The price to be paid by the Board for any cheese which, with the approval or at the request of the Board, is manufactured, prepared, or packed in special containers, or in special quantities, or otherwise in any special manner, shall be the appropriate price payable for that cheese as hereinbefore provided, adjusted by such appropriate addition or reduction as corresponds with the additional costs or the reduced costs incurred in such special manufacture, preparation, or packing. Any such approval or request of the Board may include a stipulation limiting the additional cost to be incurred and may dispense with the requirements of paragraphs 3 and 4 hereof, and, in that event, payment shall be made for the actual net weight of the cheese exported.
