20. The Chairman, or in his absence the Vice-Chairman, shall preside at all general meetings of the Exchange and of the Committee, but in the event of both being absent or not wishing to preside at the meeting the members present shall elect a Chairman for that occasion.

21. The Chairman of any meeting shall have full control thereof and shall regulate the order and manner in which the business shall be conducted. The decision of the Chairman shall be final in all cases submitted to him. The Chairman shall have power at his sole discretion to inflict a fine not exceeding \$10 on any member or members who in his opinion obstructs the business of the meeting, disobeys the ruling of the Chairman, is guilty of any breach of etiquette, or leaves a meeting without the permission of the Chairman.

22. In all cases at any general meeting when on a division the votes are equal, the Chairman for the time being of the meeting shall have a second or casting vote.

Extraordinary Vacancy

23. Any extraordinary vacancy in the office of Chairman, Vice-Chairman, or Committeeman occurring during the year shall be filled at a special general meeting of members to be summoned by the Committee for that purpose without unnecessary delay. Nomination and election for any such vacancy shall be in the same manner as in election to office at the annual general meeting. If there be any further vacancy in the office bearers caused by the filling of the initial vacancy or vacancies that the special general meeting was summoned to fill then it shall be competent for such meeting to fill such vacancy by election from immediate nominations made at the meeting.

General Meetings

24. The financial year of the Exchange shall close on the 30th day of September and an annual general meeting of members shall be held in the month of December but these two dates may be changed from time to time by special resolution of members. The business of the annual general meeting shall be to receive from the Committee an income and expenditure account and balance sheet showing the financial position of the Exchange duly audited by an accountant qualified under the Companies Act for audit of company accounts; to elect a committee and officers for the ensuing year; to appoint an auditor; and also generally to conduct any business provided for in these Rules.

25. The Committee shall fix the date of the annual general meeting and shall give members at least 14 clear days notice thereof.

26. Notice of a general meeting of the Exchange shall be given to each member by placing in the delivery box of the member a notice addressed individually to the member, specifying the place, day, and hour of the meeting and the general nature of the business to be considered, at least 48 hours prior to the time a special general meeting is to be held and at least 14 clear days prior to the date of the annual general meeting. Where it has not been practicable to place the notice in the delivery box of a member and in any other cases that the Chairman considers desirable a copy of such notice, in lieu of placing in the delivery box or in addition thereto, shall be posted to the member or members by the Secretary not later than 48 hours before

the time at which a special general meeting is to be held and 14 clear days before the date of the annual general meeting. The Chairman may also authorise the notice or a precis thereof, in addition to and not in place of the above provisions, to be posted on the Exchange notice board and announced at a trading meeting. The accidental omission to deliver to or to post a notice to any particular member shall not invalidate a meeting.

27. At any annual general meeting after all business herein provided for shall have been disposed of, it shall be competent for any member to bring under the notice of the meeting any business or matter within the objects or purposes of the Exchange, and to give notice of any proposition to be considered at a future meeting.

28. A special general meeting may be called by the Committee at any time.

29. A special general meeting shall be called by the Committee upon the receipt of a requisition addressed to the Secretary requesting them to do so, signed by at least five members representing at least three separate firms, and stating the business for which such meeting is required. If the meeting shall not be convened within 7 days from the time of such requisition being so left with the Secretary, the requisitionists or any five members representing at least three separate firms may themselves convene a meeting by giving the required notice to members by placing the notice in the delivery box of members or by posting the notice to them in the same manner as nearly as possible as is already provided for calling a general meeting.

30. No other business shall be transacted at a special general meeting except that stated in the notice convening the meeting, and no resolution shall be passed, or other business transacted, which is not included within the objects and purposes for which the meeting is convened. A resolution contained in the notice convening any such meeting may be passed in an amended form only if in the opinion of the Chairman of the meeting the amendment does not substantially alter the character and purpose of the original resolution.

31. Any general meeting shall have power *inter se* to adjourn from time to time as may be found necessary. Whenever an adjournment to a future day has been decided on, notice thereof shall be given in such manner as may be determined by the Chairman of the meeting. No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting so adjourned.

A resolution adopted at a general meeting of members called at less than 14 days' notice shall be deemed to be binding on all members until the date of the next annual general meeting when such resolution shall be subject to confirmation and if confirmed shall be deemed to have been duly and properly passed from the date of the initial adoption of the resolution.

32. At any general meeting every member shall have one vote and all questions shall be decided by a majority of the members present and voting except in cases otherwise provided for in these rules, but notwithstanding the provisions of this or any other rule where members are carrying on business in partnership no more than three partners of any one partnership shall vote at any one general meeting and if at any such meeting more than three partners of any one partnership are present and vote then the votes accepted shall be those of the three senior members of that partnership according to their respective election to the Exchange who have voted. Voting by proxy shall not be permitted.

33. A special resolution of members shall be a resolution passed by a majority of two-thirds of such members as, being entitled so to do, vote in person at a general meeting of which not less than 14 clear days' notice, specifying the intention to propose the resolution as a general resolution has been duly given.

34. The quorum for General or Special General Meeting of members shall be one-half of the members of the Exchange. In the event of there not being a quorum present at the time appointed for any meeting, the Chairman or in his absence the Vice-Chairman, or in his absence any other office-bearer, or in the absence of all the office-bearers the Secretary may adjourn such meeting to such day and time within the next ensuing 7 days as he may determine. Notification of the adjournment of such meeting, stating the date and time to which such meeting is adjourned, shall be forthwith given by the Secretary to each member in the same manner as is provided for notices of general meeting.

Funds

35. The Committee shall have full control over the funds of the Exchange, and shall pay therefrom all current expenses and outgoings, and any other payments relating generally to the operation of the Exchange or for which they

have the specific or general authority of the members. All moneys received shall be paid into a bank account and payments shall be made by cheques drawn on such account.

36. Cheques drawn on or against any funds of the Exchange shall be signed by any two of the following four persons—the Chairman, the Vice-Chairman, the Secretary, and such fourth person as may be specially appointed by the Committee for the purpose.

37. The Committee shall invest the funds of the Exchange in such securities or other forms of investment as the Committee may in their absolute discretion from time to time deem advisable whether or not such securities or investments are authorised by law for the investment of trust funds. In particular the Committee may invest funds of the Exchange in the purchase of freehold or leasehold interests in land for the purpose of providing a building or rooms for the carrying out of activities of the Exchange or for such other purpose as the members may authorise. Securities or other property of the Exchange may be held in the name of the Exchange or on behalf of the Exchange by a trustee company or other trustees as the Committee may from time to time appoint. The Committee if specifically authorised by a special resolution of members may pledge, charge, or mortgage all or any of the assets of the Exchange upon such terms and for such purposes as the Committee decides.

38. The Exchange may at any time, with the sanction of a special resolution of members divide amongst its members any part of its assets not exceeding in amount or value the excess of the total assets of the Exchange over its liabilities. If the Exchange so decides, it may retain sufficient of the cash or other assets out of the share of any member upon any such distribution to pay or satisfy (so far as the same will extend) any moneys payable or owing by that member to the Exchange or to any member, and the cash and other assets retained shall be applied towards payment of the moneys so owing accordingly.

Entrance Fee

39. An entrance fee of such sum as the Exchange may from time to time determine in general meeting shall be paid by a candidate for membership prior to any ballot being taken upon his application. The entrance fee of a candidate who is, or has been within 3 calendar months of his application for admission to membership, a non-member partner or an authorised clerk in respect of whom at least 24 clerk's fees have been paid, shall be reduced by such sum as the meeting may determine. Any candidate for admission by virtue of the purchase of a membership interest shall not be required to pay an entrance fee but in lieu thereof shall pay the transfer fee provided in rule 58. In addition to payment on the entrance fee a candidate other than one by virtue of purchase of a membership interest, shall at the same time pay such sum as the Exchange in general meeting shall estimate that the candidate would have been entitled to receive under rule 63 if he had been a member and his resignation had been given and accepted on the date of the receipt by the Secretary of the application for membership. In the event of a candidate not being elected the money paid shall be returned to him. This rule shall not prevent the Exchange reinstating a former member without payment pursuant to any other rule in force relating to reinstatement.

Subscriptions

40. To procure funds for the Exchange the Committee may in its discretion from time to time by resolution make a levy on members and approved partners of such amount per head as it thinks fit. Notice of the making of the levy and the amount thereof shall be placed on the official notice board of the Exchange and a copy of the notice shall be posted to each member or left in his delivery box by the Secretary as soon as practicable. The levy shall become due and payable on the day following the placing of the notice on the notice board and such placing shall be deemed notice to every member and approved partner of the making of the levy. A member shall be liable to the Exchange for payment of any levy or fee due by an approved partner of such member as if the levy or fee was due by the member himself.

The levy on any member or approved partner shall automatically be increased by a penalty of 10 percent if the levy is not paid to the office of the Exchange or sent by post and post-marked on or before the day 1 calendar month after the date of placing of the notice on the notice board, unless the Committee upon written application waives the penalty because of special circumstances.

A new member or approved partner shall be liable to pay the levy last made prior to his election or approval, but in the same financial year, as if he had been a member or approved partner at the date of the notification of the resolution making such levy, and shall be deemed to have received

notice of the levy on the day of his election or approval, as the case may be, provided always that in any such case the Committee may if it considers it equitable so to do, remit the whole or any part of such levy.

41. The Committee shall in respect of each calendar month of the financial year fix a fee (hereinafter referred to as a clerk's fee) to be paid by every member or firm whose authorised clerk has at any time during such month attended an official meeting on his or their behalf for the purpose of making quotations or purchasing or selling shares. The fee for any month shall be fixed either during or at any time before such month and shall become due and payable on the last day of such month.

Notice of the fixing of a clerk's fee shall be deemed to be given to members by placing notice of the resolution fixing the fee on the official notice board of the Exchange. The fixing of the fee shall also be announced at a trading meeting by the presiding officer thereof. Where the employer of an authorised clerk is a firm, the members thereof shall be jointly and severally liable for any clerk's fee payable in respect of such clerk. The Committee may if it thinks it equitable, remit or reduce the amount of the clerk's fee in any particular case.

42. If any levy, approved partner's levy, clerk's fee, or other moneys for which any member is liable to the Exchange shall not be paid within 4 calendar months of the due date thereof, the member shall immediately on the expiration of such period be deemed to be suspended from the privileges of membership, and shall continue so suspended until such levy fee or other money due shall be paid, and if it shall not be paid within 12 calendar months of the due date thereof, he shall, immediately upon the expiration of such period cease to be a member, and his interest in membership shall be forfeited to and become the property of the Exchange.

43. The membership interest of a resigning member, from the date of resignation until the election of his nominee, shall be subject to the same annual subscription as that of existing members during that period unless the members by resolution otherwise direct. A membership interest purchased by the Committee shall not be liable for the annual subscription whilst held by them.

Election of Members

44. Every candidate for admission to membership must be proposed by a member and seconded by another member and his name shall be submitted to the Committee. The Committee shall make inquiries as to the integrity, suitability, and financial standing of the candidate. Upon the Committee being satisfied as to the financial standing of the candidate it shall submit his name for election of the members. Notice of the name of the candidate, his proposer and seconder, and the time and place of the general meeting at which the ballot is to be taken shall be given to members in the manner provided for notices of general meetings not less than 14 days prior to the date of the meeting. Applications for admission to membership, except as otherwise provided, shall be in the following form:

To the Secretary of the Auckland
Stock Exchange

Sir,

I am desirous of being admitted a member of the Auckland Stock Exchange, upon the terms of and under and subject in all respects to its rules and regulations, which now are or hereafter may be for the time being in force.

I have read the rules as at this date, and am willing to sign them when called upon to do so.

I undertake on notification of the total amount fixed by the Exchange for the entrance fee and membership to pay such amount to the Exchange prior to the ballot on my membership.

45. Candidates for membership shall be elected by the members by secret ballot. A voting paper in the form prescribed by the Committee shall be issued to each member present at the meeting at which the ballot is held. Two members appointed by the meeting shall act as scrutineers and shall record the final result of the voting in writing. The scrutineers shall be the final judges of whether any paper is a valid one. No voting by proxy shall be allowed. One adverse vote in every five valid votes recorded shall exclude the candidate from election. No ballot shall be valid unless at least one-half of the members of the Exchange entitled to vote do actually register a vote but a member may mark his voting paper with the words "no vote" in which case he shall be deemed to have registered a vote, but his vote shall not be recorded either in favour of or adverse to the candidate.

46. Should any ballot prove invalid by reason of an insufficient number of votes being registered another ballot shall be held at a time to be fixed by the Committee not earlier than 14 days and notice of such fresh ballot shall be given in the same manner as notice of the original ballot.

47. No rejected candidate shall be again proposed for election within the space of 6 months after his rejection.

48. Every member immediately on election shall sign the rules as an acknowledgment that he has read them and agrees to be bound by them and until the member has so signed he shall not be entitled to the privileges of membership.

49. Certificates of membership executed under the Official Seal of the Exchange shall be issued by the Committee to members. Every such certificate shall at all times remain the property of the Exchange and the Committee shall be at liberty at any time to call for and compel its production and delivery. Any person ceasing to be a member shall, upon application by the Committee or by the Secretary, return his certificate of Membership for cancellation.

50. Any partnership engaged in sharebroking shall for the purpose of these rules be deemed to be a forbidden partnership unless at least half the partners are members of the Exchange. The Committee shall by written notice require any member who is a partner in a forbidden partnership to dissolve the same, and unless upon the expiration of 3 calendar months from the date of giving such notice or such longer period as the Committee may fix from time to time at least half the partners of such partnership are members of the Exchange, or the partnership has been dissolved, the member receiving such notice shall be deemed to have retired from the Exchange and to be no longer a member.

51. If a member enters into partnership with any person who is not a member of the Exchange then the member shall ensure that within 1 calendar month after the formation of the partnership such new partner of the member is proposed for the approval of the Exchange by a ballot in the manner hereinbefore provided as if such new partner were a candidate for admission to membership. In the event of such partner not being proposed and approved by the Exchange as a non-member partner the member shall dissolve the partnership with the new partner who has not been approved. Failing the dissolution of such partnership within 1 month after the taking of the ballot the member or members remaining in partnership with the partner who has not been approved shall be deemed to have retired from the Exchange, and to be no longer a member or members.

An approved partner shall have the right to attend all trading meetings of the Exchange and to make quotations and purchase or sell shares. He shall be entitled to attend at any general meeting of the Exchange and with the consent of the Chairman of the meeting to speak at the meeting but he shall not be entitled to vote at such meeting. Every rule regulating or relating to transactions between members or between members and non-members, or to the obligations of members to other members or non-members or to the Exchange, as to the conduct, business practice or ethics of members, shall bind a non-member partner as if he were a member.

The members at a general meeting may on the recommendation of the Committee, resolve to withdraw the approval of any non-member partner who has been guilty of conduct which, in the opinion of the Committee, would demand his expulsion if he were a member of the Exchange, and in such case the same consequences shall follow as if such withdrawal were a disapproval of that non-member partner by the Exchange on an original application for his approval.

A non-member partner shall within 7 days of his approval deliver to the Secretary an acknowledgment in writing that he has read the rules of the Exchange and agrees to be bound by such as affect a non-member partner and he shall not be entitled to exercise any rights conferred by these rules until he has signed the acknowledgment.

Upon a request in writing in that behalf by the Committee of any mentally defective member the exchange at a special general meeting may resolve to treat that member as having resigned as from the date of receipt of such request and thereupon the Committee of such mentally defective member shall have the same privilege of nominating a candidate to be proposed for membership in the place of the mentally defective member as the member would have had himself had he himself resigned as a member.

58. On transfer of a membership interest under rules 54 or 56 notification of the same shall be made in the following form:

Interest in Assets

63. Members who resign or cease to be members from any cause whatever or persons claiming through them or the executors or administrators of any deceased member shall have no claim on the assets of the Exchange save as is provided hereunder in this rule.

Upon the acceptance of the resignation of any member or upon the death of any such member or upon his ceasing to be a member pursuant to rule 57 relating to mentally defective members he or his legal representatives shall be entitled subject to the provisions of these rules to receive from the Exchange the assets value of his membership interest. Such value shall be the sum of money the member would have received if immediately before ceasing to be a member the tangible assets of the Exchange had been sold at the fair market price thereof and after its debts and liabilities had been paid or satisfied the surplus had been distributed equally amongst the then members.

The Exchange shall fix the asset value and in doing so may have regard to any valuation of securities held by the Exchange and the book value of furniture and fittings but in all cases the decision of the Exchange as to the asset value shall be final and conclusive. In lieu of paying cash the Exchange may satisfy any sum payable by transferring any shares debentures bonds or like securities to the person or persons entitled at the market value thereof at the time of transfer or delivery such market value being the value of the securities as quoted on the Exchange or if not quoted then as fixed by the Exchange.

Where a resigning member or his legal representatives have exercised the right under these rules to nominate a candidate and such candidate has been elected then no sum shall be due under this rule to the resigning member or his legal representatives but he or they shall be deemed to have assigned to the newly elected member the asset value of the membership interest in respect of which the newly elected member was nominated.

Any decision to be made by the Exchange under this rule shall be made by or pursuant to a resolution passed at a general meeting. This rule shall not affect the right of the Exchange to make donations and otherwise deal with its funds in as full and unrestricted a manner as if this rule had not been adopted.

64. Where in the opinion of the Committee a member is under financial stress and is likely to have difficulty in meeting his liabilities or in the Committee's opinion other circumstances require the prompt suspension of the member from trading the Committee may immediately temporarily suspend such member from membership of the Exchange for such limited period as the Committee in its absolute discretion thinks fit. The Committee may exercise this power of temporary suspension without calling on or hearing the member involved.

65. A member shall be declared a defaulter by the Committee if he has committed an act of bankruptcy or is insolvent or in the opinion of the Committee the member is in difficulties and has failed or is likely to fail to meet his liabilities and upon such declaration being made the defaulting member shall be automatically suspended from all trading and from the exercise of all rights of membership of the Exchange and notice of the name of the defaulter shall be given forthwith to all members.

The Committee shall have power to order that all open transactions including time bargains between any member declared a defaulter and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly by the Chairman buying or selling in the market on account of the defaulter such stocks or shares as he may have contracted to sell or purchase. The Chairman shall charge current rate of brokerage to the defaulter and such brokerage shall be the personal property of the Chairman. Members shall without delay render full statements of account to the Committee.

68. In case any member shall make default in payment of any amount payable to any other member the last mentioned member shall give notice in writing of such default to the Chairman or in his absence to the Vice-Chairman within 24 hours after such default.

69. The Committee shall have power to investigate the accounts of members with a member in default and to reject or require the correction of any items which they may deem unsatisfactory.

All surpluses in the hands of members resulting on the closing of open transactions with a member in default shall be paid to the Committee.

Any member who is found by the Committee to have become insolvent or to have been adjudicated bankrupt or to have assigned his estate for the benefit of or to have compounded with his creditors shall upon such finding by the Committee cease to be a member and shall forfeit to the Exchange all interest whatsoever in his membership. Upon such forfeiture for expulsion insolvency or otherwise the member shall cease to have any claim whatever on or to the property or funds of the Exchange. The Exchange shall fix the asset value of the membership interest of such member as at the date of forfeiture of membership and upon such value being fixed the Committee shall apply the sum of money representing the asset value of the membership interest in the following manner; first in payment to the Exchange of a sum equal to the transfer fee that would have been due had the seat been sold and of any subscription fine or other liability owing to the Exchange by the former member, secondly in payment of the claims of any member or members who at the time of such forfeiture were creditors of the former member, and thirdly in paying any balance to the former member or his personal representatives or assigns or widow or next of kin as the Committee in its discretion shall fix and the decision of the Committee as to the person or persons to whom the balance be paid shall be final and binding on all persons. The Exchange may also authorise the Committee to sell the membership interest of the former member and the proceeds received by the Committee from such sale over and above the asset value of the membership interest as fixed as at forfeiture shall be dealt with as the Exchange directs. A member who has forfeited his membership may in special circumstances be reinstated by a ballot of members

taken in the same manner as provided in rule 46 and upon such special terms as to the entrance fee or otherwise as the Exchange may fix in general meeting.

73. The Committee in dividing amongst members who are creditors of a former or deceased member such funds as are available for distribution whether on the sale or forfeiture of a membership interest or otherwise howsoever shall not necessarily distribute the same pro rata but may in their discretion give preference either wholly or in part to claims of recent date over claims of longer standing which were not divulged to the Committee at the time they arose and in any case claims that do not arise from transactions under the rules, shall not be recognised by the Committee until all claims that have arisen from transactions under the rules shall have been satisfied.

The Chairman shall report the result of his investigation either to the Committee in the first instance or to a trading meeting or general meeting of the Exchange as he deems appropriate. Any member refusing an inspection of his books, papers, or office records shall have committed a breach of these rules. The refusal shall be reported by the Chairman forthwith to the Committee and the Committee may treat such refusal as evidence of the member being guilty of making a false quotation and engaging in conduct unworthy of a member.

84. The general conduct of trading meetings shall be subject to the control of the Committee which having regard to changes in stockbroking practice may from time to time make and promulgate regulations dealing with the conduct and mode of operation of trading meetings and the business to be transacted at such meetings and such regulations upon adoption by a special resolution of members shall bind all members and a breach of the regulations, if not otherwise dealt with under the rules, shall carry a penalty of up to \$50.

96. Where any dispute between members with reference to stockbroking transactions or other transactions to which these rules apply is brought under or referred to the consideration of the Committee the decision of the Committee shall be final and binding and shall be carried out forthwith by the member or members concerned. In giving a decision on a dispute between members the Committee may order that reasonable costs of the hearing of the dispute should be paid by any one or more of the members involved and may require the deposit of up to \$40 for hearing costs at the time a dispute is referred to the Committee.

In any action as aforesaid no member shall dispute the correctness of such decision or award, or the fact that it was given in accordance with these rules.

Complaints and Charges

98. 99. Members and their clerks when required so to do by the Committee shall attend any meeting of the Committee and then and there shall give such information as may be in their possession relative to any matter under investigation. In the event of a complaint or charge being made which in their opinion justifies such procedure the Committee shall have full power to call upon any member to produce for the inspection of the Committee or an Inspector appointed by them or to make available at the member's office for such inspection all books, letters, telegrams, and office records or other documents or copies thereof as the member may have in his possession or control as the Committee may direct and the member shall forthwith produce such documents or make them available for inspection as the case may be.

Should the Committee decide to recommend a member's expulsion it shall report accordingly to the members at a Special General Meeting called for that purpose. It shall be competent for the Special General Meeting to confirm or vary the Committee's recommendation to expel the offender and the meeting may resolve to deal with the offending member by reprimand, fine, or suspension. Unless the meeting otherwise resolves, the decision shall be taken by secret ballot. The decision of the meeting shall be deemed to be immediately adopted and given by the Committee and shall thereupon apply forthwith to the offending member but without prejudice to his right of appeal to the Association.

101. The Committee shall give 10 days' notice in writing (or such lesser time as the Committee and member agree) to a member against whom a complaint or charge has been made specifying the nature of such complaint or charge and the date place and time of the meeting of the Committee called to consider the matter. At such meeting the member concerned shall be given a reasonable opportunity of being heard. A country member may submit his representations in writing. 103. Any member of the Exchange who shall fail to observe or be bound by the terms of any decision or ruling of the Committee or of the Exchange or the spirit or intention thereof relative to the conduct by the members of the Exchange of their business as such members or to their dealings with one another as such members or relative to other matters arising out of the objects or purposes of the Exchange shall be deemed guilty of conduct unworthy of a member, and be dealt with in manner provided by rule 100.

104. If a fine imposed on any member by the Committee or by a General Meeting of members is not paid within 7 days or within such extended time as the Committee may fix the member in default may be declared by the Committee to be in default and he shall from the date of such declaration be deemed to have ceased to be a member and his interest in membership to have been forfeited to the Exchange and such forfeited interest shall thereupon be dealt with under rule 72.

105. A member or his partner or clerk being a member shall not vote at any meeting at which a charge affecting such member is under consideration.

106. The Committee for the time being may in their absolute discretion and in such manner as they may think fit notify or cause to be notified to the public that any member has been expelled or has been declared a defaulter or has been suspended or has ceased to be a member. No action or other proceedings shall under any circumstances be maintained by the person referred to in such notification against any member or official publishing or circulating the same and this rule shall operate as leave and authority to any member or official to publish or circulate such notification and be pleadable accordingly.

Notice of any resolution for alteration of these rules shall be given to the Secretary and a general meeting of members may thereupon be called to consider the proposed alteration. The notice convening a general meeting shall contain a copy of the resolution to be submitted to the meeting and such resolution may be passed in amended form only if in the opinion of the Chairman of the meeting the amendment does not substantially alter the character and purpose of the original resolution. The accidental omission to deliver or to post a notice to any member shall not invalidate any proceedings taken or resolution passed at the meeting. No proposed amendment or repeal of or addition to these rules if rejected shall be entertained again for 6 months.
