on each racing club totalisator bears to the total on-course turnover plus the total net off-course turnover recorded on the totalisators of all racing clubs for the year ended 31 July.

- (ii) "The trotting fund" shall be distributed to all totalisator trotting clubs. In determining such distribution the Board may first set aside some proportion of the "trotting fund" and divide this equally amongst all totalisator trotting clubs. The balance or the full amount as the case may be shall be divided between all totalisator trotting clubs in the proportion that the on-course turnover plus the net off-course turnover recorded on each trotting club totalisator bears to the total on-course turnover plus the total net off-course turnover recorded on the totalisators of all trotting clubs for the year ended 31 July.

(d) In determining the net off-course turnover for the purpose of subparagraph (b) (i) and (ii) and subparagraph (c) (ii) hereof for the year ending 31 July 1968 and the year ending 31 July 1969 the net off-course turnover for the New Zealand Metropolitan Trotting Club in respect of a New Zealand Trotting Cup day which coincides with a Melbourne Cup day in either year for which the Board is accepting investments shall be the actual net off-course turnover received in respect of the New Zealand Metropolitan Trotting Club for that day or shall be the average net off-course turnover received in respect of the New Zealand

Metropolitan Trotting Club for the New Zealand Trotting Cup day for the three previous years whichever is the higher.

(e) For all purposes of this clause the amount received by the Board in respect of special doubles investments on New Zealand racing and trotting meetings shall be deemed to be off-course turnover of the totalisator club or clubs which conduct the races in the special double and if more than one such club in equal shares.

Pursuant to the provisions of section 9 of the Gaming Amendment Act 1949, I hereby approve of the foregoing scheme for the establishment and operation of totalisator agencies in respect of race meetings.

Dated this 3rd day of November 1967.

D. C. SEATH, Minister of Internal Affairs.

A copy of these rules shall be exhibited in each totalisator agency in a position readily accessible to the public.

**3. Commencement and Application of These Rules**

These rules shall come into operation on the day of publication in the *Gazette*, as from which date any earlier rules shall be deemed to be revoked, provided however that any matter which had originated under the said rules hereby revoked shall enure for the purpose of these rules as fully and effectually as if it had originated under these rules.

These rules shall apply to all persons investing or attempting to invest at or through any totalisator agency declared by the Board to be open for receiving investments from the public.

**4. General Conditions Relating to Investments at or Through Totalisator Agencies**

(a) *Approved Scheme*—Any person making an investment or attempting to make an investment at or through a totalisator agency shall be deemed to accept and be bound by the relevant provisions of the approved scheme, a copy of which shall be available at all totalisator agencies for perusal on demand.

(b) *Rules of Racing*—Investments made at a totalisator agency are deemed to be accepted for transmission to the totalisator on the course subject to the rules of racing, more particularly the provisions in respect of the entry, acceptance, bracketing, withdrawal, or disqualification of horses, to the running of races, to the powers of the stewards or any other tribunal authorised under the rules of racing, and to the operation of the totalisator, including the calculation of dividends.

(c) *Prohibited Persons*—No person who is prohibited from entering upon the premises of a totalisator agency by virtue of regulations made under the Act may himself, or through his agent invest at or through a totalisator agency, and no person acting in breach of this rule shall be entitled to a refund of any amount paid by him or to any dividend which otherwise would be payable thereon.

(d) *Unit of Investment*—The unit of investment for win and place betting shall be \$1 and for doubles betting 50 cents.

(e) *Dividends*—The dividend for an investment of 50 cents will be a half of the dividend declared on the totalisator for an investment of \$1 except that fractions of 10 cents shall not be paid unless such fraction exceeds 5 cents in which case 5 cents shall be paid.

(f) *Brackets and Alterations Thereto*—Subject to the special provisions of rule 10B relating to investments on the doubles totalisator, in so far as they may apply, the following provisions shall apply to investments made on any horse included in a bracket:

(i) Where horses are bracketed on the totalisator all investments received by the Board in respect of any such horse or horses will be invested on the totalisator number of the bracket containing such horse or horses irrespective of the bracketing in the official race card or in notices as exhibited by the Board pursuant to rule 5 (f) :

(ii) Where a horse in such bracket is scratched, the investments shall remain on the horse or horses remaining in the said bracket, except that when the investments received by the Board on the horse or horses that are scratched can be identified and withheld or withdrawn from the totalisator, a refund will be made of such investments and the investors thereof shall have no interest in the dividend that may be payable in respect of the horse or horses remaining in the said bracket. Where such scratching is made at such time or in such manner that the investments cannot be recovered from the totalisator, they shall remain invested on the bracket:

(iii) Where the Board exhibits in its notices a bracket, but the horses shown in the bracket are allotted separate numbers on the totalisator, then all investments received by the Board on such horses so shown as a bracket or any of them shall be refunded and the investors thereof shall have no interest in the dividend or dividends that may be payable in respect of such horses.

(g) *Rejection of Investments*—The person in charge at any totalisator agency, unless otherwise directed by the Board or the General Manager of the Board, shall be entitled to reject at any time and without giving any reason therefor part or all of any investment.

(h) *Refund of Investments*—(i) *Scratchings*: Subject to the provisions of rule 10B herein relating to investments on the doubles totalisator, if a horse, including a bracketed horse, is scratched, the investor may at his option nominate a substitute or apply for and receive a refund at the totalisator agency where the investment was made, up to 15 minutes before the time of closing for the receipt of investments for the race concerned at that agency. If the investor does not nominate a substitute or apply for and receive a refund as aforesaid he shall nevertheless be entitled to a refund of his investment, subject, however, in the case of bracketed horses, to the provisions of rule 4 (f) (ii).

(ii) *No Place Pool*: Amounts received for transmission and investment on the place totalisator for any race will be refunded if by reason of the number of starters the place totalisator is not operated for that race.

(i) *Minors*—Investments by or on behalf of persons under the age of twenty-one (21) years will not be accepted.

(j) *Race Meetings for Which Investments Will be Accepted*—Investments at or through any totalisator agency will be accepted only for such race meetings or races as the Board from time to time shall direct in respect of any such totalisator agency.

(k) *Investments Received on Meetings Subsequently Postponed*—(i) All investments received in respect of a race meeting which is postponed to a later date will be retained by the Board and will be invested on that later date in accordance with the original instructions.

(ii) No refund of such investments will be made unless application is received at the totalisator agency where the investment was made not later than the time which is there specified as the closing time for the race concerned on such later date.

(iii) In the event of a race meeting being abandoned all investments will be refunded.

The provisions of this paragraph shall apply to all investments whether by cash, by telephone, or by post.

(l) *Method of Investing*—Investments will be accepted:

- (i) by cash payment at a totalisator agency; or
- (ii) subject to the provisions of rule 7 hereof by telephone instructions against a telephone deposit account previously established or against dividends and refunds credited to such deposit account; or
- (iii) subject to the provisions of rule 8 hereof by postal instructions accompanied by a cash remittance.

Investments or instructions by telegraph will not be accepted under any circumstances.

(m) *Failure to Record Investments on the Totalisator*—Subject to the application of any other rule in the circumstances of the case, where details of an investment otherwise properly received have not been recorded on the totalisator owing to a failure in the means of or error in transmission or to other circumstances beyond the reasonable control of the Board, there shall be paid on such investment if for win or for place the same dividend as is payable on course for a like investment or, if such investment be for the doubles totalisator, such dividend as is payable pursuant to the provisions of rule 10 C herein.

## 5. Provisions Relating to Investments by Cash

(a) Cash investments will be accepted only during the hours advertised at each totalisator agency for the acceptance of such investments, but the person in charge of such totalisator agency may declare at any time that the office is closed for receiving cash investments.

(b) Only bank notes or coins or such other instruments for payment of money as the Board may determine from time to time shall be accepted.

(c) Before an investment will be accepted the investor must indicate clearly the race meeting, the race, the horse code number or numbers, the amount of the investment and whether for win, place or double, and such other information as may be required to identify the investment to be made.

(d) On acceptance of the investment, investors will be issued with a written or printed ticket which must be presented when claiming any dividend or refund due in respect of such investment.

(e) Tickets will show the amount invested in dollars or dollar units for win and place and in dollars or dollar units and/or fractions of a dollar and/or in cents for doubles and may likewise show the total amount invested and/or such other information as may be necessary to identify the investment recorded.

Tickets will be printed, written, stamped, punched or marked to show the code letters or abbreviation designated for the race meeting concerned, the date or week designated for such meeting, the number of the race concerned other than for a double, and the code number allocated by the totalisator agency to the horse or horses on which the investment is made.

(f) (i) Notices shall be exhibited at all totalisator agencies showing the horses known to be accepted for those race meetings for which the Board will be receiving investments, the date and code letter or abbreviation of each such race meeting, the numbers of races and the code numbers allotted to the horses therein, including known brackets, and the distinguishing mark of any double or other combination of races or form of investment as may be necessary for the proper identification of investments.

(ii) Investments shall be receivable in respect of only those races and meetings and the horses accepted therefor for which such notices are exhibited.

(iii) Notwithstanding anything in clause (g) herein, where a ticket has been issued and there is recorded thereon the wrong race number or in respect of the meeting either the wrong date or the wrong designation for such meeting or either of such particulars is omitted, the Board in its sole discretion may, if it is satisfied that such record or omission is an error and it is manifest that the investment was intended for a particular race or meeting, treat the investment as intended for that race or meeting and the investment shall be deemed to be made accordingly.

(g) (i) Subject to the following provisions of this clause the investor shall be deemed to accept the ticket issued to him unless he applies forthwith after issue thereof to have any error or omission rectified.

(ii) Subject to the provisions of the next succeeding sub-clause (iii) herein, if the investment as indicated on the ticket is one which cannot be recorded on the totalisator or is one for which notices are not exhibited at the agency in accordance with clause (f) herein at the time the ticket is issued, the investor shall be entitled only to a refund.

(iii) Where the ticket is issued for a doubles investment and in respect of the second race of such double there is either no horse code number recorded or the number recorded is not one included on the totalisator, the investor shall be deemed to accept the ticket as issued and in the event of the horse selected winning the first race of the double the Board will place the investment in the second race of the double on the favourite as would be determined in accordance with the provisions of rule 10B (ii) and the investor shall be entitled only to such dividend if any as may be derived therefrom.

(iv) Subject to the provisions of the last preceding sub-clause (iii) and rule 5 (f) (iii), where the ticket is incomplete as to any of the required particulars or the ticket or any of the required particulars thereon are in the opinion of the Board ambiguous, the investor shall be entitled only to a refund.

(v) If the ticket is issued and the details of amounts of individual investments recorded thereon do not agree with the recorded total of the amounts on the ticket, the details shall prevail and the ticket shall be treated accordingly.

(h) Any ticket, when presented for a dividend or refund or for the correction of an alleged error, may be rejected without any payment made thereon if it has been altered or defaced.

## 6. Payment of Dividends and Refunds in Respect of Cash Investments

(a) No dividends will be paid on the day of the race concerned.

Refunds may be paid at any time when the totalisator agency at which the investment was made is open for business, but the person in charge of such agency may declare at any time that refunds due in respect of any race meeting or race shall be payable at the same time as when dividends for such meeting or race are payable.

(b) There shall be displayed in every totalisator agency from time to time the earliest date and the hours when dividends and refunds will be payable.

Thereafter dividends will be payable at the totalisator agency from which the ticket was issued during the notified hours for a period of four weeks from the date of the meeting concerned.

(c) Payment will be made on production of the ticket and will be in cash or may at the option of the Board be by cheque. Payment shall be made in New Zealand in New Zealand currency.

(d) Dividends and refunds not claimed or paid within the period of four weeks as aforesaid may be claimed on production at the totalisator agency where the investment was made of the ticket in respect of which the payment is due and the completion by the claimant of such written form of application as the Board may require.

Dividends and refunds not claimed within six months from the date of the meeting concerned shall be deemed to be forfeited to the Board.

## 7. Provisions Relating to Investments by Telephone

### A. GENERAL

(i) Investments by telephone will be accepted at such totalisator agencies as may be nominated by the Board for that purpose but only against a deposit previously established at such agency or against dividends and refunds credited to such deposit account.

(ii) Depositors will use only the telephone numbers notified to them.

(iii) The person in charge may refuse to accept any deposit or, having accepted such, may refund the deposit or any balance thereof at his discretion and without giving any reason therefor. He may restrict acceptance of deposits or telephone instructions to those received from persons connected to particular telephone exchanges.

(iv) Subject to the special provisions relating to doubles investments, investments or the cancellation of investments may be made by telephone at any time during the business hours of the totalisator agency up to the closing time of that agency for the race concerned.

(v) A separate record will be kept of each deposit account and of the investments made against it.

(vi) Dividends and refunds will be credited to depositors' accounts as soon as practicable on the day of the race concerned or thereafter.

(vii) No instructions or amendments to previous instructions will be acted upon unless received by telephone.

### B. PROCEDURE FOR OPENING OR RENEWING A DEPOSIT ACCOUNT

(i) Application to open a deposit account must be in writing giving the information required in the form required by the Board and must be signed by the applicant.

(ii) The application must be accompanied by a deposit of at least \$4.

(iii) Subject to any determination of the Board in respect of any type of cheque or other instrument for payment of money when a cheque is received as a deposit no investment against that deposit will be accepted until the cheque is cleared.

(iv) The depositor will be given a receipt for the amount deposited.

(v) The depositor may be allotted or required to nominate a code, and to give instructions as to the balance, if any, to be carried forward in his account from time to time.

(vi) Any depositor desiring to renew or increase his deposit may do so by forwarding or paying the additional amount to the totalisator agency concerned or so authorised and by advising his account number and name.

(vii) At the option of the Board any depositor may be required to submit a further application amending any or all of the particulars required to be given. The depositor may also revoke the original application and replace it by a new one on satisfying the Board that there is reasonable need of it for his own protection. In either case any amounts standing to the credit of the depositor will be transferred to his credit in the new account.

### C. PROCEDURE FOR INVESTING AGAINST DEPOSITS

(i) The depositor must state his account number and as may be requested, his name or code.

(ii) The depositor is required to supply the following information—the race meeting, the race at that meeting and the name or code number of the horse, the amount of the investment, and whether for win, place or doubles, and/or such other information as may be required to identify the investment to be made.

(iii) On receipt of the instructions the operator will read back the message unless the depositor states he does not require the instructions repeated.

## D. CREDITING AND PAYMENT OF DIVIDENDS

(i) All dividends will be credited to the depositor's account.

(ii) The amount standing to the credit of the account of a depositor at any time shall be disposed of in accordance with the instructions of the depositor. The instructions shall be in such form as the Board from time to time may require.

In the absence of such instructions the amount may be retained pending receipt of instructions or the whole or part of the amount may be remitted to the depositor at any time at the discretion of the person in charge at the totalisator agency at which the deposit account is held.

## E. PROVISIONS APPLICABLE WHERE ERROR IS MADE IN THE GIVING OR RECORDING OF TELEPHONE INVESTMENTS

(i) *Where the Error Results in an Incorrect Investment Being Made—Prima facie* the investment will be deemed to be that which is recorded so that the investor shall suffer the loss or receive the benefit as the case may be.

Where, however, the error results in a loss to the investor who alleges that the error was due to the mistake or other default of any servant of the Board, or of any agent or of any servant of any agent, the Board will inquire into the circumstances and if in its sole discretion the Board is satisfied that such error was due either to the wilful default or to the negligence of such servant or agent, the Board will refund the amount invested but shall not be liable to any dividend which would have been payable had the correct investment been made. Application for a refund must be made promptly after notice of the error is received or deemed to be received by the investor. Notwithstanding the foregoing, the Board shall have a discretion to pay part or all of the dividend which would have been due but for the error.

(ii) *Where the Error Results in no Investment Being Made on the Totalisator*—If at the totalisator agency where the deposit lies there is a record in writing of an investment having been made, the Board will accept it as such even if the investment has not been transmitted to the totalisator.

## F. BRACKETS

Notwithstanding that the selected horses may be required to be named, the investment shall be subject to the provisions of rule 4 (f) relating to brackets except that the horses shall not be deemed to be identifiable for the purposes of rule 4 (f) (ii).

## G. SPECIAL CONDITIONS APPLICABLE TO TELEPHONE INVESTMENTS

(i) Neither the Board nor any servant or agent of the Board shall be responsible for any loss arising from the unauthorised use of a depositor's account.

(ii) Remittances posted to the address given by the depositor will be at the sole risk of the depositor.

(iii) Whenever requested particularly by the depositor the Board will send a statement of account by unregistered post to the address given by the depositor in his application form or such other address as may be notified subsequently to the Board by the depositor. Statements will be deemed to be received by the depositor at the time such statement would be delivered in the ordinary course of post.

(iv) Any claim in respect of an alleged inaccurate entry in the depositor's statement of account must be rendered to the totalisator agency within four weeks after the statement has been received or is deemed to be received by the depositor; otherwise the claim will not be admitted by the Board.

(v) In any case in which a depositor has not requested particularly that a statement of account should be sent to him the depositor is required to agree the balance of his account with the telephone operator at the totalisator agency at least once in every four weeks. No claim in respect of an alleged incorrect balance will be admitted by the Board if the depositor has failed to agree the balance at least once in the four weeks immediately preceding the claim.

(vi) If the depositor's account has not been operated for a period of 12 months the Board may close the account and may in its discretion retain the amount standing to the credit of the account or remit the same to the depositor.

## 8. Provisions Relating to Investments by Post

### A. GENERAL

(i) Investments by written instructions through the post will be accepted if accompanied by a remittance for the amount to be invested, but only at such totalisator agencies as the Board may from time to time nominate, and the Board may at any time direct that investments posted from any particular area, district or locality shall be addressed to a particular totalisator agency. The Board may also at any time close any totalisator agency for the receipt of investments by post.

(ii) No instructions or amendments to previous instructions will be acted upon if received by telegram or money-order telegram or telephone.

(iii) Remittances may be by bank draft, postal note, money order, bank note, guaranteed cheque, cheque drawn on a totalisator agency bank account, cheque drawn on a private account, or such other instrument for payment of money as the Board may determine from time to time. All cheques must include appropriate exchange. Subject to any determination of the Board as to any type of cheque or other instru-

ment, cheques and other instruments can be accepted only if there is sufficient time to enable it to be cleared before the closing time for acceptance of the investments for which the cheque or other instrument is remitted.

(iv) If a remittance is received for an amount net to the Board other than in complete units of investment, the person on duty at the totalisator agency concerned may in his sole discretion either reject the investment altogether or accept it up to the multiple next below the net amount so received by the Board. The amount due to the investor in accordance with the exercise of the discretion as aforesaid shall be refunded to the investor by the Board less exchange or poundage.

(v) Investments will not be accepted before the publication of acceptances for the race meeting concerned.

#### B. METHOD OF INVESTING

(i) Instructions must be in writing and be accompanied by a remittance sufficient, and no more, for the investment or investments required.

(ii) The instructions as to investments must record clearly:

(a) The surname, initials and postal address of the investor in block letters.

(b) The race meeting, the race at that race meeting, and the name or code number of the horse or horses in respect of which the investment is required and whether for win, place or double, and/or such other information as may be required to identify the investment to be made.

(c) The amount to be invested on each separate investment and the total amount enclosed.

(d) Whether the investment is for win, place, or doubles.

(e) The usual signature of the investor.

Notwithstanding that the selected horses may be named the investment shall be subject to the provisions of rule 4 (f) relating to brackets, except that the horses shall not be deemed to be identifiable for the purposes of rule 4 (f) (ii).

Instructions will not be accepted for alternative investments to be made in the event of a nominated horse being scratched. The investor shall be bound by the particulars and instructions supplied by him.

(iii) Where instructions are incomplete or ambiguous the senior officer of the Board present when such instructions are received may at his discretion reject the investment or accept the investment according to what he believes to be the intention of the investor. The investor shall be bound by such interpretation.

(iv) Investments against dividends or refunds payable or to become payable on previous investments will not be accepted.

(v) The Board may accept part of any investment instructions where the acceptance of the whole is not permitted under these rules.

(vi) The Board will accept investments up to 6 p.m. on the working day preceding the race day concerned. Instructions received by the Board at any time later will not be accepted unless the senior officer on duty at the totalisator agency concerned, in his discretion, accepts the instructions.

(vii) The Board shall not be bound to acknowledge receipt of or compliance with instructions for an investment.

#### C. PAYMENT OF DIVIDENDS AND REFUNDS

(i) In respect of investments by post dividends and refunds due will be posted on the earliest convenient day next after the day of the race meeting concerned.

(ii) If in any case the Board is in doubt to whom or to what address any dividend or refund from the Board should be sent, the Board shall retain the amount payable and the person who claims to be entitled thereto must apply in writing, or, if so required, in person to the totalisator agency to which the investment was sent, and submit proof to the satisfaction of the Board of his right to the amount held by the Board.

(iii) Any investor who claims he has not received the full dividend or refund to which he is entitled, must apply in writing to the totalisator agency where the investment was made within four weeks of the day on which the race concerned was run, and the application must be accompanied by all relevant information supporting the claim. The senior officer on duty at the totalisator agency will then notify the investor of the decision regarding the claim.

If the investor is dissatisfied with the decision, he may, within four weeks of receiving the decision of the senior officer, submit his claim in writing to the head office of the Board with all relevant information supporting it. The decision of the Board shall be final.

#### 9. General Provisions Relating to Telephone and Postal Investments

(i) Remittances in respect of dividends, refunds, or of any balance of a deposit account will be paid at the option of the Board by cheque, bank draft, bank transfer, bank note, postal note, or money order posted to the address given on the original instructions relating to the investment or deposit in respect of which the dividend or refund or remittance is payable. Posting the remittance shall be deemed delivery to the investor.

(ii) All exchange or poundage will be payable by the investor.

(iii) In respect of remittances or correspondence passing to and from the Board and an investor, the investor shall accept all risks, losses, delays, errors, or omissions which may occur in the ordinary course of post. The Board shall be under no obligation to send any remittance by registered post.

(iv) The Board shall not be bound to submit a statement of account when forwarding any remittance.

(v) Neither the Board nor any servant or agent of the Board shall be responsible for any loss arising from the unauthorised use of a depositor's account.

#### 10. Special Provisions Relating to Doubles

##### A. GENERAL

(i) Any person making an investment at or through a totalisator agency shall be deemed to accept, subject to any necessary modification in regard to investments off the course, the regulations for the operation of the doubles totalisator on the course adopted by the New Zealand Racing Conference and the New Zealand Trotting Conference respectively, and for the time being in force.

(ii) Every person intending to invest on the doubles totalisator is required, at the time of making such investment, to nominate the horse code numbers he selects for each race of the prescribed double. In addition he must give the information as to the race meeting, amount invested and other matters required in making cash, telephone or postal investments for win or place.

(iii) Dividends will be paid or credited to the investor in the same manner as dividends in respect of other investments by cash, by telephone, or by post.

(iv) Investments on the doubles totalisator will not be accepted prior to the publication of acceptances.

##### B. PROVISIONS RELATING TO THE SCRATCHING OF HORSES FROM A DOUBLE

(i) *Where a Horse in the First Race of the Double is Scratched*—(a) If a horse, including a bracketed horse, is scratched from the first race, the investor may at his option nominate a substitute or accept a refund at the totalisator agency where the investment was made up to 15 minutes before the advertised time of closing for the receipt of investments for the double.

(b) Where a horse is scratched at any time before the first race and the investor has not substituted another horse, the investor, where a refund is or but for the provisions of Part C of this rule would have been obtained from the totalisator, will be entitled to a refund except in the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) *Where a Horse in the Second Race of the Double is Scratched*—(a) If a horse, including a bracketed horse, is scratched from the second race, the investor may at his option and at the totalisator agency where the investment was made, accept a refund up to 15 minutes before the advertised time of closing for the receipt of investments for the double, or if the investment was made against a telephone deposit account nominate a substitute up to 15 minutes before the advertised starting time for the first race, or if the investment was made by cash nominate a substitute up to 15 minutes before the advertised starting time for the first race provided that the totalisator agency at which the investment was made is still open for receiving cash investments.

(b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid, then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

(c) Where a horse which is not bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or substituted another horse, the Board will substitute for the scratched horse the favourite for such race as determined by that part of the double investments received by the Board for separate totalisator numbers in the second race which were coupled with the winner of the first race and ascertained after the time of closing for receipt and substitution of investments for such double and as recorded before this adjustment takes place.

"Favourite" as determined in the foregoing may be a horse or those horses included in a bracket to which a separate number is allotted on the totalisator.

(d) *Board's Substitution in Second Race Where Two or More Horses are Equal Favourites*—In the event of two or more horses being equally determined as favourites in the second race in accordance with subclause (ii) (c) herein, the favourite for the purpose of such subclause will be the equal favourite first appearing in the list of runners in the totalisator records for that race at the time this adjustment takes place.

(e) *Board's Substitution in Second Race Where Investment on Scratched Horse is Only Investment for That Race*—In the event of the scratched horse being the only horse in the second race for which the Board has received doubles investments which were coupled with the winner of the first race, then the horse next above the scratched horse in the totalisator records for such race will be substituted for that scratched horse, and if there is not a horse next above in that race the horse next below the scratched horse in the totalisator records for such race will be substituted for the scratched horse.

(f) *Substitution of Chosen Favourite to be Final*—For the purpose of this rule the decision made by the official of the Board as to which horse shall be substituted for a scratched

horse in the second race shall be binding upon the Board and upon the investor.

(g) *Brackets*—Where no bracket is shown in the notices exhibited by the Board but a horse is required to be bracketed with another horse on the totalisator, no bracket shall be deemed to exist unless both horses come under the orders of the starter. Where such a horse is scratched from the race, the Board shall substitute in accordance with subclause (ii) (c) herein.

(iii) *Method of Substitution or Cancellation*—(a) Investments made by telephone may be substituted or cancelled by telephone.

(b) Investments by cash may be substituted or cancelled only in person on presentation and exchange of the original ticket issued.

(c) Investments made by post may not be substituted or cancelled at any time.

#### C. TRANSMISSION OR OTHER FAILURE PRIOR TO THE CLOSING OF THE TOTALISATOR

When because of failure in the means of transmission or by reason of other unforeseen circumstances part or all of the details of investments received for the doubles totalisator cannot be recorded on that totalisator on course, the following provisions shall apply:

(i) *Failure Prior to the First Race of the Double*—(a) If an estimated 90 percent or more of such investments can be transmitted to the totalisator they shall be so transmitted, and as to the remainder not transmitted the Board will pay, in respect of those investments on the winner of the first race of the double coupled with the winner of the second race of the double, dividends at the rate declared and paid by the totalisator in respect of that double.

Provided that if in respect of such 90 percent or more of investments there is not an investment on every starter in the first race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total investments intended to be transmitted has been received from the Board's representative at the totalisator, then in either such event the circumstance as set out in subparagraph (b) herein shall be deemed to apply.

(b) If it is estimated by the Board that less than 90 percent of the off-course investments on a double are available for transmission or if 90 percent or more of the total of such investments cannot be transmitted to the totalisator, the Board will hold all off-course investments on the double and will establish a separate off-course pool in respect thereof.

From all investments in the pool there shall be deducted and paid the same statutory deductions as would be due if the moneys had been invested on the totalisator, and the balance shall be available in dividends to be determined in the same manner as applies for the determination of the doubles dividend on course.

(c) For the purposes of determining the percentages referred to in subclauses (i) and (ii) the Board will classify totalisator agencies and other offices or groups of either according to the amount or proportion of investments for the doubles totalisator received therein in respect of the first race of a double at previous race meetings conducted by the club or in respect of previous race meetings in the same district.

(ii) *Failure Prior to the Second Race of the Double*—(a) If details of the selections for the second race of the double in respect of 90 percent or more of the investments that were on the winner of the first race are available and can be transmitted to the totalisator, such shall be transmitted, and the Board will pay on all investments on the winner of the first race coupled with the winner of the second race of the double such dividends as are declared and paid by the totalisator.

Provided that if in respect of such 90 percent or more of investments there is not a selection on every starter in the second race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total selections intended to be transmitted has been received from the Board's representative at the totalisator, then in either such event the circumstances as set out in subparagraph (b) herein shall be deemed to apply.

(b) If less than 90 percent of the details of the selections for the second race of the double are available for transmission or if 90 percent or more cannot be transmitted to the totalisator before it closes for the second race of the double, no dividend will be declared or paid until all details necessary for the declaration of the dividend, having regard to the provisions of this subclause and of subclause (a) herein, can be transmitted to the totalisator.

#### 11. Closing Time for Investments

In each totalisator agency there will be displayed the closing times for acceptances of investments at that agency for all races at all race meetings in respect of which investments may be accepted.

#### 12. Special Provisions Relating to Investments on Races Outside New Zealand

(i) Subject to the express provisions of this rule the foregoing rules and the scheme shall apply with necessary modifications and shall be deemed to be accepted by the investor in respect of any investment received at or through any totalisator agency on a race outside New Zealand.

(ii) The Board shall allot code numbers to the horses in the race. If in the race there are more than 24 horses accepted for that race then the Board will create sufficient brackets to meet the position bracketing the first horse in excess of 24 with the twenty-fourth and working up from there, but if possible shall not bracket any such horses with any horse or horses already bracketed in the Board's notices. Irrespective of any brackets on the totalisator or elsewhere or required by any rules of racing the brackets exhibited in the Board's notices in respect of that race shall be final and binding. Brackets so exhibited shall be deemed to be brackets for all purposes of these rules except that the horses shall not be deemed to be identifiable for the purposes of rule 4 (f) (ii).

(iii) (a) After deducting all refundable amounts and all other lawful deductions the Board shall calculate dividends on the basis of the balance of the investments notified to the Board's principal collating centre for that race before the start of the race but excluding any investments which are received for transmission to any totalisator at any race meeting conducted by a racing club.

(b) The dividends shall be calculated in the case of horse races in accordance with the relevant rules or regulations or resolutions of the New Zealand Racing Conference and in the case of trotting races in accordance with the relevant rules or regulations or resolutions of the New Zealand Trotting Conference.

(c) As soon as practicable after the amount of the dividend calculated on the basis of the unit of investment is ascertained it shall be declared by exhibiting a notice of the amount on a public notice board at the Board's registered office and such declaration shall be final and binding on all investors.

#### 13. Special Provisions Relating to Special Doubles

##### A. GENERAL

(i) Subject to express provisions of this rule the foregoing rules and the scheme shall apply with necessary modifications and shall be deemed to be accepted by the investor in respect of any investment received at or through any totalisator agency on a special doubles investment.

(ii) (a) The net pool available for doubles dividend or dividends shall be the amount of the investments notified to the principal collating centre for the special double before the start of the first race thereof after deducting all refundable amounts and other lawful deductions. The Board will calculate the dividend or dividends payable to investors in accordance with the amounts reinvested on the horse or horses in the second race of the double, as notified to the principal collating centre for that race before the start of the second race. Any investments which are received by the Board for transmission to any totalisator at any race meeting conducted by a racing club shall be excluded from any calculation under this paragraph.

(b) The calculation of the doubles dividend or dividends will be made when the second race is a horse race in accordance with the relevant rules or regulations or resolutions of the New Zealand Racing Conference and when the second race is a trotting race in accordance with the relevant rules or regulations or resolutions of the New Zealand Trotting Conference.

(c) As soon as practicable after the amount of the doubles dividend or dividends calculated on the basis of the unit of investment is ascertained it shall be declared by exhibiting a notice of the amount on a public notice board at the Board's registered office and such declaration shall be final and binding on all investors.

(d) Dividends will be paid or credited to the investor in the same manner as dividends in respect of other investments received by the Board by cash, by telephone or by post.

(iii) Every person intending to invest on a special double may be required at the time of making such investments to nominate the horse code number he selects for each race of the special double simultaneously or as the Board may decide may make separate selections in each race before the advertised times of closing for the receipt of each selection in the same way as on course in which case the investor shall be bound by the rules of racing which the Board has directed to apply to that special double or generally. In addition he must give the information as to the race meeting or meetings, amount invested and other matters required in making cash, telephone or postal investments for doubles investments on the totalisator.

(iv) Investments on special doubles may be accepted prior to the publication of acceptances for each race thereof as may be notified from time to time in totalisator agencies.

#### B. PROVISIONS RELATING TO THE SCRATCHING OF HORSES IN A SPECIAL DOUBLE

(i) Where a horse in the first race of a special double is scratched:

(a) If a horse, including a bracketed horse, is scratched from the first race, the investor may at his option nominate a substitute or accept a refund at the totalisator agency where the investment was made up to 15 minutes before the advertised time of closing for the receipt of investments for the special double.

(b) If a horse is scratched at any time before the first race and the investor has not substituted another horse, the investor will be entitled to a refund except in

the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) Where a horse in the second race of the double is scratched:

*If both races of the double are held on the same day—*

(a) If a horse, including a bracketed horse, is scratched from the second race, the investor may at his option and at the totalisator agency where the investment was made, accept a refund up to 15 minutes before the advertised time of closing for the receipt of investments for the double, or if the investment was made against a telephone deposit account nominate a substitute up to 15 minutes before the advertised starting time for the first race, or if the investment was made by cash nominate a substitute up to 15 minutes before the advertised starting time for the first race provided that the totalisator agency at which the investment was made is still open for receiving cash investments.

(b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

*If both races of the double are not held on the same day—*

(a) If a horse including a bracketed horse is scratched from the second race the investor may at his option and at the totalisator agency where the investment was made, accept a refund up to 15 minutes before the advertised time of closing for the receipt of investments for the double or nominate a substitute up to two hours before the advertised starting time for the second race.

(b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

**C. SUBSTITUTION OF FAVOURITE IN SPECIAL DOUBLES**

Where a horse which is not bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or substituted another horse, or where the investor has not nominated his selection for the second race separately when this applies, the Board will substitute for the scratched horse or nominate for the second race, as the case may be, the favourite for that race as may be determined by applying the provisions of paragraphs (c) (d) (e) (f) and (g) of rule 10B with all necessary modifications.
