AUDITORS' REPORT

We have obtained all the information and explanations that we have required. In our opinion proper books of account have been kept by the company so far as appears from our examination of those books.

In our opinion, according to the best of our information and the explanations given to us, and as shown by the said books, the balance sheet and the statement of profit and unappropriated profits, together with the notes thereto, are properly drawn up so as to give respectively a true and fair view of the state of the company's affairs as at 30 September 1968, and of the results of its business for the year then ended.

According to such information and explanations the accounts, the balance sheet, and the statement of profit and unappropriated profits give the information required by the Companies Act 1955 in the manner so required.
