AUDITORS' REPORT

We have examined the records and financial accounts of the Wanganui Savings Bank for the year ended 31 March 1968. Our examinations were made in accordance with the general principles of auditing and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion, the accompanying balance sheet with notes attached and the profit and loss account present fairly the financial position of the Wanganui Savings Bank at 31 March 1968, and the results of its operation for the year then ended.
