*Indecent Publications Tribunal*

I, Victor Worth Thomas, Comptroller of Customs, give notice that I have applied to the Indecent Publications Tribunal for a decision as to whether the book

*The Farm*, by Clarence Cooper; published by "The New English Library" Ltd., Barnard's Inn, Holborn, London E.C. 1

is indecent or not, or for a decision as to its classification.

*Decision of the Indecent Publications Tribunal*

No. 159

IN the matter of the Indecent Publications Act 1963, and in the matter of an application to the Tribunal by the Comptroller of Customs for a decision in respect of the book *Sexual Anomalies and Perversions, Physical and Psychological Development, Diagnosis and Treatment*, a summary of the works of the late Professor Dr Magnus Hirschfeld; edited by Norman Haire; published by Encyclopaedic Press, London, 1966 (reprint of second edition, 1952). First published 1938. New Zealand price, \$5.00.

## DECISION OF THE TRIBUNAL

MAGNUS Hirschfeld, it is claimed, planned this book as a summary of the conclusions of his life's work: when he died his pupils undertook to complete it. Dr. Haire, although not involved at the time, was a pupil and later a collaborator of Hirschfeld's: he is responsible for this new edition of the original work.

We agree with the publisher's note on the jacket: "A textbook suitable for students, psychologists, criminologists, probation officers, judges, educationists, and all adults." We notice without accepting the publisher's direction that "this book should not be sold to anyone under 18 years of age". It is an authoritative, objective, and healthy presentation of the matters dealt with; we think it should be available to all citizens; we declare it to be not indecent.

L. G. H. SINCLAIR, Chairman.
